A HOTEL has been opened at Ridgely. J. Frank Mancha is the proprietor. The cars is the great desideratum to the prosperity of that town.

ACT COMPLETED.—The contract ging the Nanticoke, at Federalsburg, has been fulfilled, being completed weeks from the commencement of work. The bridge is, we learn, a fine ture, and reflects great credit upon contractor, Mr. Horne, who has lately removed to this county from the North.

"THEIR NAME IS LEGION," may be applied to the innumerable diseases to which the skin is subject. It would be well for those who are afflicted with apparently incurable ulcers, old sores, erysipelas and eruptions, to use Grace's Celebrated Salve which cures, in a very short time, cuts, burns, scalds, flesh wounds, &c. *

AN OPPOSITION LINE.—The steamer *Hi. Livingston* has been put upon the route between Denton and Baltimore, in opposition to the Individual Enterprise Line, and will make weekly trips. She leaves Baltimore at 9 o'clock every Saturday night, arriving at Denton Bridge at noon on Sunday. She is a night boat and has excellent state-room accommodations.

MESSRS. RIDGELY & MACLARY, Commission Merchants, Ridgely, announce through our columns that they have made arrangements with the officers of the Md. and Del. Railroad for the shipment of their consignments direct to Philadelphia. This is quite an accommodation to the farmers of that neighborhood, and we bespeak for Messrs. R. & M. a sufficient amount of patronage to at least recompense them for their trouble.

A SUDDEN CHANGE.—The weather, for the past week so spring-like, has suddenly changed to rigid autumn. On Monday evening a very black cloud appeared in the western horizon, accompanied by a high wind. Early Tuesday morning, a light sprinkle of snow was observed to fall to the earth. The indications, both in this country and Europe, evidenced by the southward flight of birds of passage, are that the coming winter will be a severe one.

DOES not the drunken and disorderly conduct of some of our country residents appeal most loudly to the consciences of our town commissioners? Such scenes as were witnessed in our public thoroughfares, and such profane and obscene language as greeted the ears of our citizens, on election day, are a disgrace to any community, and a reproach to the civilization of this advanced age. In any other *incorporated* town, the offenders would have been severely punished, but here nothing was done by the proper authorities to silence those upon whom bad whiskey was having its effect. Such disgraceful proceedings are guarded against by oppo[illegible] fold legislation, but we indeed seem [illegible] drifting into an age in which the Richmond. SCHOONER SUNK.—The schooner *Swann* Capt J. M. Passapae, on Friday last, whilst on her outward bound trip, sunk in the Choptank, opposite the farm of Mr. P. Coble, above the bridge. She was loaded with grain and wood. One hundred and twenty bushels of wheat, being in bags, was saved. The wood was transferred to scows, the schooner lighted up and carried up the river for repairs. The accident was occasioned by running into a wharf whilst beating down the river.

A ROMANTIC WEDDING.—Quite a Romantic wedding wedding took place in this town on Tuesday Evening last. The minister engaged to perform the ceremonies being a Mason, and this being their night of meeting, and just before the opening of the lodge, he invited those seeking to be joined in holy wedlock into the lodge room as a suitable place to sacredly declare them man and wife. Upon arriving at the entrance to the room the groom (a colored man) concluded it did not exactly suit him; and so they withdrew to the street and there, in the open air, under the broad canopy of heaven, was pronounced the word that forever bound two hearts together.

DR. WISTAR'S BALSAM OF WILD CHERRY.

In the whole history of medical discoveries NO REMEDY has performed so many or such remarkable cures of the numerous affections of the THROAT, LUNGS, and CHEST, as this long-tried and justly celebrated *Balsam*. So generally acknowledged is the superior excellence of this remedy that but few of the many who have tested its virtues by experience fail to keep it at hand as a speedy and certain cure for sudden attacks of *Cold*—fully believing that its remedial powers are comprehensive enough to embrace every form of disease, from the slightest cold to the most dangerous symptom of pulmonary complaint.

UNSOLICITED TESTIMONY.

From Rev. Francis Lobdell, Pastor of the South Congregational Church, Bridgeport, Conn.

"I consider it a duty which I owe to suffering humanity to bear testimony to the virtues of Dr. Wistar's Balsam of Wild Cherry. I have tried it—when I have had occasion for any remedy for Coughs, Colds, or Sore Throat—for many years, and never in a single instance has it failed to relieve and cure me. I have frequently been very hoarse on Saturday, and looked forward to the delivery of two sermons on the following day with sad misgivings, but by a liberal use of the Balsam my hoarseness has invariably been removed, and I have preached without difficulty.

I commend it to my brethren in the ministry and to public speakers generally, as a certain remedy for the bronchial troubles to which we are peculiarly exposed."

Prepared by SETH W. FOWLE & SON 18 Tremont St., Boston, and for sale by druggists generally.

GRACE'S CELEBRATED SALVE.

From Mr. E. TUCKER, Depot Master at Salisbury, Massachusetts.

"I have been troubled for years with a bad humor; sometimes outwardly and sometimes inwardly. During the past summmer it manifested itself more than usual outwardly; and I used your salve. All signs of it have since disappeared, without affecting me inwardly, indicating, I think, the eradicating nature of the salve.

HORRIBLE ACCIDENT

A man some time since was repairing a gas leak, corner of 28th Street and 6th Avenue, N. Y. He went into the excavation and then lit a match. An explosion of the gas took place and the man was much burned. DR. TOBIAS' Venetian Liniment was applied freely, and in about three days the man was about his business in the Manhattan Gas Works as well as ever. His name is Saml. F. Waters. This is one of the wonderful cures made by DR. TOBIAS' celebrated Venetian Liniment; it is not only good for burns, but for old sores, bruises, chronic rheumatism, sore throats, cuts, insect stings, pains in the limbs, chest and back; also internally, for colic, cramps, diarrhœa, dysentery and croup. It is perfectly innocent to take internally, and is the best family medicine in the world. Orders are received all over Europe for it. The most celebrated physicians recommend it—it never fails. DR. TOBIAS puts up every drop himself. Sold by all druggists at 50 cts. and $1 per bottle. Depot, 56 Cortlandt St., N. Y.

PROOFS OF THE SUPERIOR QUALITY OF THE

AMERICAN WATCH,

MADE AT

WALTHAM, MASS.

The American Watch Company, of Waltham, Mass., respectfully submit that their Watches are cheaper, more accurate, less complex, more durable, better adapted for general use, and more easily kept in order and repaired than any other watches in the market. They are simpler in structure, and therefore stronger, and less likely to be injured than the majority of foreign watches, which are composed of from 125 to 300 pieces, while in an English Watch there are more than 700 parts. How they run under the hardest trial watches can have, is shown by the following letter:

PENN. RAILROAD COMPANY.

OFFICE OF THE GEN'L. SUPERINTENDENT,
ALTOONA PA., 15 Dec., 1866.

Gentlemen: The watches manufactured by you have been in use on this railroad for several years by our engineemen, to whom we furnish watches as part of our equipment. There are now some three hundred of them carried on our line, and we consider them good and reliable time-keepers. Indeed, I have great satisfaction in saying your watches give us less trouble, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware, we formerly trusted to those of English manufacture, of acknowledged good reputation; but as a class they never kept time as correctly, nor have they done as good service as yours.

In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years.

Respectfully,
EDWARD H. WILLIAMS,
General Superintendent.

American Watch Co., Waltham, Mass.

We make now five different grades of watches, named respectively as follows:

Appleton, Tracy & Co.,	*Waltham, Mass.*
Waltham Watch Co.,	*Waltham, Mass.*
P. S. Bartlett,	*Waltham, Mass.*
Wm. Ellery,	*Boston, Mass.*
Home Watch Company,	*Boston, Mass.*

All of these, with the exception of the Home Watch Company, are warranted by the American Watch Company to be of the best material, on the most approved principle, and to possess every requisite for a reliable timekeeper. Every dealer selling these Watches is provided with the Company's printed card of guarantee, which should accompany each Watch sold, so that buyers may feel sure that they are purchasing the genuine article. There are numerous counterfeits and imitations of our Watches sold throughout the country, and we would caution purchasers to be on their guard against imposition.

Any grades of Waltham Watches may be purchased of Watch Dealers throughout the country.
