The Axe We Grind

Is to offer you BETTER SHOES than any other dealer. There isn't any doubt but what we are succeeding. Its not that merely good leather is used. The lasts are true to nature. The workmanship is unexcelled, so it would be strange indeed if such shoes did not prove more satisfactory than those made simply to sell.

Every cent you pay for our Shoes is fully represented by the value received. Fresh new goods on new models just from the makers. Dressy Shoes for all occasions. Staunch long wear shoes for hard usage.

Foot-form boys' and girls' shoes, all styles and prices are here all good value. The only place in town where you can get the Celebrated W. L. Douglas Shoes for men and boys.

Look in before buying elsewhere. My stock of Oxford Ties in white, tan and black can't be beat this season.

BULL KILLS AN ELOPING COUPLE

Bright Red Dress of the Bride, Who Was Crossing a West Virginia Meadow, Caused the Attack.

MARTINSBURG, W. VA., Oct. 5—Fred. Cowan and his seventeen-year-old bride were gored to death by an angry bull in a meadow near this city yesterday afternoon. The couple had just left the home of a preacher who married them after a sensational elopement, when the bright red dress which adorned the bride attracted an enraged bull, that charged upon the flaming patch of color moving across his otherwise immaculately green field. The couple had cut across the field to a railway station in their eagerness not to miss a train.

The husband fought the animal desperately in an effort to save the bride and himself, but the horns of the enraged brute ripped into his side and hurled him to the ground, where he was trampled to death under the hoofs. The bride then turned his attention to the red which first angered him. The girl was too paralyzed by fright even to attempt to make her escape, and was an easy victim. She was caught upon the gory horns and tossed into the air, caught again and hurled over a wire fence into an adjoining field.

The woman was so badly injured that she died a few hours after. The bull is the property of John Hatfield, who lives near Richmond Falls, in Raleigh county. The couple eloped and indulged in a hurried marriage in opposition to their parents.

Abandon Sunday Train Agitation—Discouraged by the lack of support given their agitation against the running of Sunday trains on the Delaware-Maryland division of the P. B. & W. Railroad, the ministers of the two states have abandoned the project and all hope of having the alleged desecration of the Sabbath by the railroad company stopped. This was the statement made Monday by the Rev. A. W. Lightbourne, of Middletown, Del., the minister who was at the head of the movement. He stated that the petition sent by the ministers to General Manager W. W. Atterbury had never been answered and in fact no attention paid to them. The church had not responded as generously to help defray the expenses if the case had been taken to court and the ministers themselves did not feel able to put up the money. Dr. Lightbourne stated that in view of all these obstacles the agitation had been dropped. When asked if it would be taken up later he said it might be handled in a quiet way but not publicly.

A GREAT TEMPERANCE SERMON may be taken from the Records of the City of San Francisco, Cal. Immediately after the great catastrophe which resulted in great loss of life and property, in the spring of 1906 all saloons and bars were closed until July 9th. The first Monday after opening saloons there were 74 victims before the police courts, as against 5 the previous Monday, 72 on Friday following, as against 2 on the previous Friday, and the second Monday 119 as against 3 on the second Monday previous to the opening. Here is the gist of all temperance argument.

Exclusive Millinery

Foreign and Domestic Dry Goods

The new fall woolens are all here. Artistic care has been used in their selection and you will be sure to find your own particular desire among them.

Our well-known LOW PRICES reign supreme in this department and our constant effort is to give you "better goods for less money" than you can find elsewhere.

Our Millinery Exhibition

Medium Hats predominate ostrich plume and bird-of-paradise feathers are chief ornaments. But there are small hats a plenty. The fine clipped beaver felt varieties lead; and they are preferably trimmed with pheasant tails, merle birds, wings and quills. But details are tedious and it is much easier to show you. Do not fail to look at our millinery when in need of your fall hat.

We have fortunately secured the services of Miss M. Kynast, of Baltimore, as trimmer, an artist who stands in the very front ranks of her profession and her work will speak for itself.

The Tobacco That Made Chewing Popular

Man's fondness for chewing tobacco is created and popularized by the tobacco produced in the famous Piedmont tobacco belt. Only choice selections of this well matured, thoroughly cured leaf are used in making SCHNAPPS. That's why SCHNAPPS requires and takes a smaller amount of sweetening than any other kind—and that's why SCHNAPPS has a wholesome, stimulating and satisfying effect on chewers.

There are many imitations of SCHNAPPS claiming to be "just as good," but without the flavor or quality that has made SCHNAPPS sales more than all similar tobaccos.

Schnapps

It is made in the Reynolds factories, famous for producing the best chewing tobaccos, by clean, sanitary processes, under the same direction, since 1875, of men who have made the business a life study. They are the largest and best equipped flat plug factories in the world and are situated in the very center of the world's greatest chewing tobacco district.

If you've never chewed SCHNAPPS, now is the time to get acquainted with the cleanest, most healthful, stimulating, satisfying and wholesome form in which tobacco can be used. Do not accept imitations.

TO THE VOTERS OF KENT COUNTY.

As a candidate for the Democratic nomination to the State Senate of Maryland in 1907, I desire a large Democratic majority as possible for the HON. Thomas A. Smith for Congress in 1906

* * *

I have predicted that Kent will give Mr. Smith five-hundred majority, but against such a candidate as William H. Jackson, Mr. Smith should get a thousand majority at least.

* * *

I am prepared to debate before an audience composed of the backbone and voting strength of the Republican party, the colored people of Kent County, the proposition that since the death of Abraham Lincoln to the present day, the Republican party has never made a single sincere effort to protect or foster the interests of the colored race, but has all these years relied on the faithful support of the colored voters to keep that party in power and the Republican party has used and abused the franchise privilege and power resulting therefrom to pass laws of special privilege and have resulted in monstrosities like the Carnegie and Rockefeller accumulations of unearned wealth at the expense of the real producers of this nation's wealth.

* * *

This challenge to debate is especially directed to Mr. Wm. H. Jackson personally, or to any Republican leader in Kent County from the party's most successful leader, the Hon. John David Urie, down.

Very respectfully,

CECIL R. ATKINSON,

Box 33, Chestertown, Md.
