BARN DESTROYED BY FIRE SUNDAY

The large barn and horse stable on the Lusby farm, three miles from here, owned by Mrs. H. Stockton Startt, were destroyed by fire of undetermined origin at 5 o'clock on Sunday evening, causing a loss estimated at $2,500, which is partly covered by insurance. A quantity of hay was burned also. The fire was discovered by a boy who saw it breaking through the roof. Several boys were milking when the fire was noted. All the cattle were gotten out. The tenant, Edward Perry, summoned the Chestertown Voulnteer Fire Company, which succeeded in saving surrounding buildings.

Over 200 automobiles from far and near were drawn to the scene attracted by the big column of smoke. The Fire Company did good work in preventing the fire to spread.
