ASTROLOGY.

The World Astonished

AT THE WONDERFUL REVELATIONS

MADE BY THE GREAT ASTOLOGIST,

Madame H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophies, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the condlagration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, $1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likenesses enclosed, sent by mail on receipt of price mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair.

Address, MADAME H. A. PERRIGO,

Reparator Capilli.

Throw away your false frizzes, your switches. your wig—
Destructive of comfort, and not worth a fig;
Come aged, come youthful, come ugly and fair,
And rejoice in your own luxuriant hair.

REPARATOR CAPILLI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, post-paid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. Mears' Wonderful Ague Pills

are unrivalled for the cure of **Chills and Fever.** Hundreds of persons who have been afflicted with this distressing complaint for months, after trying Quinine in vain, have been speedily cured by them.

They are warranted not to contain a particle of Quinine, Arsenic, or any other deleterious drug; on the contrary, they are a most excellent tonic and alterative, promoting the appetite, and renovating and strengthening the system. For a torpid liver, or any bilious derangement, they will be found an excellent remedy—gently stimulating the liver to an increased action—thus removing the most troublesome source of this distressing disease.

Those living in districts where Chills and Fever prevail *should never be without these Pills;* and on the *first appearance* of the symptoms, should take a few, and thus ward off an attack.

They may be taken by old or young, and at any time, without the slightest regard to diet or exposure.

BRISTOL, August 1st, 1866.

This is to certify, that I am acquainted with the formula of Mear's celebrated Fever and Ague Pills, and I have used the same very extensively in my practice, and have never known them to fail when used according to directions; on the contrary, I have succeeded with them, in many instances, after trying Quinine in vain.

NEWPORTVILLE, Aug. 1st, 1866.

This is to certify that I am acquainted with the formula of Mear's Fever and Ague Pills, and have no hesitation in pronouncing them a perfectly reliable and sure cure for all forms of this distressing disease, if taken according to directions. RICHARD DINGEE, M. D.
