PLANS NATIONAL OYSTER CAMPAIGN

A movement for a nation-wide advertising campaign to increase the consumption of oysters and thereby save the industry from possible extinction, was set afoot Tuesday at the joint convention of the National Shell-fisheries Association and the Oyster Growers and Dealers' Association of North America.

The necessity of educating the public to the nutritive qualities of the oyster as well as its value as a cure for nutritional anemia was stressed in a number of papers presented at Tuesday's session of the convention.

H. Gordon Sweet, vice-president of the association, asserted "oysters may be declared the forgotten food."

Dorchester has 16 cases of typhoid fever and Talbot has 10. Clinics have been held and strenuous efforts are being made to stamp out the disease.

PART OF NIAGARA FALLS COLLAPSES

With a tremendous roar, a great slice of the horseshoe falls collapsed into the Niagara gorge at 8.20 a. m., Monday. The collapse, which threw a huge column of water into the air, was witnessed by a number of Niagara state reservation patrolmen and workmen.

The piece of the lip of the falls which collapsed left a large gouge in the contour of the crest. The piece broke off between the middle of the falls and the Canadian mainland shore.

The collapse was the second large one to have occurred at Niagara in recent years. On January 17, 1931, a piece 150 feet deep and 300 feet wide fell from the face of the American falls, bringing down an estimated 80,000 tons of rock. It is said that at the rate the Falls will all be down in 20,000 years! Therefore if you want to see this wonderful sight don't put it off.

EASTERN STAR HOLD ANNUAL DINNER AT BETTERTON

The "Barter Lady" as known in this locality as Mrs. Evalyn Harris has a strong imitator in The Century of Progress in Chicago. They offer one adult admission or two children for two dozen fresh eggs: one adult for a dozen bunches of asparagus, etc., etc.

Delmarva Open Here Sept. 16th

$100 IN CASH FOR LOCAL PROS IS OFFERED

An event of unusual importance to golfers of the Delmarva Peninsula, the Eastern Shore open golf championship, sponsored by the Chester River Yacht and Country Club, will be held next month. The board of governors decided to stage the tourney over the country club course here on Sunday, Sept. 16th.

The affair will comprise 36 holes medal play. It will take the places of the annual amateur event held in former years. The board of governors is planning to offer $100 in cash prizes to local professionals with suitable awards for the best amateur players.

Pending the outcome of a dispute over the championship of the lower division of the Eastern Shore Golf League, between Salisbury and Cape Charles Country Clubs, each of which claims the title, Chestertown, winner of the title in the upper division, is preparing to meet the lower peninsula titleholder for the league championship. If Salisbury is decided the winner, the championship contest will be played on the Dover course. Shoul Cape Charles be declared the winner, it will be staged on the Salisbury links.

THIEVES RAID STABLES IN QUEEN ANNE'S

Sheriff J. Elmer Anthony and Constable Louis B. Perkins, of Centreville, were called out to track down vandals who had escaped from the Pondtown section of the county with a large haul. The thieves this time stole a horse from the stable of Wm. F. Wiggins who resided near Pondtown and then entered the stable of his neighbor Warren and carried away a mule.

The two stables from which the horse and mule were taken are about two hundred yards apart. The thieves from all evidences, entered the stables late at night and after leading the animals to the county road loaded them into a motor truck.

In this day and age of motor cars, two men were arrested in Wilmington by Detectives Virden and McDaniel Sunday night charged with stealing a horse and a mule.

The alleged theft occurred on a farm near Centreville, Md. The two animals were taken to Bordentown, N. J., and sold, according to the officers.

The men under arrest are Frederick Moore, formerly of Wilmington, Del., but now residing in Centreville, and William Paulekowski, 308 Bradford street, Wilmington, Del Moore waived extradiction and was returned to Centreville. Paulekowski refused to waive and set a hearing before Judge Lynn in Municipal Court was held under $500 bail for a further hearing August 27th.
