You Can Work Near a Window

in winter when you have a Perfection Oil Heater. It is a portable radiator which can be moved to any part of a room, or to any room in a house. When you have a

PERFECTION SMOKELESS OIL HEATER

Absolutely smokeless and odorless

you do not have to work close to the stove, which is usually far from the window. You can work where you wish, and be warm. You can work on dull winter days in the full light near the window, without being chilled to the bone.

The Perfection Oil Heater quickly gives heat, and with one filling of the font burns steadily for nine hours, without smoke or smell. An indicator always shows the amount of oil in the font. The filler-cap, put in like a cork in a bottle, is attached by a chain. This heater has a cool handle and a damper top.

The Perfection Oil Heater has an **automatic-locking flame spreader**, which prevents the wick from being turned high enough to smoke, and is easy to remove and drop back, so the wick can be quickly cleaned. The burner body or gallery cannot become wedged and can be unscrewed in an instant for reworking. The Perfection Oil Heater is finished in japan or nickel, is strong, durable, well-made, built for service, and yet light and ornamental.

A TRIM and dainty maid was she,
In lilac calico;
Around her slender waist was tied
An apron white as snow,

HE WATCHED HER FROM THE OPEN DOOR.

For in the sunny kitchen wide
Of a farmhouse far away
She cooked the turkey to a turn
Upon Thanksgiving day.

HE watched her from the open door,
For he was very shy,
And all his manly courage fled
Before her roguish eye.
He lay awake the livelong night
Until the east was gray
And memorized a flowery speech
To her Thanksgiving day.

"STAR of life, my heart is thine.
Pray, wilt thou be my bride?"
Was something like the way it ran,
But now his tongue was tied,
And though she sought to lead him on
With looks and laughter gay,
The sweet coquette, he only sighed
On that Thanksgiving day.

BUT, lo, when from the oven's depths
The smoking bird she drew
And dished it in a paper frill
Upon a platter blue,

"OH, WILL YOU COOK MY TURKEY, DEAR?"

The bashful lover seized her hand
And dared at last to say,
"Oh, will you cook my turkey, dear,
On next Thanksgiving day?"
