FOR

CONSUMPTION OF THE LUNGS,

Affections of the Liver, Asthma, Bronchitis, Pains or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs, and all affections of the Pulmonary Organs.

NATURE'S OWN PRESCRIPTION.

A COMPOUND BALSAMIC PREPARATION of the *Prunus Virginiana* or "Wild Cherry Bark," combined with the *Extract of Tar*, prepared by a new chemical process, approved and recommend by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered.

NO QUACKERY !!! NO DECEPTION.

In setting forth the virtues of this truly great medicine, we have no desire to deceive those who are labouring under affliction nor do we wish to uelogize it more than it justly deserves. Yet when we look around and see the vast amount of suffering and distress occasioned by many of the diseases in which this medicine has proved so highly successful, we feel that we cannot urge its claims too strongly, or say too much in its favour.

Various remedies it is true have been offered and puffed into notice for the cure of diseases of the Lungs, and some have no doubt been found useful, but of all that have yet been discovered, it is admitted by physicians and all who have witnessed its effects that none has proved as successful as this. Such indeed, are the

SURPRISING VIRTUES

Of this Balsam, that even in the advanced stages of Consumption, after all the most esteemed remedies of physicians have failed to effect any change, the use of this medicine has been productive of the most astonishing relief, and actually effected cures after all hopes of recovery had been dispared of.

In the first stages of the disease, termed "*Caterrhal Consumption*," originating from *neglected* COLDS, it has been used with undeviating success, and hundreds acknowledge they owe the restoration of their health to this invaluable medicine alone. In that form of *Consumpiion* so prevalent amongst delicate young females, commonly termed debility, or

"GOING INTO A DECLINE,"

A complaint with which thousands are lingering, it has also proved highly successful, and not only possesses the power of checking the progress of this alarming complaint, but also strengthens and invigorates the system more effectually than any medicine we have ever possessed

Besides its surprising efficacy in Consumption, it is equally efficacious in *Liver Complaints, Asthma, Bronchitis*, and all affections of the Lungs, and has cured many of the most obstinate cases, after every other remedy has failed.

As we have already published numerous certificates from the highest authority, whiah prove its virtues beyond all doubt, we consider it unnecessary to exhibit a long list of them in this place, and will only mention a few cases to show what it has done.

WHILE LIFE REMAINS

WE HAVE STILL SOME HOPE.

A SURPRISING CURE.—Among the many singular cures which this medicine has effected, there is perhaps none in which its powers are so fully shown as in the case of Mrs. Austin.

This Lady had been consumptive for several years, and during the greater part of time had received the best medical attention, and tried all the most valuable remedies, yet nothing could be found to arrest its progress. She became subject to violent fits of coughing, expectorated large quantities of matter occasionally tinged with blood, and step by step this fearful disease continued its course, until all hopes of a recovery was entirely despaired of. While in this distressing situation, lingering upon the very verge of the grave, she commenced the use of this Balsam, which, to use her own expression operated almost like a charm. In a few days she expectorated freely, the cough was gradually suppressed, and every day appeared to add fresh vigour to her looks, and now, in the place of that emaciated form withering to decay, she is seen mingling in society, in better health than she has enjoyed for years.

DISINTERESTED TESTIMONY.—Having witnessed the surprising efficacy of Dr. Wistar's Balsam of Wild Cherry, in the case of Mrs. Austin, I cheerfully acknowledge the above statement to be true and correct.

J. C. WATERS, M. D.

Woodstown, Sept. 4, 1841.

Dear Sir:—Althongh your invaluable medicine has already found hundreds of powerful advocates, it may still be gratifying to you to receive a communication from any one that has been relieved by it. Such Sir, is truly my case. I have been a victim to that terrible disease Consumption for many months, and have suffered so much, that I had become almost weary of my life. Hearing your Balsam, so highly praised, I began taking it a few weeks back, and can assure you it has relieved me more than any thing I have ever used before, and I confidenlty believe it will cure me effectually. Please give the bearer the worth of the enclosed, and oblige,

Yours respectfully,

JOHN PEARSON.

Lancaster county, July 18, 1841.

Dear Sir:—Please send me two bottles of your genuine Balsam of Wild Cherry. I have been afflicted with Consumption for the last two years, and suffered very much with a severe cough, pains in my breast, difficulty of breathing, night sweats, &c. and having tried numerous remedies, and also been under several doctors, yet I could not find any thing to relieve me until I used some of your Balsam. I got one bottle from a neighbor of mine who is using it, and have no doubt it will cure me.

Very respectfully yours, &c.

ROBERT HOMMAN.

☞Read the followieg from Dr. Jacob Hoffman a physician of extensive practice in Huntingdon county.

Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Reed, Esq. of this place, and tried it in a case of obstinate Asthma, on a child of Paul Schwebie, in which many other remedies had been tried without any relief. The Balsam gave sudden relief, and in my opinion the child is effectually cured

JACOB HOFFMAN, M. D.

December 23d, 1841.

Dear Sir:—Your Balsam of Wild Cherry has effected astonishing cures here.—One of which is an old lady, Mrs. Russell, who had been suffering for a long time with shortness of breathing, and general weakness, until she was finally obliged to keep her bed. After various other remedies had been resorted to in vain, she commenced using your Balsam, and after taking two bottles more was entirely cured.

Respectfully &c.,

JOHN C. MARTIN.
