Local Intelligence.

The Orphans Court of Caroline county will sit on Tuesday, the 12th of Nov.

THE County Commissioners have put a coat of paint upon the roof of the court house.

STATE CENTRAL COMMITTEE.—The following gentlemen constitute the State Central Committee for this county: D. Blocksom, Esq., Col. J. M. McCarter and Hon. Curtis Davis.

WHAT has become of our Preston correspondent? We have almost concluded that he has left this mundane sphere of ours, and shall publish his death if we do not hear from him soon.

NEW GOODS.—Mr. H. Blackiston has just opened a large, new stock of goods, which he will sell at reduced prices, having purchased them while goods are declining.

WILSON'S SAW MILL.—Mr. Wm. H Wilson has removed his saw mill from our town to Ridgely, and now has it in full operation. We suppose he expects to saw out the lumber to be used in building up that town.

SHERIFF NOBLE left town on Monday morning, having in custody Ky Scott and Jno. Scott, the thieves of camp meeting notoriety, and placed them in the Penitentiary where, we presume they will rest from their labors.

THE NEW CHURCH.—The work on the new M. E. Church goes prosperously on. The side and back walls are nearly completed, the front one being untouched on account of the corner-stone laying to-day, (Thursday) When completed, it will be a fine structure, and an ornament to our town.

IN accordance with public notice, given by the County Central Committee, primary meetings were held in the several election districts on Saturday, and delegates sent to a county convention, on Tuesday, to take such action as was deemed most expedient for the interests of the Republican party in this county. The delegates met at the appointed time and place, and the following is the result of their deliberations:

Resolved, That the Republican party deem it inexpedient to presnt a ticket for the county offices, but at the same time that we urge upon all Republicans to sustain our State ticket in the coming election without faltering.

THE MEETING ON TUESDAY.—That great Democratic-Conservative-Rebel-Swann-Johnson pow wow, announced by flaming handbills, came off in this town on Tuesday. There was quite a large number in attendance, drawn hither, we doubt not, more by the brass band and oyster roast, than by the information they expect to receive from the speakers, or the interest they take in the election.—The 'doubtfuls' were out in swarms, and the way they murdered whiskey at the expense of the candidates, was, as Nasby would express it, pleasin' to behold—to the Democrats, we mean. The manner in which the hundred bushels of oysters was devoured, and the way the Marsh Hopers and Socumites ran, and gaped, and gazed at the first sound of the "big brass things" confirms our belief that these were the things that brought out the crowd.—All the speakers announced for the occasion were not present, but Mr. Hazel, from Smyrna, Del., Col. Hambleton, of Talbot, and Hon. Isaac D. Jones, of Somerset, addressed the meeting. None of the speeches were remarkable for any thing except a repetition of worn out hobbies which the Democrats have been riding for years. We expected to hear some new reason advanced why the people should abandon the destructive and vitiating influences which Radicalism was bringing to bear upon them, but no such things greeted our ears. Not even the Hon. Isaac D. favored us with any new Democratic revelations, except that he stated in conversation with some gentlemen prior to his speech that "Congress had attempted to buy off the President," but we do not put much confidence in that, for if they had offered him any considerable sum we think they would have succeeded.

But the most remarkable of all was, that, having made such preparations for a grand and glorious Democratic-Conservative mass-meeting, and professing such devotion to the Union, not a single American flag was displayed around the court room. We did not see but one during the entire day, and that was brought into town through a back street early in the morning, and we did not see that, nor any other, afterwards. We do not accuse our Democratic friends of refusing to display the National emblem, yet we think it would have been more becoming in them to have shown it a little respect.—But such is the way of the Democratic party of the country. They repudiated it in 1860, and will do it again if opportunity is afforded.

HAVE you a Cough, Cold, pain in the Chest, or Bronchitis? In fact, have you the premonitory symptoms of the "insatiate archer." Consumption? If so, know that relief is within your reach in the shape of Dr. Wistar's Balsam of Wild Cherry, which in many cases where hope had fled, has snatched the victim from the yawning grave.

THE RURAL GENTLEMAN.—The October number of this agricultural monthly has just reached us. It should be in the possession of every farmer, because of the valuable and instructive agricultural reading that it contains. Its remarkably low price places it at the disposal of every one. Published by J. B. Robinson & Co., Baltimore, at $1 per year.

CHEESE MAKING.—The first cheese that we have ever heard of being made in this county was at the hands of Mr. Towns, residing near Denton, who recently removed here from the north. It was sold by Mr. H. Blackiston. We received a portion of it, and it tasted very natural, only it was a little green. Mr. T. intends continuing the busines if he receives sufficient encouragement.

GET REGISTERED.—To-day is the last day of registration. Every man who is not yet registered, and who will become twenty-one before the 5th of next month, must attend to registration this day or be excluded from the privilege of voting at the coming election. Attend to it, Union men. See that every Republican voter's name is upon the registry, and that he is at the polls and votes on Tuesday next.

DR. WISTAR'S BALSAM OF WILD CHERRY.

In the whole history of medical discoveries NO REMEDY has performed so many or such remarkable cures of the numerous affections of the THROAT, LUNGS, and CHEST, as this long-tried and justly celebrated *Balsam*. So generally acknowledged is the superior excellence of this remedy that but few of the many who have tested its virtues by experience fail to keep it at hand as a speedy and certain cure for sudden attacks of *Cold*—fully believing that its remedial powers are comprehensive enough to embrace every form of disease, from the slightest cold to the most dangerous symptom of pulmonary complaint.

UNSOLICITED TESTIMONY.

From Rev. Francis Loddell, Pastor of the South Congregational Church, Bridgeport, Conn.

"I consider it a duty which I owe to suffering humanity to bear testimony to the virtues of Dr. Wistar's Balsam of Wild Cherry. I have tried it—when I have had occasion for any remedy for Coughs, Colds, or Sore Throat—for many years, and never in a single instance has it failed to relieve and cure me. I have frequently been very hoarse on Saturday, and looked forward to the delivery of two sermons on the following day with sad misgivings, but by a liberal use of the Balsam my hoarseness has invariably been removed, and I have preached without difficulty.

I commend it to my brethren in the ministry and to public speakers generally, as a certain remedy for the bronchial troubles to which we are peculiarly exposed."

Prepared by SETH W. FOWLE & SON 18 Tremont St., Boston, and for sale by druggists generally.

GRACE'S CELEBRATED SALVE.

From Mr. E. TUCKER, Depot Master at Salisbury, Massachusetts.

"I have been troubled for years with a bad humor; sometimes outwardly and sometimes inwardly. During the past summmer it manifested itself more than usual outwardly, and I used your salve. All signs of it have since disappeared, without affecting me inwardly, indicating, I think, the eradicating nature of the salve.
