MOODY & LUSBY | MOODY & LUSBY

INTERNATIONAL TAILORING STANDS HEAD AND SHOULDERS ABOVE EVERY OTHER KIND

The wearer of MOODY & LUSBY CLOTHES always stands out from his fellow men, his style is faultless his fit perfect, his appearance smart and swagger. Yet his dress costs him no more than if he wore the ill fitting, poorly made kind.

Our Spring Suits

Hats and Haberdashery

are all ready for you.

The new styles are very handsome—more attractive than usual, we think—and you know from long trading here that this store always gives its patrons the best at fair and satisfactory prices.

The Shapes Are Such That Most Any Man Can Be Perfectly Fitted Here

as the Lord made some men slimmer than they really ought to be, or taller, or shorter, or stouter, or both slimmer and taller, slimmer and shorter, stouter and taller, or shorter and stouter. Nevertheless the man who's built in an unusal sort of way doesn't feel like accepting his proportions as an excuse for ill-fitting garments.

Come In And Let Us Show You How We Can Fit You

and the cost will be an agreeable surprise for our large output enables us to submit prices materially under smaller dealers. EVERY PIECE OF MERCHANDISE IN OUR ESTABLISHMENT IS MARKED IN PLAIN FIGURES, which makes trading here very satisfactory and an assurance of no partiality. Come look the line over while the assortment is complete.

MOODY & LUSBY

Directly Opp. Court House, CHESTERTOWN, MD.

LIVE LOCAL NOTES

Kicked.—Mr. James Skinner while on the Hurtt farm was kicked in the stomach Friday morning by a stallion and painfully injured. Dr. Latimer was called in and treated the patient.

Election.—A town election was held in Galena Monday at which the following gentlemen were elected after quite a spirited contest: William Wood, Edw. Peacock, Frank McCauley.

Supervisors Organize.—The election supervisors for Kent County organized Wednesday by electing Mr. G. Harry Cannan, president, Mr. Edw. Robinson clerk and Hope H. Barroll, Esq., attorney. Messrs. J. Thos. Fletcher and J. P. Decorse are the other two members.

Farm Sold.—Mr. Chas. S. Smith has sold his farm located near Booker's Wharf, in Queen Anne's county, to Mr. Medford Walls, of Church Hill. The farm contains 170 acres and it is understood the purchase price was $6500, cash.

Change of Schedule.—A new schedule will go into effect on the Chester River Line next Tuesday, 15th, the steamers leaving Chestertown 7 A. M. The Gratitude will not make trip to this point on Wednesday but will come Friday and return Saturday. See schedule in another column.

Oysters On a Gold Watch.—A few days ago Victor Francis while engaged in tonging oysters in Choptank river, raked up a gold watch with a 1¼ inch oyster attached to it and several had fallen from it.

Fine Yield.—Mr. Frank Skirven has 8 registered Shropshire ewes which he purchased at a cost of about $22 apiece. He has sold the wool off these ewes for $21 and has an offer of $15 for every buck lamb. It pays to raise good stock.

Rate of Interest.—The Centreville National Bank and the Sudlersville Bank have decided to pay 4 per cent. on all deposits in the saving department from and after May 1st. Chestertown banks have been paying 4 per cent for many years. This means a great deal for all depositors. Ex-Gov. Reynolds, who was in the News office last week, predicts that Delaware banks will have to come to it in a few years.

Fell over Embankment.—Workmen employed on Mr. Harris' Howell's point farm, while hauling stumps in a cart to which was harnessed a mule, were dumbfounded one day last week, by a singular accident. The filled cart was backed too close to an embankment, at least fifty or sixty feet high, and in dumping the stumps the cart went over, mule and all! The men were surprised to find the mule uninjured nor was the cart damaged to any extent.

College Wins.—Washington College defeated Western Maryland College at Westminster last Saturday by 15 to 8. Until the fourth inning it was anybody's game, but Western Maryland was clearly outclassed by the visitors when Wilson took White's place in the box at the beginning of that inning. The features were the fielding of Dixon and Baldwin and the pitching of Wilson, who allowed but two scratch hits in six innings.

A Queer Accident.—A well-known resident of Chestertown met with a singular accident one day recently. While engaged about her household duties she yawned so heartily that her jaw was dislocated and she lost her set of false teeth! We are glad to report however, that the teeth have been recovered and that the jaw is working satisfactorily.

Chestertown Wins.—Chestertown and Rock Hall High schools held another spelling bee last Friday and the former school won with an average of 89 and 2-5 per cent. The test words were as follows: Changeable, judgement, plait, (a braid,) buoyant, lettuce, lenient, gorgeous, judicial, capricious, symmetrical, rational, preferred, controlled, sentiment, mystery, imbecile, deficit, sagacious, wrought, emaciate, precedent, acquiesce, cantaloupe, financier, calisthenics, archipelago, raspberry, ailment elocution, simultaneous, luscious, burly, aggravate, collision, fallibility, compatible, peremptory, possibility, habitually, scallop, forfeit, discretion, jocund, sylvan, melancholy, reticent, neuralgia, homeopathy, docile, peccadillo.

Spray Apple Trees.—Prof. T. B. Symons, the State entomologist, advises the News readers to spray apple trees at once with Paris green ¼ pound to 50 gallons of water or other arsenite and better use in combination with Bordeaux mixture, same proportion as with water for codling moth and curculio. Repeat the spraying in 10 days and spray apple trees again about July 10th. Destroy the apple tent caterpillars by either applying arsenites torch to the trees or pulling out the nests. Spray plum trees with same solution using 3 pounds copper sulphate and 9 pounds of lime for making the bordeaux mixture for plum curculio, repeating once or twice ten days intervening. Later if necessary jar the trees in early morning having a sheet under the trees to catch the curculios.

CASTORIA.
Bears the Signature of Chas. H. Fletcher. The Kind You Have Always Bought

Brice Farms.—In another column will be found the advertisement of two Brice farms. The Home farm, at Lankford, of 300 acres, has been purchased at private sale by Mr. Tylden Brice. the present tenant, for $18,000. Mrs. James L. Beck purchased the farm near Tolchester, on which she resides, and Mr. Joseph Brice the mill.

Alumni Meeting.—Senator Clarence W. Perkins, president of the Alumni Association of Washington College, was in Chestertown Wednesday and presided at a special meeting ef the association. It was decided to have an elaborate banquet on Tuesday, June 19th, and Messrs. W. W. Hubbard, E. J. Clarke and Fred. G. Usilton were appointed a committee to arrange for same. A special steamer will bring Gov. Warfield and other invited guests.

A Fruit Scare.—The weather of the past week has been very trying on the fruit and early vegetables. Ice and frost have been noted several mornings. Some growers claim that the leaves and cap have protected the peaches and that they are safe up to this time. It will require several days to find out the effect of the cold snap.

Thieving.—Thieves entered Mr. Wm. Minner's pantry last Friday night and stole the best part of a ham, a plate of fried shad, a knife from the table and some change out of the sideboard draw in the dining room.

Mr. Robinson's store, uptown, was broken into Tuesday night and the money drawer torn to pieces, all the cider taken and a can of corn! The thief entered by breaking open the door with an axe.

Commissioners Organize.—The Chestertown Commissioners met Wednesday evening and organized by electing Mr. Wm. S. Carroll, president, Mr. Thomas S. Bordley, clerk, and S. P. Townshend, Esq., attorney. The new member is Mr. George D. Lofland. Officer Getchall was elected night watchman but the appointment of a day policeman was deferred until May 25th. The candidates voted for Wednesday night for the day position were Messrs. Wm. J. Hudson, Samuel E. Cooper and John A. Duyer, of Worton.

Flourishing Company.—The annual meeting of the policy holders of the Mutual Fire Insurance Company of Kent county was held on Monday. The constitution and by-laws of the company were amended to harmonize with charter as amended by recent session of the Legislature. The old board of directors were re-elected as follows: Thomas W. Eliason, George B. Westcott, R. D. Hynson, R. S. Emory, Franklin H. Harper, Robert G. Nicholson, Alday Clements, E. S. Valliant, Samuel Vannort, James A. Casey, L. C. McGinness, Henry Tonkin. Mr. T. W. Eliason was re-elected president; Mr. G. B. Westcott, secretary and treasurer, and Mr. R. D. Hynson, attorney. This company is now on a solid basis and is saving its members many dollars each year.

Country Homes.—Mr. Walter S. Trew who recently purchased the Baker-Gardner farm of 196 acres, near Pomona, is making extensive improvements. He has torn down the old brick house and contracted with Mr. Azariah M. Kendall, of Fairlee, for an excellent dwelling to cost about $2,000. The new dwelling will be located on high ground with broad lawn, etc. Messrs. Wm. B. & S. J. Coleman are doing the brick work. Mr. Trew expects to make his home here some day.

Mr. Kendall has also contracted with Mrs. Mary A. Wilkins for a substantial dwelling on the farm tenanted by Mr. Thos. B. Trew, near Commissioner Loud's home.

Lambert's Riverside Hotel, just across the river, is being rapidly pushed to completion. It will contain 18 sleeping rooms besides large parlors, etc., with ten foot porches, etc. Mr. and Mrs. Lambert have already had applicants for rooms. It will open for business about June 9.

Work of Assessors.—The assessors of personal property are at work in Kent county and are meeting with favor wherever they go. When the blank is placed in the property owner's hands by the Assessor, he is required to make a list of all personal property under the printed headings as they appear in said blank, and have same properly filled out for the Assessor when he returns for it. The law requires that each item of property shall be assessed at its full cash value without looking to a forced sale.

Should any item be listed at less than its cash value, it is the duty of the Assessor under law to increase such valuation, and it shall be his duty to examine property owners under oath as to such valuation, and also as to whether he has included all his property therein.

The penalty prescribed by law for making a false, fraudulent or incomplete return is a fine not exceeding $500.00, or imprisonment not exceeding two years and to be forever disqualified from being a witness in any matter or controversy.

Should any one fail to fill out, or have filled out, the assessment blank, it becomes the duty of the Assessor to personally inspect his property and assess it at its full cash value, and from assessment, when so made by assessor, there shall be no right of appeal.

A Mistake.—The News has received word from Annapolis that the "wild fowl" bill sent to the commissioners of Kent county was a mistake. This bill was introduced by Delegate Crane, passed the House and Senate, but for reasons unknown, the Governor vetoed it so that it does not become a law. This bill was known here as the "muskrat" law and allowed hunters to use a light in trapping muskrats.
