Dr. CONDIE'S
ANTI-CHILL PILLS

A SPECIFIC
FOR THE CURE OF
INTERMITTENT FEVER.

A Sovereign Remedy for DYSPEPSIA, Anemia, Debility, and exhasted Vital Forces.

The remedy here offered is found to counteract and destroy the deleterious effects of Malaria, to enrich the blood, increase the circulation and to build up the exhausted and emaciated system. It is not a secret preparation.—The formula is published with each parcel to relieve the odium attached to proprietary preparations. It is understood by physicians and will merit your praise if necessity requires you to give it a trial.

Complete directions with each parcel.

LETTER FROM DR. TREADWELL.
DEL. CITY, June 21st, 1866.

DEAR SIR:

I have tried your Fever and Ague Medicine in several cases, and can truly say that it acted like a charm.

Respectfully, F. C. TREADWELL, M. D.

DEAR SIR:

My daughter suffered from chills for a long time, and the various so-called remedies gave no relief. Having procured some of your Anti-Chill Pills, I gave eight of them, and since then she has had no symptoms of the disease. She is hearty, cheerful, and in vigorous health, unlike the torpid, feeble creature she was while a prey to the fever. It gives me pleasure to put my name to the record, though unsolicited.

Your obedient servant,
WM. WIGHTMAN,
1213 Howard St.

Philadelphia, April 10, 1866.

DR. CONDIE'S ANTI-CHILL PILLS will cure Ague and Fever, if taken by directions, without fail. W. R. BUSTEED.

If further proof is needed, call on Dr. A. Stafford, Preston; Wm. T. Elliott, Union Corner, or Wm. Clough, Henderson Station.

Mears' Infallible
(SUGAR-COATED)
AGUE PILLS
NEVER FAIL!

Mears' Wonderful Ague Pills

are unrivalled for the cure of Chills and Fever. Hundreds of persons who have been afflicted with this distressing complaint for months, after trying Quinine in vain, have been speedily cured by them.

They are warranted not to contain a particle of Quinine, Arsenic, or any other deleterious drug; on the contrary, they are a most excellent tonic and alterative, promoting the appetite, and renovating and strengthening the system. For a torpid liver, or any bilious derangement, they will be found an excellent remedy—gently stimulating the liver to an increased action—thus removing the most troublesome source of this distressing disease.

Those living in districts where Chills and Fever prevail *should never be without these Pills;* and on the *first appearance* of the symptoms, should take a few, and thus ward off an attack.

They may be taken by old or young, and at any time, without the slightest regard to diet or exposure.

BRISTOL, August 1st, 1866.

This is to certify, that I am acquainted with the formula of Mear's celebrated Fever and Ague Pills, and I have used the same very extensively in my practice, and have never known them to fail when used according to directions; on the contrary, I have succeeded with them, in many instances, after trying Quinine in vain.

E. J. GROOM, M. D.

NEWPORTVILLE, Aug. 1st, 1866.

This is to certify that I am acquainted with the formula of Mear's Fever and Ague Pills, and have no hesitation in pronouncing them a perfectly reliable and sure cure for all forms of this distressing disease, if taken according to directions. RICHARD DINGEE, M. D.

CLOTHING.

THE undersigned would say, most respectfully, to the community generally, that he keeps on hand an assortment of

Cloths, Cassimeres and Vestings,

to suit the seasons, at his tailoring establishment, No. 58 W. Fayette street, Baltimore, Md. Past experience induces me to say that I can give you as good a fit, and as much for the money, as any in the trade. If you will take the trouble to compare prices, I am sure you will give me a trial. As respects a fit, no one need hesitate; none shall go away without entire satisfaction. I would rather lose the sale of a garment, than a customer should hold me in unfavorable remembrance every time he puts it on. This is no humbug. Those who know me well will subscribe to what I say. My first object is to promote my own interest; the second, yours. Come and realize the fact. Persons furnishing their own goods can have them made and trimmed in good style. Attention also paid to REPAIRING.
