KENT COUNTIAN TO RUN

The Republican lawyers of Baltimore have unanimously selected J. Henry Baker, Esq., as one of the candidates for the Supreme Bench. This honor came to our fellow countian unsolicited, and even if he be defeated it will still be an honor to have aspired for the high office and to have been so selected.

Mr. J. Henry Baker is a native of Kent county, Maryland, born June 24, 1872, and son of James H. Baker, former State Senator from that county.

Mr. Baker received his education at Dickinson College, Carlisle, Pa., graduating in the class of 1893, and received three years later the honorary degree of Master of Arts. While at college he found time to do some newspaper work, being the correspondent of the New York Tribune. He has been for a number of years a Trustee of his Alma Mater, and one of the youngest graduates ever elected to that Board. He has also served as President of the Baltimore Alumni Association of Dickinson College.

While completing his educational course at Dickinson College Mr. Baker also studied law at the Dickinson School of Law, later entering the Law Department of the University of Maryland, studying at the same time in the office of Senator Isador Rayner, under the direction of that distinguished lawyer. He was admitted to the Baltimore bar in December, 1894, speedily acquiring a good practice, being engaged as counsel for several building associations and contractors, besides a very large office practice. He was recently elected counsel for the Inter-Church Federation of Baltimore.

He is a member of the City and State Bar Associations and secretary of the Public Lecture Bureau, a movement for public education and improvement, in which he is associated with a number of the leading literary men of the city.

He is prominent in Fraternal Circles, and is a member of the Marglard Historical Society and of the Associate Congregational Church.

THE GREAT WILMINGTON FAIR.

Every Effort Being Made to Make it Best State Has Ever Known.

If the great Wilmington fair, to be held at Gentlemen's Driving Park August 29th, 30th and 31st, is not the greatest the State has ever known it will not be the fault of the management. From present propects only one thing is needed and that is favorable weather.

The race entries indicate some great speed events. The purses amount to $3600, and the entries include not only many of last year's contestants but a number of new horses yet to be heard from on the local tracks.

The silver cup offered by T. Coleman du Pont and the county prizes of $25.00 each for the largest number of blue ribbons won by an exhibitor in the fruit, grain and forage, vegetable, horse, cattle, poultry, sheep and swine departments and the three county prizes also given by Mr. du Pont for the best bushel of corn shown from each county have all done much to stimulate the interest of the entire State in the 1911 fair.

Splendid free attractions, together with California Frank's Circus which will show two days of the fair will give plenty of amusement to the visitor. California Frank carries fifteen carloads of paraphenalia and his street parade compares very favorably with the parades of the larger circuses. The dog show on Wednesday will be another interesting feature and is bound to be a success if early enthusiasm is any indication. The Y. W. C. A. will have charge of the restaurant again and attractive lunches will be served at moderate cost during the week.

IN MEMORIAM.

In loving memory of Eva Pearl Schwatka who died April 12, 1911.

Dearest wife how I miss you
Since from earth you passed away
And my heart is aching sorely as I think of you today.
Gone in the best of her days
Blighted in woman hoods bloom
Gone from the the heart that loved her
To sleep in the silent tomb
Oh God how mysterious and strange are thy ways
To take from me my wife in the best of her days.

LOVING HUSBAND.

Sleep on dear mother take your rest
God called you home he thought it best.

DAUGHTER LOUISE.

How slender is life's silver cord
How soon tis broken here;
Each moment brings a parting word
And many a failing tear.
As the stars o'er head are gleaming
Oftimes we sit alone
In our hearts there is a feeling
That our daughter must come home
Oh, Eva, could you but speak to us,
And could you live again.
Our aching hearts would then be healed
But this we wish invain
Again we hope to meet thee
When the day of life is fled
And in heaven with joy to greet thee
Where no fare-well tear's are shed.

MOTHER.

In sweet rest she has entered,
No more to wake or to weep;
She is smiling upon us from heaven,
Our love one has fallen asleep.

FATHER.

When they ask us do we miss her
How it fills our heart with pain;
But her voice seems sweetly calling
Courage—we shall meet again.

SISTER GRACE.

Heaven now retains our treasure
Earth the lonely casket keeps.
And the sunbeams long to linger
Where our dear sister sleeps.

SISTER HILDA.

You are not to us, Dear sister
But as a star unseen,
We hold that you are ever near
Though death intrudes between.

PROCLAMATION

Publication of Proposed Constitutional Amendments.

Whereas, At the January Session of the General Assembly of Maryland, held in the year of our Lord, Nineteen Hundred and Ten, three Acts were passed, one proposing an Amendement to Article 1 of the Constitution, by adding thereto a Section to be known as Section 8; one proposing an Amendment to Section 2 of Article 3 of said Constitution, and one proposing an Amendmen to Section 4 of Article 3 of said Constitution, said Acts being respectively Chapters 253, 303 and 318 of the Acts of the General Assembly of Maryland of 1910, and which are in the words following, to wit:

CHAPTER 253.

An Act to propose an Amendment to Article 1 of the Constitution of this State by adding thereto a new Section, to be known as Section 8, to follow Section 7 and to provide for the submission of said Amendment to the qualified voters of this State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland (three-fifths of all members of each of the two houses concurring), that the following section be and the same is hereby proposed as an amendment to Article 1 of the Constitution of this State, which said section, if adopted by the qualified voters of this State, shall stand as an additional section to said Article 1, to be known as Section 8, to follow Section 7, of said Article.

Section 8. All State and municipal elections shall be conducted by the system commonly known as the Australian Ballot System, and it shall be the duty of the General Assembly to provide by law for a form of ballot, uniform throughout the State, for use at all State elections in this State, and provide that on said ballot after the name of each candidate thereon who may have been duly nominated as the candidate of any political party or organization, there shall be printed the legal name of said party or organization; equal representation of the minority party among the judges and clerks of election registers or other officers performing similar functions shall not be abolished by the General Assembly unless by a vote of four-fifths of all the members of each house.

The right to be registered as a qualified voter and the right to vote at any State or municipal election in this State shall be limited to the following persons:

First: Every male white citizen not disqualified by the Second or Third Sections of this Article, possessing the qualifications as to age and residence mentioned in Section 1 of this Article.

Second: Every other male citizen not disqualified by the Second or Third Sections of this Article possessing the qualifications as to age and residence mentioned in Section 1 of this Article, who at the time of his application for registration is the bona fide owner of real or personal property, or both, in an amount of not less than five hundred dollars, is assessed therefor on the tax books of the City of Baltimore or of one of the Counties of this State, has been such owner and so assessed for two years next preceding his application for registration, shall have paid and shall produce receipts for the taxes on said property for said two years, and shall at the time of his application make affidavit before the officers of registration that he is the bona fide owner of the property so assessed to him and that he has been such owner for two years next preceding his application.

If any person other than those herein mentioned shall be or become legally entitled to be registered as voters at State Elections in this State, then this section shall be null and void and the General Assembly shall possess the same powers as if this section had never been adopted, and the laws of this State, including the local laws applicable to certain counties thereof, relating to the form of ballot to be used at elections, in force on the first day of July in the year nineteen hundred and ten, shall revive or continue in force until altered by the General Assembly notwithstanding any Acts to the contrary which may have been passed while the terms of this section shall have been in force or while the General Assembly shall have believed or assumed the provisions of this section to be valid.

Section 2. And be it further enacted, by the authority aforesaid, that the aforesaid section hereby proposed as an Amendment to the Constitution shall be at the next General Election held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article 14 of the Constitution of this State, and at said General Election the vote on the said proposed Amendment to the Constitution shall be by ballot, and upon each ballot shall be printed the words, "For Constitutional Amendment" and "Against Constitutional Amendment," as now provided by law, and immediately after said election due return shall be made to the Governor of the vote for and against said proposed Amendment, as directed by said Fourteenth Article of the Constitution.

2.
