BUT ANOTHER BLIZZARD PREDICTED

Come get a Suit, Overcoat, extra pair Trowsers, Couple Suits Underwear, or whatever you may need in winter stuff, either Men's, Boys' or Children's, all go in this bona fide Cut Price Sale, and if not in immediate need, it will pay you to lay aside for future use; for the prices we have pinned on will be an extra incentive.

By displaying a reliable attractive line of up-to-date merchandise we have demonstrated beyond question to a larger aggregation than ever before, our ability to sell them 15 to 20 per cent. less than can be had of city houses, and to those who think of the vast differences in expenses, being on an equal footing in purchasing, etc., this fact is plainly evident.

We Now Offer

you a chance at the Odds and Ends and if you get here early enough, there's a very good assortment. —But don't delay—as all winter merchandise, Men's Overcoats, Boys' and Children's Overcoats, Suits, Underwear, Gloves and all winter merchandise will now be cleaned up at our well known cut prices. That are cut prices. A few words to the wise on this score is sufficient.

LOCAL NEWS.

Real Estate Sales.—J. Waters Russell has sold to Henry C. Stevens, of Massey, the Geo. W. Moffett place of 12 acres near Chesterville. The price is said to be $300

Furs Scarce.—Marcus Asher, the "Fur King," says furs are scarcer and higher than for ten years. He is paying 30 and 32 cents for black rats. Last year he bought 30,000 hides and this season he does not expect to get 15,000. Mr. Asher has opened the wool market at 28 cents.

Raking Sheep.—Mr. Frank Wheat was in town Monday and stated that he learned that E J. Plummer's 17 sheep were not drowned but were rescued by means of a ladder and a rake! The sheep broke through the ice but were raked out by Mr. Plummer's son.

A Large Stock.—Mr. John Bartley has opened his new store opposite the Voshell House. It is stocked with handsome furniture, pretty pictures, wall paper, mattings, carpets, paints, &c., in large quantities. No one needs to go to the city for such articles now as Mr. Bartley can supply all demands.

Notes About Town.—Contractor Culp has begun work on the new Emmanuel S. S. building.

Frank Duyer is building a new house on Princess street for Capt. Pfeffer.

Chas. E. Kirby will remove to the Bartley corner store Monday.

Chas. W. Copper will occupy the Gruber bakery during the building of his new corner store by Ralph Barnett.

C. S. Smith is mentioned for commissioner to succeed Col. Vannort.

The Minstrel Band scared Col. Vannort's horse causing him to break down a gate and cut himself in several places.

Tomato Contracts.—It is likely that several canneries in Kent county will remain idle this season because of the uncertainty of the canned goods market, especially on tomatoes. A prominent packer remarked that while he had bought 200,000 cans he was not at all certain that he would operate his packing houses this season. He also remarked that from the information he could gather several of the canneries in the county will not be operated this season.

Most of the Caroline packers have decided to pay $7 a ton for tomatoes, although some Kent farmers are contracting at six dollars.

CHURCH NOTES.

Dr. D. L. Greenfield was unable to fill his pulpit Sunday because of sickness. We are glad to report that he is able to be up and improving. Rev. F. T. Tagg, D. D., will preach Sunday morning and night.

A members meeting was held in Christ Church Thursday evening at which Mr. James W. Lambert was elected delegate to conference and Mr. J. W. Crouch alternate. Reports were read showing the membership of the church increased more than fifty and the finances in excellent shape. Dr. Greenfield in his report suggested that the corner property be bought and a reading room, gymnasium night school, etc., be established.

Rev. J. M. Gill, of Washington, was in Chestertown Tuesday night on business. He was looking specially well and reports his work in fine shape. He has been urged to accept places at Seattle and Pittsburg but declined them both.

Rev. W. L. White preached two good sermons Sunday to "double" congregations and left for conference Tuesday with all obligations met.

Mr. Charles Satterfield had charge of the Christian Workers Song Service in Christ Church Sunday and delivered an address on "The Ideal Man". A male trio sang a selection. The service was attended by a large audience.

Dr. Martin gave his audiences two practical sermons on Sunday. The Lenten services are being well-attended.

After Evangelist William A. Sunday had preached a sermon on impure amusements at Dixon, Ill., at the Tabernacle last night hundreds of persons went forward and publicly renounced dances and progressive card games. Society women have also announced an intention of forsaking decole te costumes.

Nearly 4,000 heard the sermon and more than 3 000 others clamored for admittance. Gamblers have broken their tables burned their paraphernalia and turned the gambling rooms into places of worship.

CAPT. SHRIVER FINDS GOLD!

A local paper of Biloxi has the following interesting item concerning our fellow citizen, Capt. Shriver who is at work in the South:

Captain W. Roland Shriver, of Baltimore, who is now running the oyster schooner Lizzie Katherine for Lopez & Dukate, has in his possession a plain gold ring on the inside of which is engraved "G. N. S. Paris."

The remarkable thing about the ring is that it was picked up by one of the teeth of an oyster dredge while the Lizzie Katherine was at work on the Pass Christian reef on her last trip.

Capt. Shriver is of the opinion that the ring must have been the property of some unfortunate who was drowned, probably in one of the storms. It is not beyond the range of the possible that the ring may have been on the finger of one of the Paul Jones' party which was lost off Chandeleur Island by the explosion, it is supposed, of a gasoline tank aboard the yacht.

The captain is really interested in finding who is the rightful owner of the ring and requested his friend, Joe DeLamarre, to give these facts to the press with that end in view.

Capt. Shriver says oysters are plentiful.

A LAUDABLE ENTERPRISE.

In pursuance to a notice in the NEWS more than fifty bright boys and young men met in Mr. W. W Hubbard's building on High street Monday evening and formed "The Social and Literary Society of Chestertown."

The meeting was called to order by Mr. Hubbard and upon motion of Mr. Fred G. Usilton, Cashier Wm. F. Russell was elected temporary chairman, who named the following to retire and suggest officers, viz., W. W. Hubbard, Harry Jefferson, Clinton Jones, George Latham. This committee proposed the following list which was unanimously accepted:

A collection was taken in which all freely partook and over $35 subscribed. It would have made some of the church stewarts eyes open to see the willingness with which the boys chipped in their dimes and quarters.

It is proposed to furnish the room and to provide a place where the boys can meet and enjoy social intercourse, reading, writing or in being taught type writing, history or any other branch. Athletic sports will be a prominent feature of this season and the opening is indeed auspicious. Mr. Hubbard furnishes this elegant basement room, finely papered, with hot and cold water, heated, free of cost, but the society will have to furnish, light and equip same and it is hoped they will receive the hearty support of all citizens.

Bells For Prize Sheep.—A dray pulled up before the Tolchester Steamboat Company's wharf Wednesday morning and a colored man deposited five big 80-pound bells billed for Fredericktown. A wag standing near turned to Captain Eliason, who since the ice embargo on his steamers has been lifted wears a smile of large dimensions, and remarked:

"Captain, are they the bells that you are going to tie around the necks of your prize heifers at the Kent County Fair this summer?"

"Of course not," remarked the Captain, "I got those to use in the sheep class."

Capt. Eliason went up to the Sassafras river Tuesday on the Susquehanna and says that he had never before received such a welcome. It was the first trip since December 14, and the Susquehanna could hardly hold the freight that awaited her. In the cargo that was brought back were 310 bags of corn that had been waiting to be shipped here for the past three months. The Susquehanna also brought down quite a large quantity of hay.

THE home of Charles Harrison, at Rock Hall, narrowly escaped destruction by fire several nights ago. Kindling wood had been placed in the oven, over which hung an overcoat. The kindling ignited, setting fire to the overcoat. Mrs. Harrison had gone to the house of a neighbor to make a call, and while there noticed a bright light in the kitchen of her home. Hastily returning she found the floor of the kitchen burned through and other woodwork in a blaze. Immediate action saved the home and prevented much damage.
