SQUARE DEALING CLOTHIERS—MOODY & LUSBY—CHESTERTOWN, MD.

If you've had your mind set on buying a Custom Made Suit, we want to see you. LOCAL NOTES

A. S. Turner at Worton was paying 86 to 86½ cents for wheat yesterday.

The Kent County Auditors met Saturday and organized for work. The auditors this year are Messrs. Henry Brown, Thos. G. Wroth and E. W. Hepbron.

The body of William Kreining who was drowned off Tolchester last Sunday week was found early Saturday morning by a fisherman named Brickley. There was a reward of $25.

The mercury soared high this week. Hon. James S. Harris' government thermometer registered 99° Monday at 3 p. m., and 97 at 5 p. m., Tuesday. It was hot all over the country registering over 100° in Detroit and Boston.

An automobile crossing Chester river bridge caused one of the boards to slide off at least a foot from the girder, and on Monday evening a young lady put her foot in the opening and down she went! Fortunately her fall was broken by taking hold of the railing and she was uninjured. However she lost her pretty little pink slipper which was fished out by "Shep."

The School Commissioners advertise in another column for school houses at Pomona and St. Paul's.

S. Scott Beck, Esq., trustee, sold Tuesday the Brooks property in Worton district to Alexander Brooks, Jr., for $208.

John Schauber has purchased of Mrs. M. C. Ringgold the house and lot near the town reservoir for $2,000. The lot contains two acres.

J. E. Ferguson has rented the Voshell House for year 1911. Mr. Beaumont assisted by Mr. Wm. G. Russell, has made a success of the business and has not yet decided what he will do. It is hoped that he will remain among us.

The Bradley lot on High street purchased at public sale by Mr. R. F. Parks has been sold to Mr. M. A. Toulson for $3250. New buildings will be erected on this lot.

The 9th series of stock in the Kent Building & Loan Association was retired July 1st at $99.08 per share. There were 32 shares in this series. At this sum shareholders have realized over five per cent.

Andrew Medders brought to the News office Thursday a hen egg as large as a goose egg. It had a double yolk. Jail hens seem to do well.

Harry Griffith, of Sassafras, writes, "I have sold the mill property that you have been advertising for me, so please discontinue same." Nuf sed.

The town commissioners have contracted with Supt. Atkinson to build the macadam road on Main street and he expects to begin work July 10th. Business houses on the Square will be removed within the next two months.

It seems a little odd to see teams hauling coal through town this week and the mercury hovering around 100.

The Chestertown baker is doing a big business selling over 600 loaves of bread per day.

John Berryman, a well-known colored resident of town, was taken sick Monday while at work near the wharf, and died.

The following officers were elected at the meeting of the Chestertown Council 177, Jr. O. U. A. M., on Wednesday evening: E. R. Matthews, councilor; H. G. Blyman, vice-councilor; W. F. Blyman, asst. rec. sec.; H. Page Rea, conductor; Horace W. Reed, warden; Wm. F. Malin, outside sentinel; J. A. Kennard, inside sentinel; John W. Barnes, chaplain.

"Billy", the family horse of Rev. A. P. Prettyman died on July 4th at the age of 28. A faithful old animal to the lsst.

Wheat Yield.—The best yield of wheat yet reported in Kent is that of John W. Atwell on the Parsons farm, Lynch. He got 32 bushels per acre off one field and 24 bushels off another.

Chas. Willis on the Turner farm got 22 bushels per acre.

John Gale Usilton got 523 bushels off 30 acres.

Mr. John Quinn on the Derringer farm, near Galena, got an average of 25 bushels per acre.

Will of Joseph R. Edwards.—The last will of the late Joseph R. Edwards was filed for probate before the Orphans' Court of Kent on Wednesday last. Mr. William F. Russell, Cashier of the Kent County Savings Bank is named as executor in the will. It bequeaths all the property, real, personal and mixed, to his wife, Amanda M. Edwards, during her life for the use of herself and five grandchildren—Mary Edna, Emily Lowe, Amanda S., Dorothy Smith and Willie B., children of his deceased son, Wm. B. Edwards. At the death of his wife he directs that the estate be sold by Executor Russell and divided among the grandchildren equally as they reach the age of eighteen years. The will directs that if any difference should arise as to the disposition of the estate or other matter, that no suit take place, but the matter be referred to Walter U. Lusby and Walter T. Morris and Executor Wm. F. Russell and their decision be final. The will was made May 7, 1904, witnessed by Thomas W. Perkins, J. Raymond Simpers and T. W. Russell and was in the possession of Samuel Vannort, Esq.

THE NEW ROAD LAW.

The tax rate has been struck at $1.22, a reduction of 63 cents from last year. The bulk of this saving has been accomplished by the inauguration of the new road law for Kent county which some are styled to call the Slay Road Bill. It is the best law ever enacted for this county and to Hons. Wm. M. Slay, J. S. Harris and Harry C. Willis are due the credit for its enactment. It takes its place alongside the Treasurer law in its advantages and operation. Here are the figures for the year of the cost of road work in the several districts from June, 1910, to June 1911:

First District	$2,970 87
Second District	1,948 10
Third District	3,093 88
Fourth District	1,656 58
Fifth District	1,398 41
Sixth District	1,990 81
Seventh District	1,424 45
Total	$14,483 09

Last year under the commissioner system the cost was $35,000 and the previous year over $40,000!
