English Walnuts.—Mr. Jacob Alburger has for sale in his store a lot of english walnuts grown by Mr. Esma Lowe our newly-elected sheriff. Several years ago many of these walnut trees were planted in various parts of this county, but either from want of proper attention or the severity of our winters, the most of them have died. Mr. L. says he has raised about one hundred weight of walnuts from one tree, and finds a ready sale at twenty cents per pound.

Land Sales at Halltown, Md.—Mr J. P. Comegys, as Trustee, sold at Halltown, on Saturday last, that portion of the Hall estate that was on the Delaware side of the State line. The old place was sold in two parcels. The tract on which the old house stands, brought 107 dollars per acre. The tract of 30 acres, opposite Mr. I. G. Lofland's farm, brought 128 dollars per acre. The Boyer place of 87 acres, brought 51 dollars per acre, and a back piece of 60 acres brought 37 dollars per acre.

Married.

On the 14th ult., by Rev. J. Hough, Mr. T. W. Ringgold and Miss Marietta Hubbard, all of this county.

On the 27th ult., by same, Mr. Jas. E. Douglass and Mrs. Emma Clark, both of this county.

Our acknowledgements are due to the bride and groom for a lot of delicious wedding cake. May their pathway through life be strewn with roses, and may peace, plenty and happiness fill up the fleeting hours of their existence.]

At the residence of the bride's mother, on the 28th ult., by Rev Wm. O'Neill, Mr. James D. Wilson and Miss Mary Swan, all of this county.

Died.

On Wednesday, the 27th of November, after a short but painful illness, Mrs. Sallie M. Stafford, consort of Wm. H. Stafford, Esq., of this county, aged 28 years and 7 months.

The dark-winged angel hovered over a happy household, and the hopes of its inmates now lie hidden beneath the coffin-lid. It has never been our lot to meet an individual possessing more virtues, and fewer faults. She, in her early years, connected herself with the M. E. Church, and, by her upright walk and exemplary life, gathered around her a large circle of friends, who sorrowed that she was not longer spared to gladden the heart of him to whom she gave her early love. She has found an early grave, yet she lives clad in the robes of eternal youth, beyond the verge of time, as well as in the hearts of those "who knew her but to love her." The yellow mound which covers her breast will long be kept moist by the tears of sorrowing friends; and her name will remain fresh in the memories of all who knew her. She sleeps in peace—let her rest.

"Sister, thou wast mild and lovely,
Gentle as the summer breeze,
Pleasant as the evening zephyrs
As they float among the trees."

— —

SPECIAL NOTICE COLUMN.

IRON IN THE BLOOD.

The necessity of a due proportion of iron in the blood is well known to all medicals; when it becomes reduced from any cause whatever, the whole system suffers, the weakest part being first attacked, and a feeling of langnor, lassitude, and "all goreness" pervades the system. Stimulants only afford temporary relief, and have the same effect as giving a tired horse the whip instead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using the

PERUVIAN SYRUP,

a protected solution of the protoxide of Iron, which is so prepared that it assimilates at once with the blood, giving strength, vigor and new life to the whole system.

To take medicine to cure diseases occasioned by a deficiancy of iron in the blood, without restoring it to the system, is like trying to repair a building when the foundation is gone.

An eminent divine says: "I have been using the Peruvian Syrup for some time past; it gives me new vigor, buoyancy of spirits, elasticity of muscle."

Pamphlets containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen and others, will be sent free to any address

The genuine has "Peruvian Syrup" blown in the glass.

To Owners of Horses and Cattle.

TOBIAS' DERBY CONDITION POWDERS are warranted superior to any others, or no pay, for the cure of Distemper, Worms, Bots, Coughs, Hide-bound, Colds, &c., in Horses; and Colds, Coughs, Loss of Milk, Black Tongue, Horn Distemper, &c., in Cattle. They are perfectly safe and innocent; no need of stopping the working of your animals. They increase the appetite, give a fine coat, cleanse the stomach and urinary organs; also increase the milk of cows. Try them, and you will never be without them. Hiram Woodruff, the celebrated trainer of trotting horses, has used them for years, and recommends them to his friends. Col. Phil P. Bush, of the Jerome Race Course, Fordham, N. Y., would not use them until he was told of what they are composed, since which he is never without them. He has over twenty running horses in his charge, and for the last three years has used no other medicine for them. He has kindly permitted me to refer any one to him. Over 1,000 other references can be seen at the depot. Sold by Druggists and Saddlers. Price 25 cents per box. Depot, 56 Cortlandt Street, New York. no28

"Cheap Store,"

where you can get satisfaction for your money, and remember also that it requires money to conduct our business in a proper manner.

The highest price paid in goods for country produce, such as eggs, butter, eggs, bacon, &c.
no7-y H. BLACKISTON.

The Delaware Tribune is the Radical Republican newspaper of Delaware.

PROOFS OF THE SUPERIC QUALITY OF THE

AMERICAN WATCH,

MADE AT

WALTHAM, MASS.

The American Watch Company, of Waltham, Mass., respectfully submit that their Watches are cheaper, more accurate, less complex, more durable, better adapted for general use, and more easily kept in order and paired than any other watches in the market. They are simpler in structure, and therefore stronger, and less likely to be injured than the majority of foreign watches, which are composed of from 125 to 300 pieces, while in an English Watch there are more than 700 parts. How they run under the hardest trial watches can be, is shown by the following letter:

PENN. RAILROAD COMPANY.

Office of the Gen'l. Superintendent,
Altoona Pa., 15 Dec., 1866.

Gentlemen: The watches manufactured you have been in use on this railroad for several years by our enginemen, to whom we furnish watches as part of our equipment. There are now some three hundred of them carried on our line, and we consider them good and reliable time-keepers. Indeed, I have great satisfaction [illegible] have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware, we formerly trusted to those of English manufacture, of acknowledged good reputation; but as a class they never kept time as correctly, nor have they done as good service as yours.

In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years.

Respectfully,
EDWARD H. WILLIAMS,
General Superintendent.

American Watch Co., Waltham, Mass.

We make now five different grades of watches, named respectively as follows:

Appleton, Tracy & Co.,	*Waltham, Mass.*
Waltham Watch Co.,	*Waltham Mass.*
P. S. Bartlett,	*Waltham Mass.*
Wm. Ellery,	*Boston Mass.*
Home Watch Company,	*Boston Mass.*

All of these, with the exception of the Home Watch Company, are warranted by the American Watch Company to be of the best material, on the most approved principle, and to possess every requisite for a reliable timekeeper. Every dealer selling these Watches is provided with the Company's printed card of guarantee, which should accompany each Watch sold, so that buyers may feel sure that they are purchasing the genuine article. There are numerous counterfeits and imitations of our Watches sold throughout the country, and we would caution purchasers to be on their guard against imposition.

Any grades of Waltham Watches may be purchased of Watch Dealers throughout the country.
