INSTITUTE WEEK.

Chestertown has been alive this week with intelligent school teachers. Superintendent Milton Melvin with the aid of School Commissioners Ahern, Copper and Bennett provided a most excellent program. In fact this has been one of the most intensely interesting institutes ever held in Kent. Only four teachers have failed to report and they had excellent reasons for being absent. Among the visitors here were Superintendents Carroll, of Delaware; Noble, of Caroline; Orem, of Talbot, and Grimes, of Queen Anne's.

TO HAVE TRACK IN KENT.

Visiting horsemen were last week told of the plans of the Worton Driving Association of Kent county to build a new race course at Chestertown. So much interest has been shown in the harness horse in Kent and Queen Anne's county in late years that the revival of racing at old Worton track has been wonderful.

The officials of the newly-organized race body, which has been giving race matinees at Worton, are:

President, Albert Story; vice-president, J. B. Hossinger; treasurer, G. W. Rash; secretary, James G. Beck.

Did You Ever Think Of It In This Way?

¶ If you save $100 from your earnings during a year it is the same amount you would receive on a $2,000 investment for one year at 5 per cent.

¶ To save, one must sacrifice. The best things of life are gained in this way. If you want to lay aside a part of your earnings, come to this bank and open an account. A bank account will assist you greatly in the undertaking.

¶ We welcome the small depositor.

PROMPT PAYMENT OF CLAIM.
Waldo Emerson Sparks who's death it was our sad duty to publish last week we are informed had his life insured in the Continental Life Insurance Co., of Wilmington, Del. On may 19th, of this year a policy of one thousand dollars at a cost of sixteen dollars and nineteen cents was delivered to him through F. V. Simpers. On Tuesday, August 29th, his death occured, and on Saturday, Sept. 2, the check for the full amount was delivered to his Father. This is remarkable quick work when it is known the claim papers were not completed until Friday the day after he was buried. This Company started business four years ago this month with its Home Office in Wilmington, Del. The directors are from the nine counties on the Eastern Shore and the three counties in Delaware. It is therefore a home company and is deserving of the insuring public's support, for their stock proposition is a winner. The Company has placed nearly seven millions of good business on its books. Mr. F. V. Simpers lately with the Prudential who has charge of five counties for this company has had wonderful success since his connection with them. Since April 17th he has written, placed and paid for One Hundred and Six Thousand dollars ($106,000). Mr. W. W. Hubbard, of Chestertown, is one of the directors. 1t
