"TIP TO A WINNER"

Editors:

The Enterprise in its issue of September 5th, at the conclusion of a lengthy editorial endorsing the candidacy of P. L. Goldsborough as the Republican candidate for Governor of Maryland, makes the following significant statement as the prime reason why the Republicans of the State should vote for Mr. Goldsborough:

"Nothing succeeds like success," —"and a winner nearly always wins,"—"Let's tie to a winner."

We heartily endorse the statement in respect to the candidacy of Albert C. Ritchie—a four-times "winner" of the Governorship of Maryland.

GOV. RITCHIE'S DECLARATION

For the repeal of the tax on gasoline used by work boats, comes too late to capture the vote of the oystermen and crabbers and fishermen of Maryland. A Bill to help these watermen was introduced at the regular session of the Legislature two years ago. The first Bill introduced was to do away with this tax of four cents a gallon on gasoline for work boats entirely. The administration acting under orders from Gov. Ritchie fought this bill but finally compromised on a bill reducing the tax to two cents a gallon. This compromise bill was passed by both houses of the Legislature, but at the last minute as an administration measure Cov. Ritchie tried to trick the watermen by having an amendment made to this compromise bill carrying a two cents a gallon tax on gasoline used by pleasure boats. After this was passed Gov. Ritchie vetoed the whole measure which threw the burden of the four cents a gallon tax on gasoline back on the watermen of the State.

The depression was severe two years ago, when Gov. Ritchie deliberately tricked the watermen and vetoed the bill that would have given one half of the four cent tax back to the watermen. There is no reason why there should be a tax on gasoline used by work boats or pleasure boats. No other State on the Atlantic Seaboard has a tax on gasoline used by work boats. Dr. Conley is already on record as favoring the repeal of this injust and unwarranted four cents a gallon tax on gasoline for work boats. "I consider Gov. Ritchie's statement as a campaign promise designed to catch votes but made too late for that purpose altho I am glad he is beginning to hear and heed the voice of the people."

P. C. JONES, Political Agent.
