Special Notice to Ladies

Our large purchase of Ladies' Suits for this season are now completed and the final lots have arrived, and are ready for selling. These Suits are just what you are looking for. Our strong argument is that you get them just a "little cheaper" than elsewhere. These specials should sell at sight.

Prettiest Wash Fabrics

We say prettiest, for surely there never were any prettier Wash Fabrics than these we are showing. Organdies, Dimities, Batistes, French Ginghams, Lawns and Voiles crowd each other for room, and when you consider that the prices are so very low the goods become very tempting.

Embroideries : An Endless Variety

There are All-Overs, Edgings and Insertions—baby width, medium widths and flounce widths. Patterns from a fraction of an inch to a half yard, with unusually liberal margins. The designs are beautiful, artistic and diversified. Neat exquisite effects for baby clothes and women's lingerie, dainty styles for trimming waists and showy elaborate combinations for flounces and ruffles.

WOMAN ESCAPES OPERATION

Was Cured by Lydia E. Pinkham's Vegetable Compound

Elwood, Ind.—"Your remedies have cured me and I have only taken six bottles of Lydia E. Pinkham's Vegetable Compound. I was sick three months and could not walk. I suffered all the time. The doctors said I could not get well without an operation, for I could hardly stand the pains in my sides, especially my right one, and down my right leg. I began to feel better when I had taken only one bottle of Compound, but kept on as I was afraid to stop too soon."—Mrs. SADIE MULLEN, 2728 N. B. St., Elwood, Ind.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.
