SATURDAY, - DECEMBER 8, 1906.

SKIDOO has skiddidit.

Do your shopping early and avoid the rush during the last few days near Christmas.

THERE is no reason for anyone going outside of Kent to buy Christmas goods. Read the NEWS ads. today and see the elegant array of articles and the startling low prices.

"OLD KRISS" is receiving lots of letters through the KENT NEWS and we are delivering them promptly. Next Saturday, Dec. 15th, these letters will appear in the NEWS.

KENT countians join in mourning over the death of Gen. L. Victor Baughman, that generous citizen and worthy Democrat. He will be sadly missed in all the walks of life.

IN another column will be found the Auditors' report of the financial condition of Kent county. The recommendations of the committee have been promptly acted upon by the county commissioners evidencing their appreciation of same.

THE "Spring campaign" in Baltimore seems already open for municipal officers. The Republicans apparently are confident of taking all the prizes, and the aspirants in that party are on the anxious bench. Mayor Timanus thinks he has the cards stacked against Ex-Congressman Wachter, and it looks that way. The Democrats are wrangling as usual and "mugwumps" are at a premium.

THE whole country endorses the verdict of the Gillette jury. A more cold-blooded scoundrel never went unhung. Poor, young, murdered Grace Brown! Gillette ruined then killed her, and was dancing attendance upon other "society" maidens before the victim's dead body was under ground. The strangest part of all this horrible story is that any woman should be willing to recognize such a villian while he was stamped all over with wrong toward the girl he had misled.

HON. JOSEPH BAKER is the favorite of Frederick county Democrats for Governor. We are not surprised to hear this. MR. BAKER would be an ideal candidate. He is an able financier,—a broad minded public man in all the affairs of the State—and above all, he is a clean-cut honest man. Mr. Baker is especially strong in Western Maryland and Baltimore city, and the Eastern Shore would gladly take him as a choice favorite. We hope he will consent to become a candidate. With such men as JOSEPH D. BAKER, FRANK FURST, Ex-Gov. BROWN and others to choose from the Democracy will not go astray.

THE President's message to Congress is a strenuous document. One feature indicates the spirit of the whole. He says the "Japs" *must* be admitted to the white schools in San Francisco, that he will enforce it with all the power of the army! Congress is agitated and the country is startled at this proposed high handed usurpation. Senator Raynor has made a speech and introduced a resolution in the Senate against it, and Congressman Mudd, republican, is decidedly outspoken at such a contemplated outrage upon State's rights. Will Teddy back water?

ROCK HALL ITEMS

Mr. C. B. Littlepage of Baltimore, spent Thanksgiving with Mr. and Mrs. Tilghman Hubbard, of Rock Hall.

The Methodist congregation upon first assembling on Sunday morning were somewhat disappointed at the non-appearance of Rev. A. H. Covey who was to preach for them. The Piney Neck Parson, Mr. Harris, however, was on hand and gave a glowing talk. Rev. J. M. Downey preached the evening sermon. Rev. W. V. Harris will occupy the M. E pulpit tomorrow morning, Mr. Harris is in the midst of a glorious revival at Piney Neck and is expecting greater things next week, when he will have the assistance of Rev. Dr. Bolton, the Conference Evangelist.

Nine thousand bushels of shells are being discharged from a barge at this place. Our worthy commissioner Wm. Wagner is having the shells placed on the public road. The village thoroughfare from Durding's corner to Ashley's store is being heavily shelled. Some portions of South R. H. road is also receiving some very needful attention.

"Aunt Mary's Cruisher," the Anna B. Smith, has just been treated to a new suit of sails. Winds may howl but Capt. Ashley will see that his ship will stay at her post from now on, barring ice, of course.

Mr. John A. Smith has retired from the manufacture and sale of yeast. The business seems to have been a most profitable one as the proceeds of the same has enabled him to purchase a fine farm to which he will remove in a week or two. Mr. Biggs has entered the yeast trade vacated by Mr. Smith so we learn, and he too, is finding much profit as has from his sales laid in a large supply of winter fuel.

Mr. Wm. Carter, having been rather unfortunate in the loss of horses during the year and otherwise finding the hauling business not as remunerative as formerly, has decided to discontinue the business and take to the water as a fisherman. Will knows the waterman's calling; he thinks however, that he will prove equal to the hardships.

The deep water fishermen are rushing matters since the cold snap of Tuesday, in their preparations to get away before the ice king blocks them in. Many will go to Love Point others will stay on this side and run the risk of crossing the ice fields should a freeze occur. The substitution of gasoline engines in place of sails still continue. There are now quite a number of small crafts in our harbors fitted up with gasoline power.

The grand secretary of the Maryland Order of Odd Fellows and other officials while on a tour of inspection among the Subordinate Lodges of Kent and Queen Anne's next week, will visit the order here about Tuesday. It will be well worth the effort for every member of the Lodge to be present on Tuesday night as there is likely to be something "doing" that will effect the future of the Lodge in no small degree.

Uncle Sam's big pistols were rather annoying to our residents on Wednesday, houses shook at a rapid rate, windows clattered, and in some incidents glass was broken. Sometume ago the heavy firing at North Point injured the inner walls of the K. of P. Hall and the plastering in the parlor of the dwelling of Mrs. J. P. Hatcherson was caused to drop off.

THE new county assessors in Delaware met Tuesday and agreed to assess fattening cattle at $20, dairy cows at $25 horses $125.

Emma C. Wright, George E. Wright, her husband,
versus
Thomas H. McWhorter, Tereva M. McWhorter, his wife, Ola J. Catts, Richard D. Hynson, James D. Lucas, The Chestertown Bank of Md, Martha J. McWhorter.

The object of this suit is for a partition of the real estate of Ethel C. McWhorter, deceased, or if a partition cannot be had without loss, then for a decree of this honorable court for the sale of the said real estate.

The bill states, that a certain Ethel C. McWhorter, departed this life on or about the 6th day of June in the year 1906, and was in her life time seized and possessed of a certain tract of land, situate and lying on the north side of the public road leading from Millington to Clayton in the First Election District of Kent county, Maryland and containing 203 acres and one rood of land more or less, and conveyed to the said Ethel C. McWhorter by Martha J. McWhorter by deed dated the 6th day of April in the year 1900 and recorded in Liber J. T. D. No. 13, folio 242, etc.

And, that Martha J. McWhorter, the mother of the said Ethel C. McWhorter is entitled to one third of the net rents and income from the above described property during her natural life.

And that the said Ethel C. McWhorter being so seized and possessed of said real estate, died intestate, unmarried and left a mother, the said Martha J. McWhorter, a brother, Thomas H. McWhorter, and two sisters namely, Ola J. Catts and Emma C. Wright.

That the said Thomas H. McWhorter intermarried with a certain Tereva M. McWhorter.—

That the said Emma C. Wright intermarried with a certain George E. Wright.—

And that the said Ola J. Catts intermarried with a certain Robert M. Catts, but are now divorced a vinculo matrimoni.—

That the said Thomas H. McWhorter and Tereva M. McWhorter, his wife, Ola J. Catts, and Martha J. McWhorter are now residents of the State of Maryland and reside in the city of Philadelphia and state of Pennsylvania.

And the bill states that the said Ethel C. McWhorter being in her life time indebted to James D. Lucas in the sum of four hundred dollars executed a mortgage on the 14th day of April 1906, with interest from date.

And that Richard D. Hynson holds a mortgage against said property for eight hundred dollars dated the 19th day of——1906.

And that the Chestertown Bank of Maryland holds a judgement for twenty two hundred dollars against the said Ethel C. McWhorter jointly with Martha J. and Ola J. Catts, dated the first day of November 1905.

And the bill further states that the said real estate is not susceptible of division among the aforesaid parties and that it cannot be divided among them without loss and injury.

To the end therefore, that a decree may be passed for a partition of the aforesaid Real estate among the parties aforesaid or in case a partition cannot be had without loss and injury to them, then the same may be decreed to be sold, and that the proceeds thereof be distributed among the persons entitled according to their respective interests.

It is therefore upon this 7th day of December 1906, ordered by the Circuit Court for Kent county in equity that the Plaintiffs by causing a copy of this order to be inserted in some newspaper published in Kent county, Maryland once in each of four successive weeks before the 7th day of January, 1907, giving notice to Thos. H. McWhorter and Tereva M. McWhorter, his wife, Ola J. Catts and Martha J. McWhorter, who are now residentdefendants of the State of Maryland and who reside in Philadelphia, state of Pennsylvania, of the object and substance of this bill and warning them to appear in this court in person or by solicitor, on or before the 25th day of January 1907, to show cause, if any they have why a decree ought not to be passed as prayed.
