BUICK ENDURANCE

A customer called Tuesday and said, "I have run my Buick touring car 134,000 miles." He ordered another. (Name given on request.) Three Buick cars have carried U. S. Mail 110 miles a day and each car has covered over 124,000 miles. There are more Buick cars running today that have covered over 100,000 miles than any other make on earth, regardless of their price, horsepower or number of cylinders. 76,000 Buick owners vouch for Buick Reliability, Long Life and Economy.
