WILL BECK'S THE MAN.

The Organization has found a man
Who'll put to rout the Boss' clans,
Obtain a clear victory over his tools
And preserve the integrity of our public schools
And Beck's the man—
Will Beck's the man.

A man who will stand for the good and true,
Who doesn't attempt to befog or deceive you,
A man who will legislate wisely and well
Who'll know how to vote, whose vote will tell.

REFRAIN—
A man acquainted with the farmers' needs,
A man of training and a man of deeds,
Who does his own thinking on questions of State
And needs no Boss to make him vote straight.

REFRAIN—
A man whose sympathy with watermen all,
From Northern most Kent to old Rock Hall,
Rings true as steel toward those honest men,
Truer than Foxwell has ever been.

REFRAIN—
A man of the people, who firmly stands
On the bed rock principle, "A man's a man,"
Entitled to labor and profit withall
And not be a slave to any Barroll.

REFRAIN—
A man, who, with Redmile and Ayres,
When climbing up the State house stairs,
Will think of the people across the bay
Tonging oysters and mowing hay.

REFRAIN—
And Beck's the man—
Will Beck's the man.

VICTORY IN SIGHT.

The indications are that the Organization will win every man on the ticket with majorities ranging from 100 to 300. The libelous attack on Beck and Vickers will make them scores of votes and their friends claim as high as 500 majority. An active canvas has been made by both sides and all will be glad when the vote is in. Vote early and bring your neighbor. Only Democrats may vote.

MORE MISREPRESENTATION

During this whole campaign the NEWS has preferred to call the prevarications of the Barroll organ misrepresentations, but a shorter word would better cover the case. The NEWS has refuted their every charge and gave letters from individuals like Hon. James Alfred Pearce and Dr. L. E. Barrett denying statements accredited to them and misrepresenting them. To-day we give a strong denial of a fake story gotten up for political purposes, but which has gained at least several votes for the Organization. This denial is addressed to the Barroll organ, but of course he did not expect it to publish the same; therefore, in justice to all, it is here inserted:

AUGUST 21, 1911.

To the Editors of the Transcript:

In your issue of August 19th, 1911, you say that Mr. Beck has acknowledged that he told Mr. Joseph Fowler he does not expect to be nominated. I wish to state that Mr. Beck never made any such statement to me, nor did he ever say anything to me that could possibly be construed to mean this.

I make this statement in justice to both Mr. Beck and myself.

JOSEPH L. FOWLER.

$100 REWARD.

Public sentiment in Kent is strong for the faithful observance of the Corrupt Practice law and it is the duty of all *good* citizens to put their stamp of disapproval upon all men or candidates who violate it either in spirit or letter. There are more than rumors that an effort is being made to evade this law by an unscrupulous man, and the NEWS convinced of the great good to the county by its observance now offers $100 reward for the arrest and conviction of any violator of the law.

"FOXWELL LOW MAN"

Hope H. Barroll Writes John M. Comegys That As It Is Foxwell Will Be Low Man—Trying to Drive Him to Go.

To show the desperate straits in which Mr. Barroll finds his faction the following extracts are taken from a letter written by him to his lieutenant, John M. Comegys, in Kennedyville district. The great revolt of the oystermen is the cause of the letter and Mr. Barroll writes to Mr. Comegys as follows:

"You must insist upon Garrett Foxwell going down to Rock Hall. There is no use to be meally mouthed about it. Nor saying 'Please go,' or 'Won't you go?' But tell him up and down that the Faction needs him to do it, and the Faction don't need him one-half as much as he needs it himself. They are making a drive at him, HE WILL BE THE LOW MAN ON TICKET AS IT IS. If he goes down there and does the work there is no reason on earth why the changes should not be made and why he will not get nearly as high a vote as other men on the ticket."

Another evidence of BOSSISM. Don't say, "Please go," or "Won't you go!" but it is a case of *must*.

OYSTERMEN AROUSED

Big Gathering in Piney Neck—All Favor Beck And Against The Haman Bill.

An informal meeting was held in Piney Neck last Saturday at which there were 87 white men, and it is said all but two will vote against the Haman bill candidate, Aiz., Foxwell. Ringing speeches were made by Wm. W. Beck, Esq., and Hon. H. C. Willis. The vote of Mr. Foxwell on the Haman Bill was proven beyond doubt and the oystermen are enthusiastically supporting Beck and his friends. It is a question of vital interest to the watermen and they feel it.

SAVES THE PEOPLE MONEY

Under the Old System from $35,000 to $45,000 Was Spent on Roads—Under New Caroline Road Law Kent Spends Only $16,000—Politicians Want to Return to Old System—Tax-Payers Should Want the Present New Law.

The public will be interested to learn that the present economical road law is nearly the identical law which Mr. Barroll and his followers have tried to have passed for Kent county for a number of years past. In the Barroll organ as late as February 19, 1910, we find the following remarkable petition:

THESE WANT CAROLINE LAW

To the Honorable, the Senator and Delegates in the Legislature from Kent County:

GENTLEMEN:—We, the undersigned citizens of Kent county, respectfully urge that you will use all your endeavors to pass for Kent county a Road Law similar to the one now used in Caroline county, and which has been introduced in other counties with such success.

The cost of the public roads in Kent county has been and is a heavy burden upon the tax-payers. Unless some such method regulating the cost of our roads is adopted, it will be heavier each year, and with no permanent benefit to the public. We respectfully urge that you use all your endeavors to secure the passage of such a law. Yours respectfully,

Do the tax-payers want anything further to prove the insincerity of the Barroll faction? Reader, it is the politicians and a few followers who want a return to the reckless and extravagant way of working roads; but the Tax-Payer, interested in economy and low taxes, prefers the Caroline law. It has saved over $16,000 on the roads of Kent county last year, and the tax rate was materially reduced thereby.

Vote for the Organization candidates, if you want the Caroline road law. If you want the old way, vote for Mr. Barroll's men.

INSTRUCTIONS TO VOTERS

The Primary Election will be held next Tuesday, August 29, at the polling places designated in the official notice published elsewhere in this issue. The polls will be opened at 8 a. m. and close at 6 p. m., and the conduct of the election will be similar to that of the general election, except that at the primary election the ballot must be enclosed in an official envelope obtained from the judges and be sealed before it is deposited in the ballot box; that a voter may prepare his ballot before entering the polling place, provided he uses an official sample ballot; and that the cross-marks on the ballot must be made with an ordinary black lead pencil. A cross mark is to be made in the box to the right of the name of each person for whom the voter wishes to cast his ballot.
