The new styles are very handsome—more attractive than usual, we think—and you know from long trading here that this store always gives its patrons the best at fair and satisfactory prices.

The Shapes Are Such

That Most Any Man Can

Be Perfectly Fitted Here

as the Lord made some men slimmer than they really ought to be, or taller, or shorter, or stouter, or both slimmer and taller, slimmer and shorter, stouter and taller, or shorter and stouter. Nevertheless the man who's built in an unusal sort of way doesn't feel like accepting his proportions as an excuse for ill-fitting garments.

Come In And Let Us Show

You How We Can Fit You

and the cost will be an agreeable surprise for our large output enables us to submit prices materially under smaller dealers. EVERY PIECE OF MERCHANDISE IN OUR ESTABLISHMENT IS MARKED IN PLAIN FIGURES, which makes trading here very satisfactory and an assurance of no partiality. Come look the line over while the assortment is complete.

CARRIAGES SURREYS RUNABOUTS
