OUR CANDIDATES!

FOR PRESIDENT

BENJAMIN HARRISON,

OF INDIANA.

FOR VICE-PRESIDENT

WHITELAW REID,

OF NEW YORK.

THE Democratic situation at Chicago differs very little from the recent convention of the Republican party at Minneapolis. The strongest man and the choice of a majority of the delegates, were they unpledged, would be Cleveland. There is however, an element, similar to the Blaine element, which is opposed to the ex-president, whose candidate does not expect the nomination, but is unwilling that Cleveland should have it. This gentlemans name is Hill. Although the convention has not yet convened there are and has been for a week, quite a number of delegates in Chicago, including Hill's men from New York, who tackle each new arrival with the hope of winning him over. Up to Saturday night the indications point to Cleveland. He has a majority of the delegates and will control the convention if he chooses, electing the chairman, committeemen etc., in spite of all opposition. The two-third vote required to nominate, however, is the rock on which the favorites hope may split for he needs nearly 100 more votes to nominate him. Gorman is hardly in the race as yet, Boies being the next strongest man to Cleveland, but the Eastern business men are reported as against him. Governor Pattison, of Pennsylvania, seems to stand well at the head among the favorites and Hill's delegates stand ready to swing to him, or any other candidate that can beat Cleveland. There is very little talk of a second place man as yet, as this can easily be settle after the great struggle is ended.

On Monday the situation was not materially changed except that Cleveland continued to gain and the Hill men are trying to beat him with Gorman. Gorman however has refused to be a candidate and the ticket in all probability will be Cleveland and Gray, of Indiana, for the second place.

EMMONS BLAINE the favorite son of ex-Secretary James G. Blaine, died at the home of his wife's father in Chicago at noon on Saturday, after a sickness of three days. The cause of death was blood poisoning caused by inflamation of the bowels. Young Mr. Blaine was an active figure in the exciting events of a week ago at Minneapolis, and it is thought that the strain and excitement of that week had not a little to do with his fatal illness. There is not a true American in the country whose sympathy does not go out to the bereved family, who have but recently lost another son and daughter. At the time of his death he was general agent of the Baltimore & Ohio Railroad at Chicago. He leaves a young widow and a two-year-old son. Ineffictual efforts were made to communicate with his father at Bar Harbor before his death occured, and the young man had been dead for some time before the news reached his parents.

IN speaking of his rumored appointment to the vacancy on the bench of the Supreme Court Mr. George V. Massey says: "The first intimation I had of it was in the newspapers. The newspapers have always been kind to me and if the President had notified me of my possible selection instead of the newspapers I would think there was more in it. Until I hear from Mr. Harrison I will not take much interest in the story."

IT IS reported that Chancey M. Depew will accept the portfolio of the State recently resigned by Mr. Blaine. The duties will be new to Mr. Depew in every way, but he is throughly equipped for the position; a fine lawyer, and a close student, he will require but a short time to adapt himself to the new duties

IF the Republican policy of paying off the public debt at the rate of 100,000,000 per year is continued it is estimated that it will not last longer than 12 years.

IF CLEVELAND'S men have any backbone, they can nominate their man if they desire, for no other man can be nominated without them.

MARYLAND'S delegates to Minneapolis polled 14 votes out of 16 for the winner.

THE Presidential campaign will soon be upon us.

IT will be Cleveland on the first ballot.

Beware of Impositions.

We desire to inform the public that Dr. Pitcher's Castoria is made and put up in the Laboratory of The Centaur Company, New York, in but one size bottle, and on the outside wrapper the formula is printed and the *Fac-Simile* Signature of "Chas. H. Fletcher, New York." No other preparation offered as Castoria is genuine. To counterfeit or imitate either in the name or signature is criminal offense. Dr. Pitcher's Castoria has become a valuable standard family medicine with the endorsement of some of the best Physicians in America. Don't allow any one to sell you anything else on the plea or promise that it is "just as good," and will answer every purpose, etc., etc. Castoria is sold by all respectable druggists and dealers in medicine.

Do not be deceived when you buy it, but look well at the wrapper and see if it has the signature of Chas. H. Fletcher, New York. No other can be genuine. Castoria without this Signature is a Base Fraud.

Half Rates to New York.

The Baltimore and Ohio R. R. Co will sell Excursion tickets from all stations to New York and return for all trains July 5th to 7th inclusive, at rate of one fare for the round trip. The round trip rate from Baltimore will be $5.30, and from Washington, D. C. $6.50. Correspondingly low rates from other stations. Tickets will be valid for return journey until August 15th. As such a low rate to New York is seldom offered it will be a most favorable apportunity for a visit to that city with side trips to Long Branch, Saratoga, Newport, Narragansett Pier, Coney Island and other famous resorts within easy acces of New York. 2t.

Russia's Poor Outlook.

Official reports as to the harvest prospects show that the outlook is much worse than it was in the early summer of 1891. Locusts have destroyed the crops in the Caucasus, the stores of grain in which district saved the situation last Autumn.

It is impossible to hope much from Southern Russia, where the crops have been ravaged by worms and by the field marmot. The position is made worse by the fact that at the beginning of the last famine a stock of grain was in store, while now there is none.

Fourth of July Excursion Rates'

From July 1st to 4th inclusive the B & O. R. R., will sell tickets from all stations East of the Ohio river at greatly reduced rates. Tickets will be good for return journey until July 5th inclusive. For detailed particulars as to rates apply to nearest B. & O. Agent. June-23-2t.

Wanamaker's.

PHILADELPHIA, June, 20, 1892.

Store closed all day July 4.

Dress goods manufacturer. Big surplus

Three alternatives—carry the stuff over, peddle it out in driblets, or sell it in a lump to Wannamaker at a price.

The wise mill man doesn't think long—he sells in a lump.

There are dozens of him.

That's one reason why the regular Dress Goods stock here is all the time being sweetened by such bargains.

Another reason: the Dress Goods man is all the time prowling about with the price-nipper in hand. If a style slows up or looks lonely the magic touch—the price touch—puts new life in it.

25c Dress Ginghams at 12½c.
25c Swiss Muslin, printed, at 18c.
20c Hemstiched Organdies, plain tints, at 15c.

Four Summer Silk prices that should interest you:

At 65c—Choice China Wash Silks, 22 and 23 inches.
At 85c—Such Shanghai Silks as should sell for $1.25. Desirable styles of tinting and printing. 27 inches wide
At $1.35—Canton Crepe. Compressible in small compass when packing the pretty pile of dresses. A good grade of black. Hnly a limited lot. $2 in the recent past. 22 inches.

Brandenburg, 20c,
Riga Cloth, 25c,
Como Batiste, 25c,

Three leaders from the Cotton Dress Goods camp. Each foremost in its way. You know the fine, soft beauty of Brandenburg, and the satin-striped loveliness of Riga Cloth; but do you know Como Batiste? Filmy, almost fit to float in air, but with substance for good service and the added beauty of artistic printing in strikingly bold and orignal designs.

Hemstitched Organdies. A high tide of buff, blue and pink prettiness, with creamy tints cresting the waves. Crisp and cool and sheer and Summer-like. 15c a yard.

White Dotted Swiss Muslin. Growing scarce, they say. Plenty enough here. And despite the up-turn prices elsewhere are taking we ask you no more for them—33c to 85c for 30-inch stuff.

There's a saucy rakishness to the Zouave Suit (with loose blouse) that almost no other rig will give the 3 to 8-year-old boy. A good selection at $3.50. Same shapes in Wash Goods, $2.50 and $3.

Two lines of new Homespun Suits for Men just at hand. Light colors. Only a little time back they would have been $22.50—to-day $15.

All the Homespun Suit elegancies are here—$15 to $25.

Cream Flannel Trousers for Outing, $3, $3.50, $4 and $5—side-pocket and straps.

Thinnest things for hot weather—Alpacas, Mohairs, Pongees and the like.

Straw Matting. Cosily cool of a scorching day. We've brought the price within the easy reach of almost anybody. 145 patterns still in stock—$5 to $22 the roll of 40 yards.

A special line of 30 patterns (508) rolls at $9 the roll is worthy special attention.

Japanese Rugs. The Summer Cottage is brighter and cheerier for them, the wood floor is softer and more home-like, even the China Matting gets a lifting touch from the Japanesy addition. Jute some, Cotton some. Odd designs, oddly little prices.

36x36 in.,	$1.75	6x 9 in.,	$10.00

4x 8 in.,	$7.00	10x14 in.,	$27.50
		12x15 in.,	$35.00.
