ROCK HALL ITEMS.

By the upsetting of an oil stove in the store of Capt. J. B. Downey on Saturday night a serious fire was narrowly averted. The Capt. and Mrs. Downey who were in the store at the time of the accident were much excited in their endeavors to extinguish the blaze which was rapidly making headway, fortunately Messrs. J. M. Downey and Frank Hartman happened to enter the store in the midst of the excitement and rendered assistance in smothering the flames by applying old sacking. Beyond the floor being nearly burned through there was no damage.

Palm Sunday services at St. John's R. C. Church was exceedingly interesting and very largely attended, not only by the membership of the church but also by many members of the neighboring churches.

Nicely programed Easter services will be held at the M. E. Church tomorrow evening and it goes without saying that (barring unfavorable weather) the affair will be as usual, one of unalloyed joy.

Mr. Jacob B. Downey is slowly convalescing from his recent illness, he takes the slow progress very much to heart which is anything but good for him. He is surrounded with a musical family, two of whom are exceedingly interesting, one a tot of three years old is a fine singer and entertains the family and visitors in singing with splendid organ accompaniment by another tot of six years. Such pleasing circumstances ought to banish all worry to the four winds.

Mr. and Mrs. R. A. Fogwell, of near Worton, were guests of Mr. and Mrs. James Davis on Saturday and Sunday.

Immense quantities of building material are leaving Leary's factory these days. This means prosperity for mechanics after the winters' quiet.

The New Lingerie Waists

ARE PRETTIER THAN EVER

As if they could be prettier!—but they are, you will agree when you've seen them. The ruling lingerie idea seems to have put almost limitless opportunity in makers' hands.

Styles in the H. K. & Co. Waist Store have been constantly replenished and enlarged until it seems like full midsummer preparation. Folks have begun to buy for summer needs. Folks who know that even among the less expensive waists there is something of a more exclusive air than usual.

The detail concerns three styles—

Women's Lingerie Mull Waists; yoke of tucks and scroll design of Valenciennes lace; tucked back; elbow sleeves, finished with lace-edged ruffles.

Women's Waists at $5.00

For the child that's "hard" on clothes, get these simple Russian dresses of linen or linene (a very close imitation). For either boy or girl; easy to launder; difficult to tear or wear out; beautifully made If trimmed at all, it's with a hand or otherwise embroidered panel, or hand stitching.

Linen, $3.50 to $7.00. Linene, $2.00 to $2.75
Lawns, $1.00 and $1.50.

For times when sheer, lacey frocks are desired are new styles, ranging from $2.00 to $3.00

Most have the very long waist, and tiny skirt so picturesque. Lace inset yokes and berthas, embroidery panels and trimmings of German Valenciennes, fluted embroidery ruffles. Many tiny tucks and hand stitching are some of the ways used to decorate them. Made of sheer lawn and linen.

Royal Baking Powder

Absolutely Pure

Made from Pure Grape Cream of Tartar

In baking powder Royal is the standard, the powder of highest reputation; found by the United States Government tests of greatest strength and purity.

It renders the food more healthful and palatable and is most economical in practical use.

Housekeepers are sometimes importuned to buy alum powders because they are "cheap." Yet some of the cheapest made powders are sold to consumers at the highest price.

Housekeepers should stop and think. Is it not better to buy the Royal and take no chances—the powder whose goodness and honesty are never questioned?

Is it economy to spoil your digestion by an alum-phosphate or other adultered powder to save a few pennies?
