Employment Offices Are Moved To New Location

OFFICIALS URGE USE OF LISTS BY INDIVIDUALS TO SECURE NEEDED HELP FOR HOMES

The National Reemployment Service, formerly housed in the same building with the Kent County Board of Welfare, has moved its offices to 207 High street, over the Baldwin's Electrical Shop, together with the Kent County Chamber of Commerce headquarters.

With the winter coming on and the natural growth of the welfare work that follows, the room used by the National Reemployment Service was needed for welfare work. The relief work, the CCC enrollment, and the work under the jurisdiction of the works division, as well as the commodity distribution all goes out as before from the Cahall Building. The present telephone number for that department is Chestertown 140.

The National Reemployment Service which covers five counties; Cecil, Kent, Queen Anne's, Talbot and Caroline, registers the unemployed in all lines of work and places men and women on PWA, other government made jobs, and private positions. Individuals are using the service more and more to get houseworkers and skilled and unskilled labor. The registration cards show for whom the applicant has worked and just how long thus giving the prospective employer an opportunity to look up references before engaging the worker.

E. O. Willis, formerly connected with the Queen Anne's NRS is manager; Oren B. Harrison, former manager of the Easton NRS office, is senior interviewer, and Mrs. Nell C. Westcott, formerly manager of the Chestertown office, is senior interviewer and statistical clerk. D. W. Alcutt, of Chestertown, and Miss Frances Marshall, of St. Michael's, serve as part-time clerical workers.

The Kent County Chamber. of Commerce which G.E.Leary is president, has its headquarters with the National Reemployment Service and shares its equipment with that organization. The phone is Chestertown 115. Office hours for both organizations are from 9.00 a. m. to 5.00 p. m., five days a week and from 9.00 a. m. to 12 noon on Saturday.
