A PROCLAMATION

By the Governor Of Maryland.

MARYLAND, SS.—*To the People of the State.*

Peace, prosperity, and blessings without number to the State have crowned the year now drawing to its close.

While in other lands pestilence or scarcity have spread misery or want and war, even for right and liberty, has desolated homes; for us, the earth, with unaccustomed energy, has poured forth her abundance. Commerce and industry have revived; health and prosperity have dwelt amongus.

It is the bounded duty of a Christian people to acknowledge these blessings by some public act of gratitude.

It is very right that in a Christian State, some day should be designated to that end by the civil authority.

In conformity, therefore, with the usage established by my predecessors in office, sanctioned by the acquiescence and approval of the people, I, Thomas Holliday Hicks, Governor of Maryland, do, by this, my Proclamation, designate and appoint THURSDAY, the 29th day of November, instant, to be observed throught this State as a Holyday of Thanksgiving and Prayer.

And I cordially invite all good people of this State then to lay aside sheir customary business, and wordly vocations; and unite, in their respective places of Worship, or at their homes, on that day, with the people of other states, in public and private acts of Devotion and gratitude to Almighty God.

I invite them also, in offering to Him thanksgiving for favors past and present, that they earnestly implore His protection and blessing for time to come.

That He will continue to us the fruits of the earth; and make sure the reward of labor:

That he will grant us health, prosperity and peace.

That dissension and strife may depart from among us; that concord and love of country may prevail:

That those in authority may have his guidance; so disposing the hearts of the people, and ordering the State, that the happiness and peace, the power and abundance, with all the unnumbered blessings, which, through this Union, the God of our fathers gave to them, and to us, may suffer no diminunition, through our follies of the crimes; but, safeguarded through His favor, descend to our children's children.

THOMAS H. HICKS.

SEAL

Given under my hand and the Great Seal of Maryland, hereunto affixed, at the Executive Chamber, in the City of Annapolis, this seventh day of November, in the year of Our Lord, one thousand eight hundred and sixty, and to the Union and Independance of the United States, the eighty-fifth.

By the Governor. JAMES R. PARTRIDGE,
Nov. 20-tdt. Secretary of State.

THE

Dollar Newspaper

PHILADELPHIA.

THE only Family Paper afforded to subscribers at

One Dollar Per year!

An Original Novelet or Maral Story, in every paper during the entire year, from such authors as: P. Hamilton Myers, J. S. Browne, J. A. Wright, Joseph Anthony, Sandy Harris, Dr. W. M. Turner, L. R. Peet, L. A. Crandall, Arthur Brittany, C. W. Alexander, Jos. S. Crow, E. S. Ellis, E. T. George, A. L. Otis, Miss Caroline Chesebro, Mrs. M. A. Edwards, Miss S. J. C. Russell, Mrs. Rathburn, Mrs. M. F. Ames, Miss S. A. Browne, Miss E. Bogart, Miss Harriet M. Buam and Miss R. S. Clarke.

The greatest destinguishing features of the "Newspaper," are Utility, Infoamation and Variety; an Agricultural Department, a Department of Science and Art, with a Little Space for Wit and Humor.

The story department is made up almost wholly of Original Stories, from the best authors that prompt and liberal payment can draw to its columns. No other family paper pays out more for original reading, and, as may be naturally supposed, no other paper publishes more or better story reading.

The Agricultural department each week, occupies some three of the long columns of the Newspaper, and is a most interesting feature of the paper, being wholly original, and comprising the usual variety for the Farmer and Land Owner, the Orchardist and Gardner, the Dairyman and Apiarian, the Grazier and Breeder, and for all who are interested in the Poultry Yard, Natural History, Rural Architecture, Agricultural Shows, new implements and plants, as well as for the housewife and the fireside, Science and the Mechanic Arts. Under this head may be weekly found a column devoted to Mechanical and Chemical Arts, Patents Inventions, Improvements in Machinery, Engineering, &c., the aim being to present all subjects discussed, in a plain and popular form. Original Letters, &c. From writers in the country we shall have weekly letters, descriptive of the resources, character and habits of the people in various sections of the Union. Letters from Washington of the political movements of parties, letters from New York, of the business doings of that great Commercial centre, will be continued, and in the midst of a great Presidential canvass, as the country is, these letters will have especial interest.

The News and Market Reports. In office machinery and other facilities for printing a cheap Family Paper the Dollar Newspaper is unequalled. With monster machines capable of printing 20,000 copies per hour, its columns can be held open for news to within a few hours of the date of publication. It is thus enabled topublish the latest and most reliable market reports.

THE TERMS

ARE INVARIABLY IN ADVANCE as follows:

To single subscribers one year,	$1
Club of six,	$5
Club of thirteen,	$10
Club of twenty, and one to the getter up of the Club,	$15
Club of fifty-four,	A40

No subscription for less than one year will be received. The Newspaper is alwaya discontinued at the expiration of the time it is paid. The Dollar Newspaper is made up with special reference to the Family Circle. It aims to interest, instruct and amuse. It is for the wayside, the workshop, and the fireside. It is for the scholar, the man of business and the man of leisure. Advertisements inserted at 25 cents a line per week, and as a medium for the sale of Real Estate, Stock, &., and for making known the various articles of Agricultural Machinery, where sold, &c., it is probably not surpassed by any other paper in the country.
