AYER'S

CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BENFIELD, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last five years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your *Pectoral* myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MISS., Feb. 7, 1856.

DOCTOR AYER: I will cheerfully certify your *Pectoral* is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTREBY, Ia., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral* by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, Pa., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE Co., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your *Cherry Pectoral* for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the *Cherry Pectoral* affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHELBY, or SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues. — *Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Pills contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—Costiveness, Bilious Complaints, Rheumatism, Dropsy, Flatulence, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain proceeding therefrom, Flatulency, Loss of Appetite, all Ulcerous Affections, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Diseased Affections, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best and there is for them, and they should have it.

Complete in one large duodecimo volume, neatly bound in cloth, for One Dollar and twenty-five cents, or in two volumes, paper cover, for one dollar.

THE Publishers take great pleasure in being able to present to the American public another new and charming work by the pouplar American Authoress, Mrs. Emma Southworth. She is excelled by no living female writer in the world.—Her style is free from insipidity on the one hand and bombast on the other; and though we meet with forcible we are never startled with inflated language. Her characters are rarely under, but never overdrawn. Her scenes are life pictures, her incidents founded on facts, and her sentiments are characterized by a singular purity both of conception and expression. She has the rare faculty of saying it in such a manner as that her meaning cannot be misinterpeted. In short, she possesses in an eminent degree those qualifications which are the peculiar prerogatives of a writer, while she delights the reader's imagination with her descriptive beauty, she applies home truths to their understanding with the force of rational conviction. The 'Haunted Homestead' has been pronounced by those who have read the proof-sheets, to be her best work. This is sufficient to commend it to perusal, and we anticipate for it a great popularity.—For sale by all Booksellers.

☞ Copies of either edition of the work, will be sent to any part of the United States, free of Postage, on remitting the price of the edition they may wish, to the publishers, in a letter.

A WEEKLY PAPER,

Devoted to Literature, News, **Romance,** Science and Art.

John B. Williams, } Editors & Prop.
Charles H. Moore, }

PROSPECTUS.

It is a well known fact that the South is now almost entirely dependent on the North for its hebdomadal literature. It is to be seen whether the Southern States cannot support a literary journal of its own. The parties undertaking this new enterprise are determined to spare no effort or expense to produce a paper which shall effect this purpose, and deserve a share of the support of the reading public. Such a paper, it is hoped, will arouse the somewhat dormant literary condition of our city, develop the inactive talent, and offer at our own doors a vehicle for the expression of thought, interchange of ideas, and the imparting of new tems of information.

The FAMILY JOURNAL will contain Original Stories, Sketches of Travel, Biographical Essays, a Summary of News, domestic and foreign, Reviews of Books, Dramatic and Musical Criticisms, reports of Popular Lectures and such genral information as will make it a welcome guest in very family. The proprietors are determined that their journal shall be second to none in the variety, interest and value of its contents, in its literary excellence and high moral tone. Politics and Sectarianism will be most rigidly excluded.

Particular attention paid to "answers to correspondents," a talented gentleman having been specially engaged for that purpose.

Arrangements have been already made with a distinguished corps of American contributors, and negociations are still in progress which will ultimately secure the best talent in the country. It is intended that the literary matter in this journal shall be chiefly original, and the appropriatiou from foreign sources, without ackdowledgmeut, in the newspapers of the day, is already too frequeut. Should any article be selected on account of its superior excellence, credit will be invariably given where it is due.
