Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble.

Home of Swamp-Root.

When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THE MARYLAND
Agricultural College
COLLEGE PARK, MD.

MARYLAND'S SCHOOL OF TECHNOLOGY

25th year begins September 14. Entrance examination Sept. 12 and 13.

Degree of B. S. is given in following courses:

Agriculture	Mechanical Engineering
Horticulture	Civic Engineering
Biology	Electrical Engineering
Chemistry	General Course (Cultural)

Students taking Agriculture and the allied branches have the benefit of the U. S. Department of Agriculture, in Washington, and of the Government Experiment Farms at Arlington and Beltsville.

Students pursuing the Engineering courses supplement their practical knowledge by visits to the Mt. Clare shops, Sparrows Point and other similar places where great mechanical and engineering work is in operation.

The Agricultural College is Maryland's School of Technology, and is meeting the demand of the age for trained men in the Great fields o. Agriculture, Science and Engineering. Positions are assured to all graduates.

Particular attention is called to the Two Years Course in Agriculture and Horticulture.

Each department of the College is supplied with the most modern and improved apparatus. The dormitories are equipped with steam heat, electric light and hot and cold shower baths. The location of the college is unsurpassed for health. There is a sanatorium, with a trained nurse, under the charge of a resident physician. Any possible contagious disease can be completely isolated.

Tuition, books, heat, light, laundry, board, medical attention, etc., are all included in the charge of $240 per year, payable $60 quarterly in advance.

Send for Catalogue and Book of Views.

It will be of advantage to those who expect to enter the College to send in their application as soon as possible.

KENNEDYVILLE NOTES.

Mr. Wood, of Galena, an expert in well and pump cleaning, is busy at this writing in Kennedyville. Good, cold, water is the best drink in the world.

Mr. James E. Weer, one of the rural delivery men of Kennedyville, is having an "automobile trouble man" work on his new car, which was out in the recent cloudburst rain, up into the machinery, a veritable river or lake in the road. There seems to be no serious damage, and after a thorough overhauling it will no doubt be in good running order for the service of Uncle Sam.

Prof. George Medders and wife have returned to the home of their father, after a few days pleasant visit among relatives at Betterton.

The new cannery owned by the energetic Mr. Howard Baldwin, of Harford county, is to begin business Friday afternoon of this week, Mr. L. A. Pennington, manager. About sixty hands for work in the factory are to come over by boat from Baltimore on Wednesday. It is thought that the tomato growers of this community by the time named will have about 200 baskets of ripe fruit to begin with.

The pastor of the M. P. Church had three "spins" with Mr. Baldwin Monday in his splendid Ford runabout. Mr. Mullineaux thinks the Ford is the best machine on the market, and would like to own one himself. Dr. J. W. Urie, a man of fine taste, has ordered a Ford.

The main street of Kennedyville has become quite a boulevard for autos and touring cars. On Saturday evening last in the early twilight, a touring car came from the East, traveling West, at rapid speed, creating quite a sensation among many who witnessed the rapid transit, as within the car there were but two persons, one of each sex, either hastening to a doctor or spooning for all it is worth. No halt was made and no one seemed to know the affectionate, happy couple. One witness said, that after that scene he would never deny again that there was no time for spooning between the chauffeur of an automobile and one of the fair sex.—Bon voyage.

Mr. George Bennett, of Lancaster, Pa. made a hurried trip to our village Monday, leaving this Monday afternoon by rail.

Mr. Sarah Hammond, of St. Georges, Newcastle county, Del., sister of Mrs. Isaac Cleaver and Mr. John Bennett, made a trip to our village on Sunday, with her son-in-law, Mr. Harry V. Buxton, in his neat and cozy auto. Mr. Buxton left in the afternoon. Mrs. Hammond is visiting her sister, Mrs. Cleaver and brother, Mr. Bennett, and the latter's sick wife. The condition of Mrs. Bennett seems better at this writing.

The doctor and trained nurse report favorably on the symptoms of Miss Lulu Vandyke, who for several weeks has been ill with typhoid fever.

It is reported that Mrs. Walls of our town is now sick with typhoid. Mrs. Smyth, wife of Prof. Smyth, of Chestertown, is still very much indisposed with her sick mother, Mrs. Bennett.

Mrs. Wm. King, of Philadelphia, is visiting her brother and family, Mr. L. A. Pennington, of Kennedyville.

Miss Pauline Copper, of near town, has been giving a house party for several days to the following young lady friends who with her attended services in the M. P. Church Sunday morning, Misses Mollie Haddaway, of Edesville, Marguerita Dodd, of Chestertown, and Mary Hiliard, of Still Pond.

Mrs. Rachel Hill and son, Mr. Harry Hill, student of Western Maryland College, are having a most delightful vacation at Atlantic City.

Miss Virginia Snyder, of Baltimore, with Miss Ethel Mullineaux, of Howard county, Md., at the organ in the M. P. Church Sunday morning very much delighted the audience with a couple of very beautiful selections in music. Misses Snyder and Mullineaux will be with the pastor and his wife over Sunday next and will again help in the church music. All invited.

IN MEMORIAM.

In sad and loving remembrance of our dear daughter and sister, MARTHA EMMA BRYAN, who died three years ago, August 16, 1908.

You have gone from us, dear daughter,
To your Saviour good and true;
You have won the Heavenly glory,
Which it is for us to do.
LOVING MOTHER.

Her dear head is pillowed upon the cold sod,
Her young heart in silence reposes;
She dwells in the beautiful Garden of God,
An angel amid Heaven's roses.
Loving Sisters, CARRIE AND RACHEL.

In loving remembrance of our dear husband and father RICHARD M. BRYAN, who died seven months ago, February 2, 1911. Gone but not forgotten.

SAVED FROM AN OPERATION

By Lydia E. Pinkham's Vegetable Compound

Peoria, Ill.—"I wish to let every one know what Lydia E. Pinkham's remedies have done for me. For two years I suffered. The doctors said I had tumors, and the only remedy was the surgeon's knife. My mother bought me Lydia E. Pinkham's Vegetable Compound, and today I am a healthy woman. For months I suffered from inflammation, and your Sanative Wash relieved me. Your Liver Pills have no equal as a cathartic. Any one wishing proof of what your medicines have done for me can get it from any druggist or by writing to me. You can use my testimonial in any way you wish, and I will be glad to answer letters."—Mrs. CHRISTINA REED, 105 Mound St., Peoria, Ill.

Another Operation Avoided.

New Orleans, La.—"For years I suffered from severe female troubles. Finally I was confined to my bed and the doctor said an operation was necessary. I gave Lydia E. Pinkham's Vegetable Compound a trial first, and was saved from an operation."—Mrs. LILY PEYROUX, 1111 Kerlerec St., New Orleans, La.

The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.
