AN ACT to add a new Article to the Code of Public General Laws, to be entitled, Public Roads in Caroline county and Talbot county.

Section 1. *Be it enacted by the General Assembly of Maryland*, That the County Commissioners of Caroline and Talbot counties, shall have power to subdivide each or any of the Election Districts of said county into Road Districts, and to appoint a Supervisor for each of the said Road Districts.

Sec. 2. *And be it enacted*, That able-bodied residents of either of the said Counties, between twenty-one and fifty years of age, who do not reside within the limits of an incorporated town, shall be compelled to labor two days in every year on the Public Roads in the Road District in which they reside, and the Road Supervisors, whenever the public roads shall need repairs, shall summon all such persons in his district, or such number of them as he may deem necessary to make such repairs by giving at least two days notice of the time and place of meeting, and what tools they must furnish, *provided*, that no person shall be compelled to labor more than four miles from his place of residence.

Sec. 3 *And be it enacted*, That if any person from whom such labor on the roads may be required under the provisions of the preceeding sections, shall make it satisfactorily appear to the County Commissioners of the county, that he is physically unable to perform the said labor, and is not able to pay the fine hereinafter provided, it shall be the duty of the said Commissioners to exempt such person from the performance of the said labor.

Sec. 4. *And be it enacted*, That the Road Supervisors may make such commutation of labor for teams and carts or wagons as he may deem proper, and the said County Commissioners are hereby authorized to fix and establish the amount to be allowed to the owner per day, for the use of such teams, carts or wagons.

Sec. 6. *And be it enacted*, That any person failing to obey such summons made as aforesaid, and refusing upon demand made as aforesaid to pay to said Supervisor the sum of one dollar and fifty cents, shall upon the complaint of the said Supervisor be liable to be arrested and brought before some Justice of the Peace of Caroline or Talbot county, upon a warrant issued by the said Justice in the name of the State, therefor, and shall upon proof of such summons and failure to obey the same, and refusal to pay said sum of one dollar and fifty cents, render judgment against the party so refusing as aforesaid, for the said sum of one dollar and fifty cents, and all the costs that may accrue in prosecuting the said warrant including the attendance of witnesses for the State, and the said Justice of the Peace is hereby authorized to enforce the collection of the same manner as small debts, and are now collected by law in this State.

Sec. 7. *And be it enacted*, That the County Commissioners of said counties shall require each and every Supervisor appointed by them to give bond to the State of Maryland, to be approved by them, in such penalty as they may deem proper conditioned for the faithful performance by said Supervisors of the duties required of them, which said bond may be put in suit for the benefit of any person suffering by the neglect of the said Supervisor in keeping the roads in his District in proper order; and the said County Commissioners shall have the power to fix the price to be paid for laborers on said roads, and to authorize the said Supervisor to hire such number of laborers as they may deem necessary, and the said County Commissioners shall pay the said Supervisors such salaries or per-diem as they may think just and reasonable.

ASTROLOGY.

The World Astonished

AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTOLOGIST,

Madame H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the conflagration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, $1 Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likenesses enclosed, sent by mail on receipt of price mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair.

Address, MADAME H. A. PERRIGO,

Reparator Capilli.

Throw away your false frizzes, your switches, your wig—
Destructive of comfort, and not worth a fig;
Come aged, come youthful, come ugly and fair,
And rejoice in your own luxuriant hair.

REPARATOR CAPILLI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distingnish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, post-paid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. ACUE PILLS

NEVER FAIL!

Mears' Wonderful Ague Pills

are unrivalled for the cure of **Chills and Fever.** Hundreds of persons who have been afflicted with this distressing complaint for months, after trying Quinine in vain, have been speedily cured by them.

They are warranted not to contain a particle of Quinine, Arsenic, or any other deleterious drug; on the contrary, they are a most excellent tonic and alterative, promoting the appetite, and renovating and strengthening the system. For a torpid liver, or any bilious derangement, they will be found an excellent remedy—gently stimulating the liver to an increased action—thus removing the most troublesome source of this distressing disease.

Those living in districts where Chills and Fever prevail *should never be without these Pills;* and on the *first appearance* of the symptoms, should take a few, and thus ward off an attack.

They may be taken by old or young, and at any time, without the slightest regard to diet or exposure.

BRISTOL, August 1st, 1866.

This is to certify, that I am acquainted with the formula of Mear's celebrated Fever and Ague Pills, and I have used the same very extensively in my practice, and have never known them to fail when used according to directions; on the contrary, I have succeeded with them, in many instances, after trying Quinine in vain.
