Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

HOME LAUNDRY
(Successor to Chestertown Steam Laundry)

We wish to state that we have added new and up-to-date machinery in the laundry formerly known as the Chestertown Steam Laundry. All laundry thoroughly sterilized and our plant is in a perfectly sanitary condition. We are in a position to do all work for the town and community and will guarantee satisfaction. Our new collar ironer is the latest piece of machinery on the market, and you will have up-to-date work. We feel proud to state—and our laundered goods will convince you—that we can compete with the best city laundry. We will be glad for any one interested to visit our plant. Mr. Sheets, our manager, will take pleasure in showing you through and explaining the system.

KENNEDYVILLE NOTES.

We have just had another heavy rain Monday afternoon. The State road between here and Goose Hill has recently, by the heavy down-pour of rain, been very much damaged by cutting away the earth on the hills each side of the new work.

The laying of cement side-walk pavements along our main street still continues, and it will make a wonderful improvement in the village.

Capt. and Mrs. Daniel Hill were both at church Sunday and are looking well, notwithstanding their recent indisposition and treatment, the former at a hospital, the latter at her home.

Mrs. Charles H. Crew has been quite sick at the home of her sister, Mrs. Lulu Vandyke, for the past six days, but is much improved at this writing.

"Aunt" Sarah Brown, janitor of the Methodist Protestant Church at Kennedyville for the past 42 years, with but little intermission, who had been suffering for a number of weeks from Bright's disease, departed this life on Wednesday night of last week, near the hour of 10.30 o'clock, aged 86 years, 6 months and 8 days. "Well done, good and faithful servant." "Aunt" Sarah was a wonderful woman, highly esteemed by white and colored for her industry and her consecrated christian life. Funeral services were held in the colored M. E. Church at Still Pond Saturday at 11 a. m., with the pastor of said church and Rev. Mr. Mullineaux officiating; Mr. Krusen undertaker. Interment in the church cemetery.

An extra meeting of the Kennedyville Grange was held Monday evening of the present week, when considerable business was transacted preparatory to the meeting on Thursday forenoon of this week, the 27th, on the large shady lawn of Mr. and Mrs. Elias T. Othoson, of the Pomona Grange of Kent county. A very large attendance of the members of subordinate Granges is expected, at which time there will be public speaking, and a day of great profit and social pleasure is onticipated. The ladies of the Kennedyville Aid Society, for the accommodation of the vast crowd of people, will have on sale a good supply of the best ice-cream. A hearty invitation is extended to all.

Mr. Frank Roeder, of the Likes, Berwanger clothing house, Baltimore, has moved his household furniture in the building he owns in Kennedyville, looking forward to a time in the future when he and Mrs. Roeder may occupy the building. For the present they will discontinue housekeeping in the city.

Kennedyville M. P. Church, Rev. F. H. Mullineaux, pastor. Sunday, July 30th, 1911, 9.30 a. m., Sunday-school; 10.30, sermon by the pastor; 7.45 p. m., sang service, followed by short sermon. All invited.

WOODEN LEG A BEEHIVE.

Cleveland, Ohio, July 23.—The only living human beehive, who carries a swarm of trained bees with him every where he goes, is on exhibition at the county jail. Mark O. Dennison is the man who owns the bees. The hive is in his wooden leg.

Two deputy sheriffs found him sleeping in Wade Park. When they attempted to arrest him he turned the whole swarm of bees upon them, although they are tame and harmless when their owner tells them to be, They are trained to use their stingers only when Dennison considers his peace is threatened. Ucoboo is the war captain of the bees, and to him Dennison gives his orders.

The deputies, after considerable coaxing, got Mark to call off the bees, and one by one they returned to the hive through small holes which act as entrances to the interior of the false leg.

The reason Dennison carries the swarm with him is because he likes honey. He says he would die if he didn't have honey to eat every three or four days.

THINGS LEFT ON TRAINS.

One of the busiest months in its history was experienced during July by the Bureau of Information of the Pennsylvania Railroad in distributing articles left on the trains, according to report just furnished to the officials. June brides and bride-grooms, off on their honeymoon, must have been extraordinarily forgetful of their belongings.

The bureau returned to owners during June 74 umbrellas, 154 packages, 16 pairs of gloves, 60 suit cases and grips, 21 pairs of eyeglasses, 35 bags and pocketbooks, containing from 2 cents to $33; articles of jewelry, the value of which was from a dime to $1,200, and, in addition, 56 miscellaneous articles, such as keys, musical instruments, canes, raincoats, overshoes, hatpins, hats, veils, coats, lunch boxes and letters.

One of the exceptional deliveries by bureau was a small wire cage containing a live mouse. It was found on a train and claimed within an hour by a small boy, who made tearful inquiries and went away with unmistakable evidence of joy when he recovered his pet.

Marydel Camp Meeting will be held as usual in the cool shade of Dailey's Woods, and will last for ten days, commencing August 4th.

An elaborate programme will be provided. The special engagement of the Philadelphia Quartette, which has acquired much renown in Pennsylvania, to assist at all the musical services, will ensure a great treat to be a musical item of the very highest merit. The Rev. Ralph Coursey of Wilmington, has kindly consented to assist.

OTTUMWA WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Ottumwa, Iowa.—"For years I was almost a constant sufferer from female trouble in all its dreadful forms; shooting pains all over my body, sick headache, spinal weakness, dizziness, depression, and everything that was horrid. I tried many doctors in different parts of the United States, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors. I feel it my duty to tell you these facts. My heart is full of gratitude to you for my cure."—Mrs. HARRIET E. WAMPLER, 524 S. Ransom Street, Ottumwa, Iowa.

Consider This Advice.

No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous medicine, made only from roots and herbs, has for thirty years proved to be the most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, confidential, and always helpful.
