Local Intelligence.

The Orphans Court of Caroline county will sit on Tuesday, July 23rd. 1867.

NEW TYPE.—We have this week received from New York a large and beautiful assortment of display type, and are now prepared to print cards, circulars, bill-heads, programmes, blanks, etc., at short notice and on the vey best of terms. Give us a call.

MD. & DEL RAIL ROAD.—An extra force of laborers has lately been put at work upon this road and the work is going on finely. It is thought that the road will be in such condition as to allow the passage of cars over it as far as Ridgely in about fifteen days.

J. W. HORNER, of Parkersburg, West Va., says that Dr. H. Ander's Iodine Water cured him of Scrofula. He had 37 running ulcers when he commenced taking the medicine. Persons afflicted should make a note of this, and send to J. P. Dinsmore, 36 Dey Street, New York, for a circular containing this remarkable remedy

ORPHANS' COURT ITEMS.—In the Orphan's court on Tuesday last, the last will and testament of Moses Coker, colored, deceased, was admitted to probate, and letters testamentary granted to Andrew B. Roe.

David E Sawyer was appointed guardian to Estella Simpson.

Also, letters of administration were granted to Wm J. Layton on the estate of Zebulon Layton, deceased.

AN OLD MAN GONE.—Moses Coker, an old colored citizen of this county, died at his residence in the 1st District, last week, aged 103 years. He was respected by our white citizens who knew him as a man of truth, promptness and punctuality in all his dealings. He had acquired considerable property, owning at the time of his death some three or four farms.—His estate is estimated at about $15.000 which he leaves to his children and grandchildren

A VOLUNTEER COMPANY.—A large number of Democrats met in the Court House in this town on Saturday last for the purpose of organizing a volunteer company in compliance with the militia law of the State. Thomas H Kemp was elected captain, and T. W. Fisher and Wm. H. Stafford lieutenants. The other officers we have not learned. We understand that some of the "old fossils" came away very much crest-fallen at not getting an office. Oh! the offices

EXCURSION.—The schooner Caroline, Capt. Constantine Brown, which has just been painted and put in fine sailing condition, left her wharf at Denton Bridge, on Tuesday last, with a party of excursionists on board, bound for a pleasant trip down the Choptank. And in this they were not disappointed. Leaving Denton Bridge at about 7 o'clock, A M, they proceeded down the river till about three miles below Potter's Landing when they turned their faces homeward, nothing happening to mar the hilarity of the occasion All were pleased with the picturesque scenery that lines the shores of the meandering Choptank. They reached home a little before night but with evidences that they had been exposed to the scorching rays of a July sun. A few days within doors and a little of the preparations that "make people purty" will, however, enable the less fortunate ones to appear as fresh and fair as ever.

COLORED PEOPLE'S PICNIC —Our farmers being very busy in their harvest fields on the 4th of July, and the colored people not having an opportunity to celebrate that day, as they intended, they held a picnic in the pine grove at Saulsbury's Branch on Thursday last. They formed in procession at their church at about 11 o'clock in the morning, and, after parading through the principal streets of the town, proceeded to the place designated for holding the picnic. In the afternoon, in accordance with invitation, John D. Kemp and David Blocksom, Esqs., and Rev. R. W. Todd, addressed the colored people from a stand that had been erected for the purpose, concerning their moral and religious well-being. The remarks of each of the speakers were attentively listened to by the colored people present, and they evinced a determination to act in accordance with the instruction given It was the most orderly gathering of people we have ever seen, and the good behavior of the colored people on this occasion was spoken of in the highest terms by all the white people present.

We learn that Messrs Blocksom and Kemp also made short speeches to the colored people at another picnic that was held in the neighborhood of Greensboro' on Saturday last. Good order likewise prevailed on this occasion.

Wonder what the *Journal* thinks of these picnics, and the speeches made.

Camp Meeting Notice.

By Divine permission, there will be a camp meeting at Concord, to commence Saturday, August 17th.

The following is a committee to let out the pound and breadstand: T. Nuttle, A Y. Collins and R. H. Lockerman.

The committee on boarding tents are Wm. Stevens and William Andrew.

There will be a meeting on the ground on the 10th of August to clear up the ground and put down the seats. Come early in the morning.

JOHN HOUGH, Pastor.
Wm. Stevens, Secretary [2t]

HOW ARE YOU, TOWN COMMISSIONERS?—Our citizens are all aware that we have a board of Town Commissioners, and that it is a lazy one, too; so lazy that nothing has been done by them since they have been in office. In view of this fact, and the sad condition of our streets and the hill at the West end of town the County Commissioners were induced, on Tuesday last, to levy a tax of fifty dollars on the citizens of the county to repair said hill and streets. We think this is quite cool, and may, *perhaps*, arouse our lethargic Town Commissioners to a sense of their duty. The idea of having a board of duly qualified town officers and they remaining so inactive as to require the county authorities to take cognizance of the interests of Denton! This speaks well for the Town Commissioners Aren't you ashamed of yourselves?

THE WHEAT CROPS.—Our farmers are now busy threshing their wheat crops —Contrary to their expectations, this crop falls short of an average one. The largest yield we have yet heard of was that of one of our farmers who realized about twelve bushels for each bushel seeded.—The most of the crops are turning out about eight for one, but we have heard of several instances where the yield has only been five and six to one. The grain, however, is pretty fair and but little defective. This crop in some of the neighboring counties is much worse than in our own, and in some few instances, we learn, was left unharvested in the fields, the grain being so faulty as not to be considered of any value whatever. The growth of straw is unusually heavy, on good, strong lands, and it was this, no doubt, which led our farmers to antisipate a heavy yield. But the heavy and continued rains during the spring and early summer have blasted the prospects of the farmers and shortened the crop. It is believed by our best informed wheat-growers that in this county the yield will be about two-thirds of a crop.

DR. SCHENCK'S PULMONIC SYRUP.

This great medicine cured Dr. J. H. Schenck the proprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable His physician pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery, he has devoted his attention exclusively to the cure of Consumption, and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. Schenck makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few month healthy, robust persons. Dr. SCHENCK'S PULMONIC SYRUP, SEAWEED TONIC, and MANDRAKE PILLS are generally all required in curing Consumption. Full directions accompany each, so that any one can take them without seeing Dr. Schenck, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollors.

Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of Consumption, and the other as he now is, in perfect health—are on the Government stamp.

Sold by all Druggists and Dealers. Price $1.50 per bottle, or $7.50 the half dozen. Letters for advice should always be directed to Dr. Schenck's Principal Office, No. 15 North 6th Street, Philadelphia, Pa.

☞A YOUNG LADY returning to her country home, after a sojourn of a few months in the City, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CIRCASSIAN BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion By its direct action on the cuticle it draws from it all impurities, kindly healing the same, and leaving the surface as nature intended it should be, clear, soft, smooth and beautiful.
