WORLD'S LOWEST PRICE FOR A SIX
CHEVROLET PRICES HAVE BEEN REDUCED AS MUCH AS $50
Drive it only 5 miles and you'll never be satisfied with any other low-priced car
CHEVROLET From the very outset, Chevrolet for 1934 was recognized as a wonderful "buy" for the money. No other six in the world was priced so low or cost so little to own. Now—there's a bigger difference than ever in favor of Chevrolet value. The world's lowest-priced six is now *lower-priced* than ever. Sweeping price-cuts have recently been announced on all models—the greatest reductions in the low-price field this year!
These reductions have brought Chevrolet's base price down to $465! They have made it easier than ever to get everything that's coming to you, in a low-priced car. And that means *Fisher Body* quality, refinement and ruggedness! *Cable-controlled brakes* that never mind the weather! *Y-K frame*, strongest and heaviest in the low-price field. *80-horsepower, 80-mile-an-hour, valve-in-head performance* that's unbeatable for smoothness and quietness! And on the Master models, the world's safest, most comfortable motor car ride: *the famous Knee-Action glide.*
