acture of his wine:

There is no wine equal to the blackberry wine, when properly made, either in flavor or for medicinal purposes, and all who can conveniently do so should manufacture enough for their own use every year, as it is invaluable in sickness as a tonic, and nothing is a better remedy for bowel disease. We therefore give the receipt for making it, and having tried it ourselves, we speak advisedly on the subject: *Measure* your berries and bruise them, to every gallon adding on a quart of boiling water. Let the mixture stand twenty-four hous, stirring occasionally; then strain off the liquid into a cask; to every gallon adding two pounds of sugar; cork tight and let stand till the following October, and you will have wine ready for use without further straining or boiling that will make lips smack that ... smacked under similar influsnce ...more. It may be improved, and, ... ps, will keep better by adding a s... quantity of pure French brandy.

A WEEKLY PAPER,
Devoted to literature, News, Romance, Science and Art,

John B. Williams, } Editors & Prop.
Charles H. Moore, }

PROSPECTUS.

It is a well known fact that the South is now almost entirely dependent on the North for its hebdomadal literature. It is to be seen whether the Southern States cannot support a literary journal of its own. The parties undertaking this new enterprise are determined to spare no effort or expense to produce a paper which shall effect this purpose, and deserve a share of the support of the reading public. Such a paper, it is hoped, will arouse the somewhat dormant literary condition of our city, develop the inactive talent, and offer at our own doors a vehicle for the expression of thought, interchange of ideas, and the imparting of new items of information.

The FAMILY JOURNAL will contain Original Stories, Sketches of Travel, Biographical Essays, a Summary of News, domestic and foreign, Reviews of Books, Dramatic and Musical Criticisms, reports of Popular Lectures and such general information as will make it a welcome guest in very family. The proprietors are determined that their journal shall be second to none in the variety, interest and value of its contents, in its literary excellence and high moral tone. Politics and Sectarianism will be most rigidly excluded.

Particular attention paid to "answers to correspondents," a talented gentleman having been specially engaged for that purpose.

Arrangements have been already made with a distinguished corps of American contributers, and negociations are still in progress which will ultimately secure the best talent in the country. It is intended that the literary matter in this journal shall be chiefly original, and the appropriation from foreign sources, without acknowledgment, in the newspapers of the day, is already too frequent. Should any article be selected on account of its superior excellence, credit will be invariably given where it is due.

Terms invariably in advance.

which I wish to sell for CASH, or its equivalent in TRADE, and I am determined to offer them at prices so low that all must be satisfied that I prefer *cash* to *merchandise*. If persons dealing in this market will but give me a call, and make a comparison of prices, I am sure, from my long experience in the business, and general knowledge of the wants of the people, I can sell them goods, and rare bargains at that.

My stock is now complete, embracing a variety suited to the season and commensurate with the wants of all classes of the community. All I ask is an examination of my stock and a comparison of prices.

SATURDAY EVENING POST.

☞We would call the attention of those who desire a first class Family Newspaper to the above old established and well conducted Journal, and which at one time enjoyed a circulation in this section superior to any other city publication. The proprietors have made the most brilliant arrangements for 1860, and design opening the year with an historical Novelle entitled "THE CAVALIER" by the gifted author, G. JANES, for which they pay $1,680! In addition to this feature they have secured TAREE STORIES from MARY HOWITT, one of the most brilliant female writers in the country. Also, a NOVELETTE of much interest from the pen of T. S. ARTHUR. The interesting "*Letters from Paris*" will be continued. In addition to the names already mentioned as contributors to the "POST," there is also to be added to the list—*Grace Greenwood, Mrs. M. A. Denison, Miss Emma Alice Ariwn, Florence Percy, Miss Martha Russell*, and others.

While the Post thus presents Literary attractions of the very highest order, it does hot neglect those departments that the Family circle. The Farmer, Merchant and Mechanic, equally requires.—It is published weekly at $2 in advance for a single copy, or clubs at

Four copies, $5,00; Eight $10; Thirteen, $15; Twenty $20,00. Postage 25cts. per annum.

AYER'S Cathartic Pills,
(SUGAR COATED,)
ARE MADE TO
CLEANSE THE BLOOD AND CURE THE SICK.
Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.
FOR THE CURE OF
Headache, Sick Headache, Foul Stomach.

PITTSBURGH, PA., May 1, 1855.

DR. J. C. AYER. SIR: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.
Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1854.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them.
Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while other friends paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.
GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.
JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Mo. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawles, of the Methodist Epis. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues, throughout every town, and almost every hamlet, in the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects: and few are the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unperceived. We have abundant grounds to believe the *Cherry Pectoral* saves more lives by the completions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the best agent which our skill can furnish for their cure.
