Local Intelligence.

THE Orphans' Court for Caroline county will sit on Tuesday, the 10th day of December.

A TRUE BALSAM.—Dr. Wistar's Balsam of Wild Cherry is truly a balsam.—It contains the balsamic principle of the Wild Cherry, the balsamic properties of tar and of pine. Its ingredients are all balsamic. Coughs, colds, sore throat, bronchitis, and consumption speedily disappear under its balsamic influence.

FIRE.—The dwelling house of Mr Jacob L. Zook, about a mile from town, took fire on Sunday last, and had it not been detected in a few minutes, would have consumed the entire building with the most of its contents The fire originated from a stove-pipe which becoming heated caught to clothing placed near it. The fire was soon suppressed but not until about $50 worth of wearing apparrel had been destroyed.

Appointed.

The County Commissioners entered upon the discarge of their duties on Tuesday last. Mr. A. P. Sorden was elected Clerk to the Board and Mr. Richard Bishop appointed Court House Keeper. The new Clerk of the Circuit Court was inducted into office on the same day and appointed Mr. B. A. Richardson chief clerk, and Mr. L. H. Gadd, assistant clerk.

"Weekly Courier."

This is the title of a new weekly paper published in Baltimore. It presents a very neat typographical appearance; its original and selected reading is of the highest order and its publishers propose in the future to devote space in its columns to the principles of Odd Fellowship, giving among other [illegible] of interest to the order a history of every Lodge in the State, coming from Washington Lodge No. I, to present time. Terms $2 per annum

The New M. E. Ch

This handsome edifice which has been in course of construction for several weeks past is approaching completion. The contractor for the brick work, Mr. Gardiner, of Baltimore city, has now completed the brick work; the walls being finished and the work done in the best manner. The joist for the ceiling and the frame-work for the roof is already up and in six or eight days more the roof will be put on. We learn it is the intention of the building committee to enclose the building before winter sets in and to finish the inside work next Spring

Qualified.

The newly elected officers for this county have all taken the oath of office, (excepting the Prosecuting Attorney) prescribed by the Constitution of this State previous to entering upon the discharge of their duties. We hope they may make as good officers and discharge their duties as faithfully as their predecessors have done. It is a fact worthy of remark that during the whole time the Republican party has been in power in this State not a single officer has been a defaulter to the State government.

Denton Bridge.

The bridge across the Choptank at this place which has been undergoing repairs several weeks past, will be so far completed as to admit teams and footmen to pass over it, to-day. Although not a work of architecture, it is built in a solid and substantial manner and of as durable materials as possible to do from the best white oak timber. It will last for years without repair and persons travelling over it need entertain no fears of being sent below to the bottom to take a cold water bath. The cost of building to the county is estimated at $1,000 which at the present prices of labor and material, may be considered cheap.

Married.

THE HORSE AND CATTLE POWERS AT ALBURGER'S.

SPECIAL NOTICE COLUMN.

To Owners of Horses and Cattle.

TOBIAS' DERBY CONDITION POWDERS are warranted superior to any others, or no pay, for the cure of Distemper, Worms, Bots, Coughs, Hide-bound, Colds, &c., in Horses; and Colds, Coughs, Loss of Milk, Black Tongue, Horn Distemper, &c., in Cattle. They are perfectly safe and innocent; no need of stopping the working of your animals. They increase the appetite, give a fine coat, cleanse the stomach and urinary organs; also increase the milk of cows. Try them, and you will never be without them. Hiram Woodruff, the celebrated trainer of trotting horses, has used them for years, and recommends them to his friends. Col. Phil P. Bush, of the Jerome Race Course, Fordham, N. Y., would not use them until he was told of what they are composed, since which he is never without them. He has over twenty running horses in his charge, and for the last three years has used no other medicine for them. He has kindly permitted me to refer any one to him. Over 1,000 other references can be seen at the depot. Sold by Druggists and Saddlers. Price 25 cents per box. Depot, 56 Cortlandt Street, New York. no28

IRON IN THE BLOOD.

The necessity of a due proportion of iron in the blood is well known to all medicals; when it becomes reduced from any cause whatever, the whole system suffers, the weakest part being first attacked, and a feeling of languor, lassitude, and "all goreness" pervades the system. Stimulants only afford temporary relief, and have the same effect as giving a tired horse the whip instead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using the

PERUVIAN SYRUP,

a protected solution of the protoxide of Iron, which is so prepared that it assimilates at once with the blood, giving strength, vigor and new life to the whole system.

To take medicine to cure diseases occasioned by a deficiancy of iron in the blood, without restoring it to the system, is like trying to repair a building when the foundation is gone.

An eminent divine says: "I have been using the Peruvian Syrup for some time past; it gives me new vigor, buoyancy of spirits, elasticity of muscle."

Pamphlets containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen and others, will be sent free to any address

The genuine has "PERUVIAN SYRUP" blown in the glass.

HORRIBLE ACCIDENT.

A man some time since was repairing a gas leak, corner of 28th Street and 6th Avenue, N. Y He went into the excavation and then lit a match. An explosion of the gas took place and the man was much burned. DR. TOBIAS' Venetian Liniment was applied freely, and in about three days the man was about his business in the Manhattan Gas Works as well as ever. His name is Sami. F. Waters. This is one of the wonderful cures made by DR. TOBIAS' celebrated Venetian Liniment; it is not only good for burns, but for old sores, bruises, chronic rheumatism, sore throats, cuts, insect stings, pains in the limbs, chest and back; also internally, for colic, cramps, diarrhœa, dysentery and croup. It is perfectly innocent to take internally, and is the best family medicine in the world. Orders are received all over Europe for it. The most celebrated physicians recommend it—it never fails DR. TOBIAS puts up every drop himself. Sold by all druggists at 50 cts. and $1 per bottle. Depot, 56 Cortlandt St., N. Y.

PROOFS OF THE SUPERIOR QUALITY OF THE

AMERICAN WATCH,

MADE AT

WALTHAM, MASS.

The American Watch Company, of Waltham, Mass., respectfully submit that their Watches are cheaper, more accurate, less complex, more durable, better adapted for general use, and more easily kept in order and repaired than any other watches in the market. They are simpler in structure, and therefore stronger, and less likely to be injured than the majority of foreign watches, which are composed of from 125 to 300 pieces, while in an English Watch there are more than 700 parts. How they run under the hardest trial watches can have, is shown by the following letter:

PENN. RAILROAD COMPANY.

OFFICE OF THE GEN'L. SUPERINTENDENT,
ALTOONA, PA., 15 Dec., 1866.

Gentlemen: The watches manufactured by you have been in use on this railroad for several years by our engineers, to whom we furnish watches as part of our equipment There are now some three hundred of them carried on our line, and we consider them good and reliable time-keepers. Indeed, I have great satisfaction in saying your watches give us less trouble, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road As you are aware, we formerly trusted to those of English manufacture, of acknowledged good reputation; but as a class they never kept time as correctly, nor have they done as good service as yours.

In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years.

Respectfully,
EDWARD H. WILLIAMS,
General Superintendent.

American Watch Co., Waltham, Mass.

We make now five different grades of watches, named respectively as follows:

Appleton, Tracy & Co.,	*Waltham, Mass.*
Waltham Watch Co.,	*Waltham, Mass.*
P. S. Bartlett,	*Waltham, Mass.*
Wm. Ellery,	*Boston, Mass.*
Home Watch Company,	*Boston, Mass.*

All of these, with the exception of the Home Watch Company, are warranted by the American Watch Company to be of the best material, on the most approved principle, and to possess every requisite for a reliable timekeeper. Every dealer selling these Watches is provided with the Company's printed card of guarantee, which should accompany each Watch sold, so that buyers may feel sure that they are purchasing the genuine article. There are numerous counterfeits and imitations of our Watches sold throughout the country, and we would caution purchasers to be on their guard against imposition.

Any grades of Waltham Watches may be purchased of Watch Dealers throughout the country.

CLOTHING.

THE undersigned would say, most respectfully, to the community generally, that he keeps on hand an assortment of

Cloths, Cassimeres and Vestings,

to suit the seasons, at his tailoring establishment, No. 58 W. Fayette street, Baltimore. Md. Past experience induces me to say that I can give you as good a fit, and as much for the money, as any in the trade. If you will take the trouble to compare prices, I am sure you will give me a trial. As respects a fit, no one need hesitate; none shall go away without entire satisfaction. I would rather lose the sale of a garment, than a customer should hold me in unfavorable remembrance every time he puts it on. This is no humbug. Those who know me well will subscribe to what I say. My first object is to promote my own interest; the second, yours. Come and realize the fact. Persons furnishing their own goods can have them made and trimmed in good style. Attention also paid to REPAIRING.
