ORPHANS' COURT ITEMS.—Philip W. Downes was appointed trustee for the sale of the real estate of Joshua Kilson, dec'd.

Thos. Butler, trustee for the sale of the real estate of Jesse F. Legar, his ward.

Samuel M. Carter passed final account of administration of the estate of Hannah Sloan, dec'd, and made distribution of balance in his hands.

DEDICATION.—Zion M. P. Church, situated at Yellow Bridge, three miles from Federalsburg, will be dedicated to the worship of Almighty God on Sunday, 15th inst. Dedicatory sermon at 10 1-2 A. M. Distinguished ministers from abroad will be in attendance. The public generally are respectfully invited to attend. B. F. BENSON, Missionary, Choptank Mission.

OLD FRANKLIN ALMANAC.—We ...ceived the Old Franklin Almanac ...8, published by A. Winch, No. ...estnut street, Philadelphia. The ...ac contains, exclusive of the actual ...mical calculations, a great variety ...istics, chronological tables, and ... matter, which is claimed to have ... before been introduced into a work ...is kind, and will be a valuable acquisition to every household, store, counting-room, manufactory, office and place ...business. Price 20 cts.

FAILED TO COME TO TIME.—The steamer *Hi. Livingston* failed to reach this place on Sunday last, but from what cause we have not learned. Well, we do not know that this community has lost much by her failure to reach this place, and we are sure they will not die from grief if she never makes her appearance here again.

BRUSHING UP.—It gives us pleasure to notice a decided improvement in the Drug Store kept by our very clever and enterprising friend Charley Stevens, Apothecary and Druggist in this place. He has recently given the inside of his establishment a thorough painting and cleansing and his store now looks as bright and neat as a new penny. We would advise all our merchants to do likewise.

AMERICAN FARMER, BALTIMORE.—The December number contains articles on the—Agricultural Policy of the South—Orthodox Manuring—Clover as Manure—Lime—Rotation of Crop Systems—Fall Ploughing—Colorado Potato Bug—Growing—Sheep—Mutton and ...Destruction of insects—Harvest ...—Besides Farm, Garden work, ... Department, and a variety of ...ing matter. Pubshed by ...H. LEWIS, Baltimore. $2 ...

QUITE AN IMPROVEMENT.—That spirited and enterprising journal, the Wilmington Daily *Commercial*, comes to us in an enlarged form and otherwise improved. It is the only daily paper published in the State of Delaware and its enterprising editors and proprietors, MESSRS JENKINS & ATKINSON, who are clever fellows, deserve a liberal patronage from the citizens of Wilmington and the people of that State generally. The typographical execution of the paper is not easily surpassed—its contents are rich and varied—its editorials are earnest and forcible—and the general make up of the paper is not excelled by many of the older issues in our large cities and equaled by few. We always look with pleasure upon the bright and cheerful face of the *mercial*" and give it a cordial welcome to our *sanctum*. We wish the "*Coial*" patronage commensurate with the enterprising spirit of its proprietors and the real merit of a journal so ably conducted.

APPOINTMENT OF CONSTABLES.—The County Commissioners for Caroline county appointed the following named Constables for this county, on Tuesday last.—1*st. District.*—H. ... Gen. ... *3rd District.*—Matthew Garey, ... Elijah ... *4th District.*—T. A. Sullivan. ... Hignutt.

The Commissioners will meet at their office on Tuesday next to receive the bonds of the newly appointed ...ables.

SPECIAL NOTICE COLUMN.

IRON IN THE BLOOD.
The necessity of a due proportion of iron in the blood is well known to all medicals; when it becomes reduced from any cause whatever, the whole system suffers, the weakest part being first attacked, and a feeling of languor, lassitude, and "all goreness" pervades the system. Stimulants only afford temporary relief, and have the same effect as giving a tired horse the whip instead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using the
PERUVIAN SYRUP,
a protected solution of the protoxide of Iron, which is so prepared that it assimilates at once with the blood, giving strength, vigor and new life to the whole system.
To take medicine to cure diseases occasioned by a deficiency of iron in the blood, without restoring it to the system, is like trying to repair a building when the foundation is gone.
An eminent divine says: "I have been using the Peruvian Syrup for some time past; it gives me new vigor, buoyancy of spirits, elasticity of muscle."
Pamphlets containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen and others, will be sent free to any address.
The genuine has "PERUVIAN SYRUP" blown in the glass.
