Nevertheless the man who's built in an unusal sort of way doesn't feel like accepting his proportions as an excuse for ill-fitting garments.

Come In And Let Us Show

CHURCH NOTES.

Interesting News from the Religious World of Kent—More Children's Day Services.

Dr. D. L. Greenfield preached the baccalaureate sermon to the Centreville High school Sunday morning. His pulpit was ably filled by Rev A. H. Covey, of Pomona, who preached from the text "Be sure your sins will find you out." It was a masterly and eloquent sermon and filled with pungent truths. A feature of the service was the splendid singing of a choir of young people under the leadership of Miss Eva Hurlock.

Rev. A. C. Jamison, pastor of the Kennedyville and Worton Presbyterian Churches, has accepted a call to a Presbyterian Church in Wilmington. He will leave for his new duties about July 15. Rev. Mr. Jamison has made many friends during his short pastorate in Kent, who will regret much to see him sever his relations with his congregations.

A musicale was held in Chestertown M. E. Sunday school Sunday afternoon in celebration of the purchase of the new piano and the following program rendered: Chorus by school; prayer and chant; piano solo, Miss Lillian Matthews; Selection by choir; vocal solo Miss Eva Hurlock; duet, Misses Sue Miller and Ruth Lambert; trio, piano, violin, 'cello; vocal solo, Miss Anna G. Lambert; quartette; violin solo, Mr. T. Kemp Bordley; piano solo Miss Mable Toulson; duet and chorus, No 89.

Sunday will be College Day in Chestertown, a full program of which may be found elsewhere in the NEWS. Twilight services will commence in the Methodist Churches Sunday.

Christ Methodist Protestant Sunday school presented a unique and original symbolic exercise at their Children's Day service Sunday evening. The theme was "open Doors" and "The World for Christ," the agencies to accomplish same being the Church, Sunday school, Christian Endeavor and Missions. Each of these agencies were represented by different pr grams arranged by seperate committees, the whole being under the direction of the superintendent, W. B. Usilton. The singing was a special feature under Mr. A. M. Culp, leader, and Miss Clara B. Usilton, organist. The artist's work was done by Messrs O. C. Blades and J. D. Lucas while Mr. Milton Baker completed the affair with his skilful workmanship. The collection amounted to over $45.

Chesterville Sunday school will celebrate Children's Day services Sunday June 17th. The public is invited to attend.

Dr. T. H. Lewis will leave for a European trip in a few days on account of his health. He will be accompanied by his daughter.

At a meeting of the teachers and scholars of Kelsey Chapel, held June 13, 1906, it was decided to organize a Musical and Literary Aid Society, which was temporarily done by the election of Samuel J. Vickers, Chairman and Miss Louise Glenn, Secretary. The object of the society is for the good and betterment of those who may feel inclined to attend and take part in the meeting. Broad Neck seems to have been of late years cut off from the rest of mankind, as no meetings have been held in the church and no Sunday School has been in operation for some time, but I am glad to report, that there things have been changed. The church has been opened and regular services held on Sunday and quite a flourishing Sunday School is in operation. The people of Broad Neck are determined not to be left out in the cold altogether. It is earnestly desired that the parents of children will co-operate with those in charge of the Sunday School by having their children attend every Sabbath.

At Christ M. P. Church, Chestertown, to morrow, Rev. Dr. D. L. Greenfield will preach at 10.30 a. m.; Sunday school at 2.30 and twilight services at 6.30. Young people's choir and special music.

Interesting Facts.—The Mutual Fire Insurance Company of Kent Co., have issued a neat six page circular giving some interesting facts and figures connected with the company. It was chartered in 1848, returned $100,000 to policy holders in settlement of cancelled policies, declared dividends of $45,000, has $60,000 to the credit of its policy holders, making a total of $225,000. A able showing amounts returned to policy holders where policies have been cancelled, amount premiums paid and amount insurance carried by the company under these policies, is surely a wonderful showing. For instance in the case of Dr. R. T. Allen who took out a policy in 1847 for $1125. In this case the company returned to Dr. Allen $48.-38 more than he had paid to the company, and yet he had protection for nearly 50 years. Dr. T. C. Kennard, D. J. McCauly, the David Hurlock and other policies show the same results. The younger policies all show very low cost of insurance and large saving to the insured. Thomas W. Eliason is president of this company; George B. Westcott, secretary and treasurer; directors James H. Baker, R. G. Nicholson, G. B. Westcott, T. W. Eliason, Alday Clements, Samuel Vannort, C. T. Westcott, F. H. Harper, E. S. Valliant, Henry Tonkin, L. C. McGinnis.

Buy Hair at Auction?

At any rate, you seem to be getting rid of it on auction-sale principles: "going, going, g-o-n-e!" Stop the auction with Ayer's Hair Vigor. It certainly checks falling hair; no mistake about this. It acts as a regular medicine; makes the scalp healthy. Then you must have healthy hair, for it's nature's way.

The best kind of a testimonial—"Sold for over sixty years."
