Russell, Mrs. Rathburn, Mrs. M. F. Ames, Miss S. A. Browne, Miss E. Bogart, Miss Harriet M. Bunn and Miss R. S. Clarke.

The greatest destinguishing features of the "Newspaper," are Utility, Infoamation and Variety: an Agricultural Department, a Department of Science and Art, with a Little Space for Wit and Humor.

The story department is made up almost wholly of Original Stories, from the best authors that prompt and liberal payment can draw to its columns. No other family paper pays out more for original reading, and, as may be naturally supposed, no other paper publishes more or better story reading.

The Agricultural department each week, occupies some three of the long columns of the Newspaper, and is a most interesting feature of the paper, being wholly original, and comprising the usual variety for the Farmer and Land Owner, the Orchardist and Gardner, the Dairyman and Apiarian, the Grazier and Breeder, and for all who are interested in the Poultry Yard, Natural History, Rural Architecture, Agricultural Shows, new implements and plants, as well as for the housewife and the fireside, Science and the Mechanic Arts. Under this head may be weekly found a column devoted to Mechanical and Chemical Arts, Patents Inventions, Improvements in Machinery, Engineering, &c., the aim being to present all subjects discussed, in a plain and popular form. Original Letters, &c. From writers in the country we shall have weekly letters, descriptive of the resources, character and habits of the people in various sections of the Union. Letters from Washington of the political movements of parties, letters from New York, of the business doings of that great Commercial centre, will be continued, and in the midst of a great Presidential canvass, as the country is, these letters will have especial interest.

The News and Market Reports. In office machinery and other facilities for printing a cheap Family Paper the Dollar Newspaper is unequalled. With monster machines capable of printing 20,000 copies per hour, its columns can be held open for news to within a few hours of the date of publicatiod. It is thus enabled topublish the latest and most reliable market reports.

The Dollar Newspaper is made up with special reference to the Family Circle. It aims to interest, instruct and amuse. It is for the wayside, the workshop, and the fireside. It is for the schalar, the man of business and the man of leisure. Advertisements inserted at 25 cants a line per week, and as a medium for the sale of Real Estate, Stock, &., and for making known the various articles of Agricultural Machinery, where sold, &c., it is probably not surpassed by any other paper in the country.

AYER'S

CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

SCITUATE, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORLEY, Esq., of UTICA, N. Y., writes: "I used your *Pectoral* myself and in my family ever since you invented it, and believe it the best medicine for the purpose ever put out. With a bad cold I should prefer pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your *Pectoral* is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of our fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, IA., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral* by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your *Cherry Pectoral* for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many dangerous cases as this. Some of so human aid can avail, but even to those the *Cherry Pectoral* affords relief and comfort.

ASTON HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: It is a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been for months laboring under the dangerous symptoms of C[illegible] from which no aid we could procure gave her relief. She was steadily failing until Dr. Strong [illegible] where we have come for advice, recommended your [illegible] ar medicine. We bless [illegible] his kindness, as words [illegible] for she has recovered from that day. She [illegible] as strong as she used to be, but is free from [illegible] and calls herself well.

Yours with [illegible]
[illegible]ARD,
[illegible]LBY, of SHELBYVILLE.

[illegible] you have tried AYER'S CHERRY PECTORAL, one of the best medical [illegible] all around us bespeak the highest [illegible] *Philadelphia Ledger.*

A[illegible] Cathartic Pills.

THE [illegible]hemistry and Medicine have been [illegible] to produce this last, most perfect purgative [illegible] man. Innumerable proofs are shown that [illegible] virtues which surpass in excellence [illegible] and that they win unprecedented [illegible] all men. They are safe and [illegible] ful to cure. Their penetrating [illegible] and vital activities of the body, remove [illegible] ctions of its organs, purify the blood, and [illegible] They purge out the foul humors which breed [illegible] disease, stimulate sluggish or disordered [illegible] into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can sell you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

R[illegible] AYER'S Cathartic Pills,

(SUGAR COATED,)

ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. K. PRESLE,
Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., 7 Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the *liver* is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her by expelling large quantities of worms (dead) from her body. They afterwards cured her and one two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 5, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT E[illegible]

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness, and Partial Blindness,** have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and few yet the communities in which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the *Cherry Pectoral* saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the incurable canker that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best that can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their use.
