Local Intelligence.

The Orphans Court of Caroline county will sit on Tuesday, Sept. 10th, 1867.

MANY of our farmers are now busily engaged in their fodder saving.

J. W. MACBETH, who, year before last, was principal of Denton Academy, is engaged in Chestertown for the present year.

THE BALTO. CO. UNION.—This paper came to us this week in an enlarged form and improved appearance. We are glad to notice this thrift in the *Union*, especially as it is one of the leading Republican papers of this State.

THE COMMON SENSE.—We have received the first number of this paper, just started at Ellicott's City, Md. It is Republican in politics, and evinces an editorial ability equal to that of any paper published in this State. We welcome it to our exchange list.

THE schools in this town were opened on Monday morning last. Mr. Conner, from Baltimore, has charge of the lower, and Miss McCullough of the upper. All the schools in the county have, we learn, resumed operations, and are provided with able and efficient teachers.

THE MARYLAND FARMER.—The September number of this agricultural journal has reached us. It is, as usual, well filled with many useful and instructive articles relative to the culture of our lands. Published in Baltimore by Worthington & Lewis at $2 per annum.

THE QUESTION SETTLED.—Those eminent men, Dr. James Clark, Physician to Queen Victoria, and Dr. Hughes Bennett, say that consumption can be cured. Dr. Wistar knew this when he discovered his now widely known Balsam of Wild Cherry, and experience has proved the correctness of this opinion. *

ON our first page will be found an address to the people of the State. The arguments put forth are clear an unanswerable. The Democrats will have to resort to the "forge" several times before they can detract one iota from the weight of that address. We commend a careful perusal of it to our readers.

COLORED PEOPLE'S SCHOOL HOUSE.—The trustee's of the colored people's school in this place have put under contract the building of their school house, and the work is already commenced. Mr. Jos. Baker is the contractor, and under his supervision and known energy the building will soon be completed.

THE CLAYTON HERALD.—The appearance of this spicy little paper, published at Clayton, by Mrs. R. S. McConaughy, in our town on Saturday created more excitement than any paper has done for a long time. "Jacksonian Democrat" has many friends here and they all say "wade in"—give the "family" a good "drubbing."

A SHORT time since we referred to the unsafe condition in which the bridge across the Choptank at this place now is. We have heard of no move being made looking to the repair of said bridge, or its displacement and the building of another. This is something that should be attended to before something serious results from it, and then some one may feel sorry for not giving it their attention before.

THE LADY'S FRIEND.—"The Village Doctor," an expressive picture, is the title of the steel engraving in the September number of this popular magazine. A beautiful Steel fashinion plate, with numerous other engravings of the fashions follow, and the usual piece of popular music, worth of itself the price of the number. Besides these, we have a choice lot of reading from the pen of some of the most talented authors. A Wheeler & Wilson's Sewing Machine is offered to any one sending a club of thirty names to the publishers, Deacon & Peterson, Philadelphia. A beautiful steel engraving will be sent to every $2,50 subscriber.

THE editor of the Wilmington, Del., *Commercial*, and who is author of the Republican Form, inquires whether the Democrats of Delaware consider that production unanswerable, they never having essayed a reply. Whether the Democrats are of that mind or not we are, as are also several of our friends to whom we have passed it for reading. The arguments adduced to prove that Delaware is without a Republican form of Government, as well as Maryland and the other Border States, are clear and logical, and supported by the highest authority. The circulation of a few more copies of the Republican Form in these parts would, we think, constrain many to incline to our opinion. It is remarkably strange that the "big gun" from Dover has not been thundering away at it.

WE see it stated in the Wilmington, Del., *Commercial* that General Tilghman, President of the Md. & Del. Railroad, passed through that city on Saturday on his way home from New York city, whither he had been to contract for a sufficiency of iron to complete the track to Easton. He expects to have it laid to that place by christmas. We say amen, and are confident that our citizens will join with us.

PROGRESS OF THE MD. & DEL. RAILROAD.—A gentleman from this town, who was at Ridgely on Tuesday, informs us that the track is now laid beyond the road leading from Boonsboro' to Bridgetown, and within one and a quuarter miles of the station. The locomotive, bringing material for the workmen, can now be seen from Ridgely. As the remainder of the route will be "plain sailing," we may soon expect to have the road completed to Ridgely.

THE HARRINGTON AND QUEENSTOWN RAILROAD.—The engineers on the route of the proposed Railroad from Harrington, on the Delaware Railroad, to Queenstown, have been engaged for some time in surveying a route from Ridgely, in Caroline county, to the latter terminus. The route, as surveyed, is nearly a direct route from Ridgely to Centreville, passing within a few hundred yards of Ruthsburg, and thence in a direct line until it strikes the Southern limits of Centreville. The surveyors are now engaged in running the route to Queenstown. Of course other routes will be surveyed, and as the Centreville route will be less direct than any other, our chances for railroad facilities from this quarter are rather slight. It is highly probable, however, that the proposed road from Harrington to Queenstown will be built at no very distant day. —*Centreville Citizen.*

SCHENCK'S SEAWEED TONIC.

This medicine, invented by Dr. J. H. SCHENCK, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing the stomach with Schenck's Mandrake Pills, the Tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspopsia.

Dr. SCHENCK makes professional visits in New York, Boston, and at his principal office in Philadelphia every week. See daily papers of each place, or his pamphlet on consumption for his days of visitation.

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are on the Government stamp.

Sold by all Druggists and Dealers, price $1.50 per bottle, or $7.50 the half dozen. All letters for advice should be addressed to Dr. SCHENCK'S Principal Office, No. 15 North 6th Street, Philadelphia, Pa.

Wistar's Balsam of Wild Cherry.

Coughs, Colds, Bronchitis, Asthma, Croup, Whooping Cough, Quinsy, and the numerous as well as dangerous diseases of the Throat, Chest and Lungs, prevail in our changeable climate at all seasons of the year: few are fortunate enough to escape their baneful influence.—How important then to have at hand a certain antidote to all these complaints. Experience proves that this exists in Wistar's Balsam to an extent not found in any other remedy: however severe the suffering, the application of this soothing, healing and wonderful Balsam at once vanquishes the disease and restores the sufferer to wonted health.

MR. JOHN BUNTO,

OF BALDWIN, CHEMUNG COUNTY, N. Y., writes:

"I was urged by a neighbor to get one bottle of the Balsam for my wife, being assured by him that in case it did not produce good effects, he would pay for the bottle himself. On the strength of such practical evidence of its merits, I procured a bottle. My wife at this time was so low with what the physicians termed Seated Consumption as to be unable to raise herself from the bed, coughing constantly and raising more or less blood. I commenced giving the Balsam as directed, and was so much pleased with its operation that I obtained another bottle, and continued giving it. Before this bottle was entirely used, she ceased coughing and was strong enough to sit up. The fifth bottle entirely restored her to health, doing that which several Physicians had tried to do but had failed.

Prepared by Seth W. Fowle & Son, 18 Tremont St., Boston, and sold by Druggists everywhere.

☞A YOUNG LADY returning to her country home, after a sojourn of a few months in the City, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CIRCASSIAN BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all impurities, kindly healing the same, and leaving the surface as nature intended it should be, clear, soft, smooth and beautiful. PROOFS OF THE SUPERIOR QUALITY OF THE

AMERICAN WATCH,

MADE AT

WALTHAM, MASS.

The American Watch Company, of Waltham, Mass., respectfully submit that their Watches are cheaper, more accurate, less complex, more durable, better adapted for general use, and more easily kept in order and repaired than any other watches in the market. They are simpler in structure, and therefore stronger, and less likely to be injured than the majority of foreign watches, which are composed of from 125 to 300 pieces, while in an English Watch there are more than 700 parts. How they run under the hardest trial watches can have, is shown by the following letter:

PENN. RAILROAD COMPANY.

OFFICE OF THE GEN'L. SUPERINTENDENT, ALTOONA, PA., 15 Dec., 1866.

Gentlemen: The watches manufactured by you have been in use on this railroad for several years by our enginemen, to whom we furnish watches as part of our equipment There are now some three hundred of them carried on our line, and we consider them good and reliable time-keepers. Indeed, I have great satisfaction in saying your watches give us less trouble, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road As you are aware, we formerly trusted to those of English manufacture, of acknowledged good reputation; but as a class they never kept time as correctly, nor have they done as good service as yours.

In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years.

Respectfully,
EDWARD H. WILLIAMS,
General Superintendent.

American Watch Co., Waltham, Mass.

We make now five different grades of watches, named respectively as follows:

Appleton, Tracy & Co.,	*Waltham, Mass.*
Waltham Watch Co.,	*Waltham, Mass.*
P. S. Bartlett,	*Waltham, Mass.*
Wm. Ellery,	*Boston, Mass.*
Home Watch Company,	*Boston, Mass.*

All of these, with the exception of the Home Watch Company, are warranted by the American Watch Company to be of the best material, on the most approved principle, and to possess every requisite for a reliable timekeeper. Every dealer selling these Watches is provided with the Company's printed card of guarantee, which should accompany each Watch sold, so that buyers may feel sure that they are purchasing the genuine article. There are numerous counterfeits and imitations of our Watches sold throughout the country, and we would caution purchasers to be on their guard against imposition.

Any grades of Waltham Watches may be purchased of Watch Dealers throughout the country.
