GROVER & BAKER'S
Family Sewing Machines.

THESE Machines are superior to all others for family use, for the following reasons:

They sew with two threads direct from the spools, and require no rewinding.

They are more easily understood and used, and less liable to derangement, than any other machines

They are capable of executing perfectly, without change of adjustment, a much greater variety of work than other machines.

The stitch made by these machines is much more firm, elastic, and durable, especially upon articles that require to be washed and ironed, than any other stitch.

This stitch, owing to the manner in which the under thread is inwrought, is much the most plump and beautiful in use, and retains this plumpness and beauty, even upon articles frequently washed and ironed, until they are worn out.

The structure of the seam is such, that, tho' it be cut or broken at intervals of only a few stitches, it will neither open, run nor ravel, but remains firm and durable.

Unlike other machines, these fasten both ends of the seam by their own operation.

With these machines, while silk is used upon the right or face side of the seam, cotton may be used upon the other side, without lessening the strength or durability of the seam. This can be done on no other machine, and is a great saving upon all articles stitched or made up with silk.

These machines, in addition to their superior merits as instruments for sewing, execute the most beautiful and permanent embroidery and ornamental work.

The above points of superiority are fully established by the sworn testimony in the recent case before the United States Patent Office, and by letters from all parts of the country.

☞ REV. B. F. BENSON, agent in Denton, will furnish the above machines at Baltimore prices, and will teach those who buy of him to operate them, gratis.

LETTER FROM MRS. T. H. KEMP.

To Rev. B. F. Benson:—

After having fully tested the Grover & Baker Sewing Machine, purchased through your agency, I take pleasure in saying I am delighted with it. My sewing is now an amusement, rather than labor. The work it required me a week to do by hand, I now accomplish in two days with *my machine. I am decidedly pleased with the* beauty, elasticity, and durability of the stitch, as well as the convenience with which the machine may be adjusted to all kinds of family sewings. With the aid of two lessons from you, I learned to use the machine. My experience, and my judgment, incline me to say, you will confer a great favor on any family to whom you may sell. I never was better satisfied with the use of the same amount of money.

Yours truly,

ap11-6m S. E. KEMP.

ASTROLOGY.

The World Astonished

AT THE WONDERFUL REVELATIONS

MADE BY THE GREAT ASTOLOGIST,

Madame H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophies, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the conflagration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favoral le an opportunity. Consultation fee, with likeness and all desired information, $1 Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likenesses enclosed, sent by mail on receipt of price mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair.

Reparator Capilli.

Throw away your false frizzes, your switches, your wig—
Destructive of comfort, and not worth a fig;
Come aged, come youthful, come ugly and fair,
And rejoice in your own luxuriant hair.

REPARATOR CAPILLI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, post-paid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. Mears' Infallible

(SUGAR-COATED)

AGUE PILLS

NEVER FAIL!

Mears' Wonderful Ague Pills

are unrivalled for the cure of Chills and Fever. Hundreds of persons who have been afflicted with this distressing complaint for months, after trying Quinine in vain, have been speedily cured by them.

They are warranted not to contain a particle of Quinine, Arsenic, or any other deleterious drug; on the contrary, they are a most excellent tonic and alterative, promoting the appetite, and renovating and strengthening the system. For a torpid liver, or any bilious derangement, they will be found an excellent remedy—gently stimulating the liver to an increased action—thus removing the most troublesome source of this distressing disease.

Those living in districts where Chills and Fever prevail *should never be without these Pills;* and on the *first appearance* of the symptoms, should take a few, and thus ward off an attack.

They may be taken by old or young, and at any time, without the slightest regard to diet or exposure.

BRISTOL, August 1st, 1866.

This is to certify, that I am acquainted with the formula of Mear's celebrated Fever and Ague Pills, and I have used the same very extensively in my practice, and have never known them to fail when used according to directions; on the contrary, I have succeeded with them, in many instances, after trying Quinine in vain.

E. J. GROOM, M. D.

NEWPORTVILLE, Aug. 1st, 1866.

This is to certify that I am acquainted with the formula of Mear's Fever and Ague Pills, and have no hesitation in pronouncing them a perfectly reliable and sure cure for all forms of this distressing disease, if taken according to directions. RICHARD DINGEE, M. D.
