Local Intelligence.

The Orphans Court of Caroline county will sit on Tuesday, July 16th, 1867.

CLOSED.—The seventh volume of this paper will be closed with the present issue.

CAMP MEETING.—A camp meeting for Denton M. E. Circuit will be held at Concord, commencing on Saturday, August 19th, 1867.

W. H. C.—Your enigmas have been received, but as we are unable to ascertain who the author is from the signature we must decline to publish them until you send us your full name.

HORSE RECOVERED.—The friends of Mr. William Sorden will be gratified to learn that he has recovered the horse stolen from him several weeks since. It was found in the pasture of a colored man near Kenton, Del., having been turned into it by the thief

FAIR AND FESTIVAL.—A fair and festival, for the benefit of Pippin's M. E. Church, will be held in the grove at Castle Halt schoolhouse, in the 1st district, on the 17th and 18th of the present month. A train of cars will convey passengers from Greensborough, and other places on the Md. &. Del. Rail Road.

ENROLLING OFFICERS.—We have heretofore mentioned the appointment of Jas. I. Ledham as enrolling officer for this district under the militia law of the State. For the other districts the following are Governor Swann's appointees: First District, James R. Phillips; Third District, Caleb Eaton; Fourth District. John Lockerman

GOOD, BETTER, BEST.—We have received the third or July number of the Maryland Educational Journal, replete with original articles of interest and utility. By E. S. Zevely, Baltimore. $1.50. As this is the only publication of the kind in the State it should have a generous support. Pledged to no party or system, but to improvement.

SAVE YOUR DOCTOR'S BILLS.—When Dr Wistar's Balsam of Wild Cherry will cure coughs, colds, bleeding at the lungs, and arrest the fell destroyer, Consumption, it does more than most physicians can do. The use of a single bottle, costing one dollar, will satisfy the incredulous that they need look no further for the required aid.

HARVEST.—For a week past our town has been apparently almost deserted — The farmers are all busy in their harvest fields, taking advantage of the spell of fine weather that has followed the storms of week before last. We understand the wheat crop is but little damaged, except the early varieties, and the yield will equal that of any preceding years. This, we have no doubt, is quite encouraging to our farmers, as last year's crop was unusually fatal to them.

THE FOURTH IN DENTON.—There was no observance of the fourth in this town. All the stores were open throughout the day, and business generally was carried on as at all other times. At Chinquepin Ridge school house, about four miles from town, an exhibition was given, and the day passed quite pleasantly. Addresses were made in the forenoon by John D. Kemp and J. W. Bryant, Esqs., and in the afternoon the exhibition proper came off. It was, we learn, quite creditable In the evening, the steamer Champion made an excursion from this place to Cambridge. Several of our citizens took passage and returned well pleased with their trip.

COURT.—The July term of the Circuit Court for Caroline county was held at Denton on Monday, 8th inst. The following criminal cases were tried before the Court:

State *vs.* Alpheus Adams for having committed an assault upon the body of Joseph Clark, negro. Submission. Acquitted.

State *vs.* Henry Wood, for having committed an assault on the body of William Wood. Submission. Guilty and fined $5.00 and costs.

Of civil suits, Daniel Adams and Emeline Adams, parents and next friends of Peter Sipple Adams, colored, *vs.* Thomas Stack. Petition for writ of *habeas corpus*. Case argued but opinion not given.

CHANGE OF HOURS.—There has been another important change in the time-table of the Delaware Railroad. The express train now leaves Crisfield for Philadelphia at 6, P. M., and Harrington at 9. P. M. It does not stop at Felton or Camden. The through accommodation train leaves Crisfield at 8, A. M., and Harrington at 12.30, P. M. The morning accommodation train now leaves Milford at 6 40, A. M., instead of Dover as heretofore. Going South the only changes are in the express train leaving Philadelphia at 11, P. M., instead of 3 30, P. M., and the continuance of the 4 50, P. M., accommodation train to Milford. Passengers connecting with this road at Clayton by the Maryland and Delaware Railroad, will leave Greensborough as heretofore. The time table, as corrected will appear next week.

Peruvian Syrup.

A protected solution of the protoxide of iron supplies the blood with its life element, iron, giving strength, vigor and new life to the whole system.

If the thousands who are suffering from Dyspepsia, Debility, Female Weaknesses, &c., would but test the virtues of the PERUVIAN SYRUP, the effect would not only astonish themselves but would please all their friends; for instead of feeling cross, "all gone" and miserable, they would be cheerful, vigorous & active.

A DISTINGUISHED JURIST WRITES TO A FRIEND AS FOLLOWS:

I have tried the Peruvian Syrup, and the result fully sustains your prediction It has made a new man of me; infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years.

Thousands have been changed by the use of this remedy from weak, sickly, suffering creatures, to strong, healthy and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

The genuine has "Peruvian Syrup" blown in the glass. A 32 page pamphlet will be sent free. J. P. DINSMORE, Proprietor, No 36 Dey St., New York.

CONSUMPTION CURABLE BY DOCTOR SCHENCK'S MEDICINES.

TO CURE CONSUMPTION, the system must be prepared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleansed and an appetite created for good wholesome food, which, by these medicines, will be digested properly, and good healthy blood made; thus building up the constitution. SCHENCK'S MANDRAKE PILLS cleanse the stomach of all bilious or mucous accumulations; and, by using the Sea Weed Tonic in connection, the appetite is restored

SCHENCK'S PULMONIC SYRUP is nutricious as well as medicinal, and, by using the three remedies, all impurities are expelled from the system, and good, wholesome blood made, which will repel all disease. If patients will take these medicines according to directions, Consumption very frequently in its last stage yields readily to their action. Take the pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not costive they are not required, for sometimes in diarrhœa they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonic Syrup to act on the respiratory organs properly and allay any irritation Then all that is required to perform a permanent cure is, to prevent taking cold. Exercise about the rooms as much as possible, eat all the richest food—fat meat, game, and, in fact, anything the appetite craves; but be particular and masticate well. [2nd w. ea. mo.

SPECIAL NOTICE COLUMN.

A YOUNG LADY returning to her country home, after a sojourn of a few months in the City, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CIRCASSIAN BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion By its direct action on the cuticle it draws from it all impurities, kindly healing the same, and leaving the surface as nature intended it should be, clear, soft, smooth and beautiful.
