OPPORTUNITY!

¶ We are offering to the house-wife a money-saving opportunity in the way of

Boy's Clothing

¶ Perhaps you failed to take advantage of our reduction sale in this line. In order to make room for our fall line we have placed the balance of all boys suits on sale at JUST ONE-HALF THEIR REAL VALUE.

¶ Now that vacation is over and you find that your boy has not been provided for in this line for the coming school days of fall and winter, bring him in and get two suits for the price of one.

☞Look for Fall Announcement next week.

A SAVINGS ACCOUNT

Makes the Sun Shine on Dark Days

¶ THE CHILD who receives an early training in saving small amounts will acquire a habit that will make it natural and easy to save larger amounts in later days.

¶ THE CLERK who saves 50 cents a week will soon have a fund that will start him in a business of his own. The clerk who saves nothing will always be a clerk.

¶ THE SCHOOL TEACHER OR STENOGRAPHER who lays by $1.00 a week out of her salary will have nearly $5,000 to brighten her declining years.

¶ THE FARMER OR MERCHANT who keeps a savings account separated from his business bank account, and deposits a few dollars a week, will be amazed to see how quickly he will have a good sized balance against a rainy day.

LOCAL NOTES.

A NEW DWELLING is being erected on Queen street by Mr. Frank E. Duyer on his lot opposite Dr. Simpers' home. The tenant is not yet announced.

BY a can exploding while she was canning tomatoes Mrs. George Price was painfully scalded about the face. For a time it was feared her eyes had been injured.

A. M. CULP has begun the erection of a new store and dwelling on Cross street next to Kreeger's jewelry store.

ARRESTS were made yesterday of Webster Stoops and son, John, on charge of selling liquor to Robert Dunn. A hearing will be held Monday.

THE State road near Chestertown is being oiled as an experiment. The oil is from Texas and resembles tar. It is expected to prevent the wearing of the roads under constant traffic.

THE report of Talbot's school examiner shows that there are 66 school houses in the county, and that there are 90 white teachers and 26 colored, a total of 116. During the year there were 4,183 pupils in attendance, of whom 2,142 were males and 2 041 females. To the different schools of the county Professor Orem paid 253 official visits. The average salary of teachers in the county is about $328.99, and the per capita cost, reckoned on the average enrollment, is $16.10.

THE store on Calvert street heretofore run by S. Kleckner has been rented by Mr and Mrs. Griffith Clift and will hereafter be conducted by them. Mr. K. and family will remove to New York where he will go into a larger place.

THE St. Dennis Catholic Church, Galena, will hold a tournament and supper, October 25th and 26th. The tournament will be on the 25th, for those only who have never won a prize. Speakers of prominence are expected. The committee is a guarantee of a successful affair, viz: John T. Quinn, W. Holt Woodall, Lindall Beasten, Dr. E. A. Scott. Further particulars later.

THE following took the examination for rural mail carriers, before Postmaster M. W. Thomas last Saturday, viz: Frank L. Parsons, Calvin L. Walmsley, W. W. Camp, Wm. E. Leary, Charles S. Porter, Thomas F. Davis and Robert A. Shalleross. All are applicants for route No. 2 at Rock Hall.

A. COHEN will close Friday, Sept. 22nd, and reopen Monday evening, Sept. 25th. The last sale will be from Monday until next Friday at which time goods will be sold at half price.

THE residence on High street now occupied by Mr. Crossley has been sold by Mr. O. B. Crow to Mr. James Coleman who will occupy same next year. The sale was made through J. W. Russell's agency.

A BIG GLUT of tomatoes has been on this week. Even the basket factory was stalled in supplying baskets! Thousands of baskets of tomatoes were hauled to Kent's canneries but because of no baskets many tomatoes rotted in the fields. The crop is short as it is and to have them ripen so many at a time makes it unfortunate. Canneries are located at Chestertown, Worton, Lynch, Still Pond, Black's, Lambson, Kennedyville, Millington and Massey, where most of the labor is foreign.

THE entertainment at Rock Hall noted in another column is by request of the many who were present or who heard of its success at Mr. Rinehart's in July. It is for the benefit of St. Paul's.

THE Western Maryland football team has been in training for ten days at Betterton. Mr. Robert Gill, of Seattle, was with them.

THE alarm of fire at 4 A. M. yesterday caused consternation in town for awhile. The home of Mr. Noah Perry, on Cannon street, next to Eliason's lumber yard, took fire from a defective chimney, but the prompt arrival of the Volunteer Co., soon had the blaze under control. The bottom of the chimney had dropped off leaving the floor exposed.

BECK & IVENS, real estate brokers, have sold Mr. J. K. Legg's farm situate near Betterton and containing 43⅜ acres of land to Mr. Robert C. Morgan, of Galena, Maryland. Price $4500.

THE Eliason office next door to Kent County Savings Bank has been rented by Mrs. Wm. Duyer who will conduct a millinery store there.

THE Downie & Wheeler's show drew a crowd Thursday. It was a fine show with excellent parade. It has another marked peculiarity and that is the entire absence of graft of all sorts and the gentlemanly deportment of all those connected with the outfit.
