Senator Crittenden, of Kentuckey, has taken the stump for Bell and Everett, and is canvassing the State of North Carolina.

VIRGINIA DEMOCRATS GOING FOR BELL.—The last Rockingham. Va., Register contains a long communication from Charles Grattan, Esq., who we believe was one of the delegates of Rockingham in the Legislature from which we take the following significant extract:

"Now, sirs, our object is to beat the Republicans, and for one I am willing to see that done by Bell. Of course I should prefer a Democrat, but even supposing the worst phase the case can assume, we will have a Southern man infinitely preferable to Lincolon, and in all probability a Democrat. How is it to be authoritatively understood who that strong man is without a general consultation? It surely can do no harm, it is open to every element of good. I am decidedly opposed to that double ticket arrangement which has been spoken of. I sincerely believe it will lose us the State. Already I see many of the gray-headed fathers of the Democracy going off because they cannot remain in a house divided against itself, and against which the judgment of heaven has been pronounced."

ANOTHER PHENOMENON.—The weather has developed another phenomenon.—The accounts by our exchanges lead to the inference that on Saturday last an immense tornado swept over the land. It was felt at Braceville, near Cleveland, (where two women were killed.) at Louisville, Ky., at Onondaga valley, New Yory, and in the vicinity of Taunton, Mass. Whether other points were visited we do not know. Betwe n the comets the meteors and the tarnadoes, it appears as though the 'times were out of joint.'—We suggest to scientific men to inquire whether the course of the tornado of Saturday, was not exactly the same as that of the meteor of Friday, viz: from the South-west to the North-east.

'Benicia Boy' Challenged by a Southern Negro 'Boy.'—A well-known citizen of Albany, Georgia, has forwarded a challenge to Heenan, to fight a negro "boy" down there, for any sum between $1,000 and $10,000, in twelve months from date. Heenan has the proposition under consideration, but he will probably decline, on the ground that his antagonisis is a colored person. The said Albany boy stands six feet two inches high, weighs 192¼ pounds, and is 27 years of age.

THE PRESIDENTIAL RACE.—There is no longer any doubt about the relative position of parties in the pending Presidential election. What was, a little while ago, sneeringly denominated the "third party" by would be opponents of the Union movement, is now looming up grandly into the party of the highest magnitude. Democracy, rent by embittered factions, is left far behind, and the fact is now plainly apparent that the brunt of the battle lies between the Union party men and the Republicans—between Bell and Lincoln—the one the representative of nationality, and the other of sectionalism. The fighting factions of Democracy will consume each other, and every vote for either takes from Mr. Bell, and adds to the relative strength of Lincoln. The duty of all conservative men, of all sections, is now to rally to the standard of Bell and Everett

IPORTANT STATE ELECTION.—In the next two or three months various State elections come off, whose results will be significant, as indicting the strength of the parties and their bearing on the Presidential election in November. On the 2d of August, in North Carolina, an election for State officers will take place, and in Arkansas, Texas and Missouri elections will be held on the 6th of the same month for State officers and for members of Congres. In Vermont and Maine similar elections will be held in September; and in Florida, Mississippi, Indiana, Iowa, Ohio and Pennsylvania these contests will take place in October.

THE 'BENICIA BOY' ON HIS MUSCLE.—John C. Heenan. in company with his trainer, Jack McDonald, will give a sparring exhibition, in New York, on Monday evening. The Boy will then set out on a tour to New Orleans, via Philadelphia, Baltimore and Charleston, 'traveling on his muscle' all the way.

Heenan made considerable money while abroad, but 'spent it,' as he says. like a Major. All told, his earnings in England and Ireland amounted to nearly thirty-five thousand dollars. For four sparring exhibitions given in four towns in Ireland he received the portly sum of seven thousand five hundred dollars but it's all gone—'glided smothly away like the closing hours of a good man's life'—and now he wants more.

THE HAUNTED HOMESTEAD.

With the Autibiography of the Author.

BY MRS. EMMA D. E. N. SOUTHWORTH.

Author of 'The Lost Heiress,' 'Deserted Wife,' 'Missing Bride,' 'India,' 'Wife's Victory,' 'Retribution,' Curse of Clifton,' 'Viva,' 'The Three Beauties.' 'Lady of the Isle,' &c., &c.

Complete in one large duodecimo volume, neatly bound in cloth, for One Dollar and twenty-five cents, or in two volumes, paper cover, for one dollar.

THE Publishers take great pleasure in being able to present to the American public another new and charming work by the pouplar American Authoress, Mrs. Emma Southworth. She is excelled by no living female writer in the world.—Her style is free from insipidity on the one hand and bombast on the other; and though we meet with forcible we are never startled with inflated language. Her characters are rarely under, but never overdrawn. Her scenes are life pictures, her incidents founded on facts, and her sentiments are characterized by a singular purity both of conception and expression. She has the rare faculty of saying it in such a manner as that her meaning cannot be misinterpeted. In short, she possesses in an eminent degree those qualifications which are the peculiar prerogatives of a writer, while she delights the reader's imagination with her descriptive beauty, she applies home truths to their understanding with the force of rational conviction. The 'Haunted Homestead' has been pronounced by those who have read the proof-sheets, to be her best work. This is sufficient to commend it to perusal, and we anticipate for it a great popularity.—For sale by all Booksellers.

☞ Copies of either edition of the work, will be sent to any part of the United States, free of Postage, on remitting the price of the edition they may wish, to the publishers, in a letter.

AYER'S Cathartic Pills,

(SUGAR COATED,)

ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., May 1, 1858.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLE, *Clerk of Steamer Clarion.*

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D., *Physician of the Marine Hospital.*

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 14, 1858.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Imparity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1858.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORRIDOR.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT BLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness,** and **Partial Blindness,** have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and few are yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous disease of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the *Cherry Pectoral* saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung diseases, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.
