OUR APOLOGY.—Our friends and patrons will please look over our errors in this issue, as our type was in rye and our time so short that we had not sufficient time to give our proof a sheet that careful overlooking that was necessary and and therefore you must excuse us this time, we know our brethren of the press well and we hope a generous public will likewise do the same.

THE AMERICAN UNION.

We are happy to inform our friends and the public generally in its part it has a circulation surpassing many long established journals and equal to most on the shore and from the flattering prospects we expect in a short time to equal the most favored thus the business men can readily see this is a desirable paper to have their advertisements inserted in. Advertisements conspicuously inserted, one square (12 lines or less) three times for one dollar, and twenty five cents for each subsequent insertion, liberal deduction to per ons advertising by the year.

DROWNED.—On Friday evening last about 5 o'clock at Chestertown in Chester river Robert eldest son of Capt. Robert Emerson of this county while bathing the body was found next day and brought to his place for interment. Robert was the only son of the Capt. by his first wife, a promising youth a great favorite of his father, aged about 16 years. We understand the Captain has a very sympathising letter from the president of the College Doctor Wames giving Robert an excellent character, which we should have been pleased to present to the public but circumstances beyond our control forbid it. The funeral services were performed by the Rev Mr. Skinner of the M. E. Church. We sincerely sympathize with the parents in their sad bereavment.

PICNIC.—The ministers and officers of the Methodist Episcopal church in Hillsborough, gave a nice picnic to the children of the Sabath School on Wednesday last, in the grove near town, much credit is due to both managers and teachers, the affair was a nice one, largely attended.—The children also gave evidence of good training, and spoke their pieces well thereby sustaining their former reputation.—These things are highly gratifying to superintendents, teachers, parents and friends, and should be incentives to renewed exertions. We may say to the ministers as said Christ to the apostles. Lovest thou me. "Yea Lord thou knowest we love thee," "feed my sheep." again, lovest thou me. "Yea Lord thou knowest that we love thee, "feed my lambs."

The 4th. of July our Anniversary day, was duly and appropriately celebrated by our citizens in Denton their love of Independence was clearly demonstrated on that occasion, by both ladies and gentlemen, if we may judge from the number present on that day, but as we are two weeks after the time we refer our readers to the account as given in the Journal of the 7th inst.

ARM BROKEN.—On Tuesday morning last Enoch George, a lad of some ten or eleven years of age, and brother in-law to Gen. M Ruesum, Esq., of this place, had one of his arms broken and the elbow joint dislocated whilst re ting with a lad of about the same age. The fractured limb was set by Dr. Tarr, and we learn that the patient is doing well.

CAMP MEETING.—The Methodist Protestants will hold a camp-meeting at Union Corner commencing on the 10th of August, full arrangements have been made for lumber &c. and will furnish tents to those that want them.

There is to be a *Ratification* meeting to-day at Dover to ratify the nomination of Bell and Everett.

A meeting will be held in Easton on Tuesday the 24th of July, at 2 o'clock P. M. for the purpose of Ratifying the Union nomination of Bell and Everett, for President and Vice President, and arranging for the approaching campaign.

Distinguished speakers expected to be present and address the Meeting.

HORRIBLE MURDERS IN IOWA.—The bodies of a woman named Willis and two children were found horridly mutilated last Saturday near Batalia Jefferson county, Iowa their murder was supposed to have been committed by a man named Kephart who was pursued, arrested on Sunday night in Missouri, and brought back. He confessed to having committed the murder at Eddyville, and afterwards hauled the bodies thirty miles to the place where they were found.

The "Union Guard," a Campaign paper advocating the election of Bell and Everett, will commence its career in the city of New York to-day.

The *Journal of Commerce* opens the door for accessions to the Union party, by asserting that there is no *regular* democratic nomination for President and Vice President, binding on democrats but that they are at liberty to vote as they please.

The Union papers in the State, give long accounts of the formation of Union Clubs, and of Union meetings, which we have not space to publish.

A WEEKLY PAPER,
Devoted to literature, News, Romance, Science and Art.

John B. Williams, } Editors & Prop.
Charles H. Moore, }

PROSPECTUS.

It is a well known fact that the South is now almost entirely dependent on the North for its hebdomadal literature. It is to be seen whether the Southern States cannot support a literary journal of its own. The parties undertaking this new enterprise are determined to spare no effort or expense to produce a paper which shall effect this purpose, and deserve a share of the support of the reading public. Such a paper, it is hoped, will arouse the somewhat dormant literary condition of our city, develop the inactive talent, and offer at our own doors a vehicle for the expression of thought, interchange of ideas, and the imparting of new items of information.

The FAMILY JOURNAL will contain Original Stories, Sketches of Travel, Biographical Essays, a Summary of News, domestic and foreign, Reviews of Books, Dramatic and Musical Criticisms, reports of Popular Lectures and such general information as will make it a welcome guest in every family. The proprietors are determined that their journal shall be second to none in the variety, interest and value of its contents, in its literary excellence and high moral tone. Politics and Sectarianism will be most rigidly excluded.

Particular attention paid to "answers to correspondents," a talented gentleman having been specially engaged for that purpose.

Arrangements have been already made with a distinguished corps of American contributors, and negociations are still in progress which will ultimately secure the best talent in the country. It is intended that the literary matter [illegible] shall be chiefly original [illegible]

priation from foreign sources, without acknowledgment, in the newspapers of the day, is a ready too frequent. Should any article be selected on account of its superior excellence, credit will be invariably given where it is due.

SATURDAY EVENING POST.

☞We would call the attention of those who desire a first class Family Newspaper to the above old established and well conducted Journal, and which at one time enjoyed a circulation in this section superior to any other city publication. The proprietors have made the most brilliant arrangements for 1860, and design opening the year with an historical Novelle entitled "THE CAVALIER" by the gifted author, G. JAMES, for which they pay $1,650! In addition to this feature they have secured THREE STORIES from MARY HEWITT, one of the most brilliant female writers in the country. Also, a NOVELETTE of much interest from the pen of T. S. ARTHUR. The interesting "*Letters from Paris*" will be continued. In addition to the names already mentioned as contributors to the "POST," there is also to be added to the list—*Grace Greenwood, Mrs. M. A. Denison, Miss Emma Alice Autton, Florence Percy, Miss Martha Russell*, and others.

While the Post thus presents Literary attractions of the very highest order, it does not neglect those departments that the Family circle, The Farmer, Merchant and Mechanic, equally requires.—It is published weekly at $2 in advance for a single copy, or clubs at

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read this and judge of their Virtues

FOR THE CURE OF
Headache, Sick Headache, Foul Stomach,

PITTSBURG, Pa., May

DR. J. C. AYER, Sir: I have been troubled the most headache my body can have by a dose of your pills. It seems to arise from a foul stomach they cleanse at once. If they will cure others me, the fact is worth knowing.

Yours with great respect, ED. W. PRE
Clerk of Steamer

Bilious Disorders and Liver Complaint.

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., 7 Feb., 1855

SIR: I have used your Pills in my general and I perceive ever since you made them, and cannot less say they are the best cathartic we employ. Their influence on the liver is quick and decided, consequently they are an admirable remedy for derangements of organs. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HAZELHAND, Lav. Co., Mich., Nov. 16, 18

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and wasting away for months. Was out to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1856.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. WRAGHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Prominent Clergyman of St. Louis, Mo. 4, 1856.

DR. AYER: Your Pills are the panacea of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also took your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawks, of the Methodist Epis. Church.

PLEASANT HILL, SAVANNAH, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, BATON ROUGE, La., 5 Dec. 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or Kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town and almost every hamlet of the American States its wonderful cures of pulmonary complaints have made it already known. Why, few are the families in any civilized country on this continent without some personal experience of its effects; and there are the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Pectoral saves more lives by the consumptions it prevents than those it cures. Keep it and cure your colds while they are curable, and neglect them until no human skill can master the fatal maladies that, fastened on the vitals, rule your life. All know the dreadful fatality of lung diseases, and as they know to the utterance of this remedy, we need not do more than to assure them it will make the best of them be. We spare no cost to render it the purest and most perfect possible, and they may rely on the [illegible] with our skill can furnish, for their cure.
