Local Intelligence.

The Orphans Court of Caroline county will sit on Tuesday, Sept. 24th, 1867.

The County Commissioners have examined, and intend shortly to repair, Denton Bridge.

We return our thanks to Mr. Jacob Alburger for a couple of very large and delicious pears of the Dutchess variety.

Also, to Mr. Willis Corkran for an apple weighing 22 oz. Who can beat these presents?

—For all those Distressing and afflicting Maledies which originate in Scrofula or an unfeebled or vitiated state of the blood, nothing can equal the tonic and purifying effect of Dr. Anders' Iodine Water, a pure solution of Iodine dissolved in pure water *without a solvent*.

—Mr. Addison Hardcastle, a merchant of St. Louis, died suddenly, in New York city on Thursday night last. The deceased was a native of this town—a son of the late Edward B. Hardcastle, who, twenty-seven years ago was the principal merchant of this place and who died suddenly in 1842. Addison Hardcastle was a brother of Capt. Edward L. F. Hardcastle, now a citizen of Talbot county.

The Maloney's Woods Camp.—We took occasion on Sunday afternoon to visit this camp meeting of the colored people, and were pleased to observe so much good order. Everything passed off very quietly. There was a goodly number of white people present, some of whom took their provisions with them and spent the day. The uninviting appearance of the weather we have no doubt prevented others from being present.

Caught at Last.—Ky. Scott, the ring leader in the wholesale robbery that was perpetrated at the Concord camp-ground, was arrested at Bridgeville, Del., on Sunday night last and lodged in jail at this place on Monday morning, to await his trial at the October term of the court.—We are not advised as to whether he intends to remain until that time or not, but we imagine that unless he is heavily ironed his stay will be short with us. He has escaped from stronger prisons than ours.

The Democrat Conserv Meeting on Tuesday.

There being two meetings advertised to take place in this town on Tuesday, drew forth a goodly number of our honest yeomanry. At about half past two o'clock the Democratic ratification meeting was called to order, and Dr Tarr, the special custodian and defender of the new Constitution in this county, with a tremendous bundle of documents, appeared in the Court House and proceeded to address the meeting—a promiscuous assemblage of Republicans, Democrats and Conservatives. The Dr. opened, as was expected, in a political strain and for some time terribly lampooned the framers of the Constitution of 1864, and urged upon the people to ratify the new one, by appealing to their prejudices. Whilst going thro' the political part of his harrangue, the Dr. spoke with a '*vim*," declaring that "if no Radical or Black Republican opposition had met the work of the Convention he should have doubted the consistency and virtue of the men who composed it," and also attempted to offer a second general reason why the proposed Constitution should be adopted, but *balked* and hesitated, picked up papers, books, &c., and took a drink, but couldn't "*fotch*." Failing in this he rose on tip-toe and swallowed the "*American Union*" whole. We imagine his speech was of little weight as he was seldom applauded After he had been speaking for a few moments his audience began to disperse, and soon only about one half the original number remained in the Court House. A shower of rain coming up, however, drove several back for shelter and thus the Dr. had a respectable audience.

The opposition speakers to the new Constitution were present at this meeting, expecting to get an opportunity to reply to the Dr., but ere he concluded it was too late for them even to attempt it. J. D. Kemp was called for by several, but that "charity" of which the Dr. spoke so much did not lead him to proffer an invitation to the gentleman to reply. Mr Kemp then handed the following challenge to the Dr., which he at first refused to read, but finally did read aloud, and then declined to accept it:

Court House, Sept. 10th, 1867.

Dr. Tarr,

Sir:—I hereby tender you a joint discussion for the various appointments of meetings in this county upon such terms as John H. Emerson and any other person you may name will arrange. I will meet you at Bethlehem on Thursday, open and you may close, or as it may be determined: and at Federalsburg or Preston on the Saturday following, claiming the right to close If you will accept, say so by 9 1-2 o'clock to-night.

Very truly, John D. Kemp.

Thus the meeting adjourned without any speaking in opposition to the new Constitution.

Died.

On the 24th ult., at Potter's Landing, Mrs. Sarah Ann, wife of Job D. A. Robinson, aged about 32 years.

Near Hillsborough, August 20th, Mrs. Annie E., wife of John W. Knotts, and daughter of Jesse Hubbard, aged 32 years.

SPECIAL NOTICE COLUMN.

DYSPEPSIA.

There is no disease which experience has so amply proved to be remediable by the

Peruvian Syrup,

(a protected solution of the Protoxide of Iron), as Dyspepsia. The most inveterate forms of this disease have been completely cured by this medicine, as ample testimony of some of our first citizens proves.

FROM THE VENERABLE ARCHDEACON SCOTT, D. D.

Dunham, Canada East.

"I am an inveterate Dyspeptic of more than 25 years standing.

"I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. People who have known me are astonished at the change. I am widely known, and can but recommend to others that which has done so much for me."

ANOTHER CLERGYMAN WRITES:

"My voyage to Europe is indefinitely postponed. I have discovered the "Fountain of Health" on this side of the Atlantic. Three bottles of Peruvian Syrup have rescued me from the fangs of the fiend Dyspepsia."

A pamphlet of 32 pages, containing a history of this remarkable remedy, with a treatise on "Iron as a medicine," will be sent free to any address.

The genuine has "Peruvian Syrup" blown in the glass.

SCROFULA—CONSUMPTION.

Dr. Lugol o Paris, one of the most eminent Chemists of Europe, said:

"The most astounding results may be anticipated when Iodine can be dissolved in pure water."

Dr. H. Anders, after fifteen years of scientific research and experiment, has succeeded in dissolving one and one quarter grains of Iodine to each fluid ounce of water, and the most astounding results have followed its use, particularly in Scrofula and kindred diseases. Circulars sent free.

Dr. H. Anders' Iodine Water is for sale by J. P. Dinsmore, 36 Dey Street, N. Y., and all Druggists.

CONSUMPTION CURABLE BY DOCTOR SCHENCK'S MEDICINES.

To cure consumption, the system must be prepared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleansed and an appetite created for good wholesome food, which, by these medicines, will be digested properly, and good healthy blood made; thus building up the constitution. SCHENCK'S MANDRAKE PILLS cleanse the stomach of all bilious or mucous accumulations; and, by using the Sea Weed Tonic in connection, the appetite is restored

Schenck's Pulmonic Syrup is nutricious as well as medicinal, and, by using the three remedies, all impurities are expelled from the system, and good, wholesome blood made, which will repel all disease. If patients will take these medicines according to directions, Consumption very frequently in its last stage yields readily to their action. Take the pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not costive they are not required, for sometimes in diarrhœa they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonic Syrup to act on the respiratory organs properly and allay any irritation Then all that is required to perform a permanent cure is, to prevent taking cold. Exercise about the rooms as much as possible, eat all the richest food—fat meat, game, and, in fact, anything the appetite craves; but be particular and masticate well [2nd w. ea. mo.

NO CURE-ALL.

But if you want a medicine that will cure Chronic (not inflammatory) Rheumatism, Mumps, Sore Throat, Swellings, Old Sores, Bruises, Toothache, Headache, Insect Stings, Pains in the Back and Chest, also, internally, Diarrhœa, Dysintery, Colic, Croups and Vomiting, you have it in Dr. Tobias' Venetian Liniment. It never fails when used according to the directions. Every drop of it is put up by Dr. Tobias himself, and he has done so for nineteen years. His medicine is known thro'out the world. The best physicians recommend it. Thousands of certificates can be seen at the depot, 56 Cortlandt Street. No family having children, should be without it in case of Croup. Thousands of children are saved by it annually. Use it when first taken according to the directions, and you will never lose a child. Ladies will find it valuable in eradicating pimples and blotches. Only 50 c s. and $1 per bottle. Sold by the Druggists throughout the United States and in Europe. Depot, 56 Cortlandt Street, New York. [au15

PROOFS OF THE SUPERIOR QUALITY

OF THE

AMERICAN WATCH,

MADE AT

WALTHAM, MASS.

The American Watch Company, of Waltham, Mass., respectfully submit that their Watches are cheaper, more accurate, less complex, more durable, better adapted for general use, and more easily kept in order and repaired than any other watches in the market. They are simpler in structure, and therefore stronger, and less likely to be injured than the majority of foreign watches, which are composed of from 125 to 300 pieces, while in an English Watch there are more than 700 parts. How they run under the hardest trial watches can have, is shown by the following letter:

PENN. RAILROAD COMPANY.

Office of the Gen'l. Superintendent,
Altoona, Pa., 15 Dec., 1866.

Gentlemen: The watches manufactured by you have been in use on this railroad for several years by our enginemen, to whom we furnish watches as part of our equipment There are now some three hundred of them carried on our line, and we consider them good and reliable time-keepers. Indeed, I have great satisfaction in saying your watches give us less trouble, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road As you are aware, we formerly trusted to those of English manufacture, of acknowledged good reputation; but as a class they never kept time as correctly, nor have they done as good service as yours.

In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years.

Respectfully,
EDWARD H. WILLIAMS,
General Superintendent.

American Watch Co., Waltham, Mass.

We make now five different grades of watches, named respectively as follows:

Appleton, Tracy & Co.,	*Waltham, Mass.*
Waltham Watch Co.,	*Waltham, Mass.*
P. S. Bartlett,	*Waltham, Mass.*
Wm. Ellery,	*Boston, Mass.*
Home Watch Company,	*Boston, Mass.*

All of these, with the exception of the Home Watch Company, are warranted by the American Watch Company to be of the best material, on the most approved principle, and to possess every requisite for a reliable timekeeper. Every dealer selling these Watches is provided with the Company's printed card of guarantee, which should accompany each Watch sold, so that buyers may know that they are purchasing the genuine article. There are numerous counterfeits and imitations of our Watches sold throughout the country, and we would caution purchasers to be on their guard against imposition.

Any grades of Waltham Watches may be purchased of Watch Dealers throughout the country.
