Opposition to the Civil Rights Bill in Maryland.

The present Legislature of Maryland are determined to show their contempt for some of the laws of Congress in every possible manner. The following specimen of their legislation in relation to the Civil Rights bill we commend to the attention of our readers. This bill has passed the Senate, and will undoubtedly pass the House:

Whereas, There is difference of opinion in regard to the constitutionality of the Civil Rights bill, enacted by the Congress of the United States; and whereas, no Judge or Magistrate is allowed to exercise free judgment on many points in said act which he might think involved a violation of the Constitution of the United States, but in all cases is constrained to render his decision in accordance with its strict letter by the penalty of a heavy fine or imprisonment, or by both; and whereas, the rights of parties may thus be wrongfully and most unjustly prejudiced; and whereas, the very foundations of civil liberty and free institutions are shaken by the restraints which are thus placed upon the independence of the Bench; and whereas, it is the duty of the Legislature to use all lawful and proper means in their control to preserve the integrity, independence and purity of the Judiciary; and whereas, to afford our Judges and Magistrates relief for counsel fees, monetary penalties and costs they have already or may incur in consequence of decisions rendered, in the free exercise of their judgments, in obedience to the laws of this State, which are supposed to be in conflict with the provisions of the aforesaid Civil Rights bill, or other act of Congress, does become our clear and imperative duty; therefore,

Section 1. *Be it enacted by the General Assembly of Maryland*, That whenever a Judge or other civil Magistrate of this State shall be put to the charge of counsel fees, and shall incur any pecuniary penalty or costs under the action of any legal tribunal, either State or Federal, by reason of any decision he has already or may render, in the free and best exercise of his judgment, on questions which, in the discharge of his duty, arise under the laws of this State, which are supposed to be in conflict with the provisions of the aforesaid Civil Rights bill, or other act of Congress of the United States, he shall have a fair and just claim against the State for the amount of such counsel fees, penalty and costs.

Section 2. *And be it enacted*, That on the presentation of such claim to the Comptroller of the Treasury by either the party aggrieved or by his authorized attorney, with the proper attestations from the clerk or clerks of the court or courts in which such penalty has been imposed and such costs incurred, he (the Comptroller) is hereby empowered and directed to issue his warrant to the Treasurer to pay the same.

Section 3. *And be it enacted*, That the sum of five thousand dollars, or so much thereof as may be necessary, be appropriated to meet and satisfy the claims provided for in the preceding sections of this act.

Section 4. *And be it enacted*, That this act shall take effect from and after the day of its passage.

THE VIRGINIA CONVENTION BILL.—The bill calling for a convention to reorganize under the Military bill, which passed the Virginia Senate received a vote of 18 to 8—seven Senators being absent. It provides that the election of delegates shall be held on the first Thursday in May, and the convention shall meet in Richmond on the third Monday in May, "to form a Constitution of Government in conformity with said act of Congress." All persons are to vote for delegates who are qualified to vote by the act of Congress. Gov. Pierpont is empowered to appoint three persons in each county, who shall select commissioners to conduct the voting. The number of delegates to be the same as is allowed to the present House of Delegates. The bill also provides that

Every commissioner, conductor and writer appointed to conduct the election under this act shall, before entering on the discharge of his duties, take an oath to the following: "I do solemnly swear that in the election about to be held I will faithfully and impartially discharge the duties appertaining to my office, according to law, so help me God;" which oath may be administered by any person authorized by law to administer oaths, and in the absence of such person, may be administered by the officers aforesaid to each other; and no person shall act as such officer under this act unless he is qualified to vote for delegates to said Convention under said act of Congress. The Constitution formed by said Convention shall be submitted for ratification and approval, as provided by the act of Congress aforesaid.

The fourth section provides:

The said election shall in all respects be conducted in the mode now prescribed by law, and the officers conducting the same shall be vested with the powers to perform the duties, receive the compensation, and be liable to the penalties prescribed by law for general elections, except as herein provided.

POINTED IF NOT POLITE.—Somebody has sent the New York *Herald* the following letter:

PHILADELPHIA, March 9, '67.

J. G. Bennett, Esq.:

Dear Sir—You require every once and awhile somebody to talk plainly to you, and in this connection I am constrained to say that you made a d—d fool of yourself by proposing in to-day's *Herald* to run Generals Grant and Lee on the same ticket for the Presidency and Vice Presidency in 1868 This would be an insult to the loyal people North and South, and will never be tolerated, to connect a traitor with a loyal man

COMPLETE returns from the New Hampshire election give the Republican candidate for Governor, over 3.000 majority. The entire congressional representation in that State are Republicans, elected by handsome majorities. The Legislature is strongly Republican, having a majority of 80 in the House, and a clear majority in the Senate and Council.

MORE SNOW.—A snow storm prevailed here throughout Saturday and a part of Sunday morning, covering the earth with six inches of snow. It is the deepest snow we have had this year, and the prospect bids fair for it to remain with us several days yet.

THE $13.000 APPROPRIATION.—The bill transferring the appropriation of the Choptank and Mispillion Railroad to the Dorchester county Railroad Company has passed the House.

ASTROLOGY.

The World Astonished

AT THE WONDERFUL REVELATIONS

MADE BY THE GREAT ASTOLOGIST,

Madame H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophies, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the conflagration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, $1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likenesses enclosed, sent by mail on receipt of price mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair.

REPARATOR CAPILLI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, post-paid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given.
