Jan. 20.—The real estate of the late Cornelius Conegys, at Jas. H. Willis' hotel, in Greensborough.

THE Orphans' Court for Caroline county will sit on Tuesday, January 12, 1869.

We saw but two christmas trees in our town during christmas week.

CHRISTMAS day was generaly observed by the business portion of our community.

THERE is a fair prospect for a rapid increase in the population of this county.

...DABLE DELAY.—A serious leak ...rung in the flume which conveys ... to the wheel of the new mill has some ... retarded operations there. The old flume has been taken out and a new one ... been put in and as soon as a head of water can be secured the work of grinding will be commenced. Sufficient grinding, however, was done to conclusively prove that the enterprise will be a success in every particular.

DONATION VISIT.—On Chirstmas night a number of the friends of Rev. J. W. Hammersley called at the parsonage, carrying with them a bounteous supply of the necessaries of life. The visit was most unexpected to Mr. H., and the affair was so quietly conducted that he was wholly unaware of the design of the callers, many of whom went early in the evening, until the speaker and provisions arrived. The presentation speech was made by Rev. R. W. Todd, in his usual free and easy manner, and was responded to by the recipient in his most happy style. After a few moments had been passed in conversation the party withdrew, leaving the reverend gentleman and his family to quietly enjoy their christmas gift.—The donation was made up by the citizens of Denton and vicinity.

MD & DEL R. R.—We availed ourselves of the opportunity during our christmas respite to ride over this road, and were forcibly struck with the improvements which have been added to it within the six weeks past. The old ratle-trap used as a passenger car has been laid aside, and one of the most comfortable and easy-riding carriages been substituted in its place. A new smoking and baggage car has also been added to ... train. At Greensborough a new station ...use has been built, and at Ridgely a switch ...n put in. The completion of the turnta... at Clayton and the laying of a Y at Hillsborough has put a stop to the running of the ...ine backwards. The road is now in per... running order to Hillsborough. Whilst in ... Superintendent's office at Greensborough, ... Wednesday of last week, we were shown ... copy of a contract, properly attested, for ... completion of the road to Easton in nine... days, with thirty days additional in which ... ballast and level the road after the winter ...reezes. This looks more in earnest than anything we have yet seen, and we indulge the hope that the people may not be disappointed in its early completion.

FREEZED TO DEATH.—On Thursday, the 24th ult., some parties in Federalsburg prevailed on William Johnson to go to Greenwood, on the Delaware R. R., ten miles distant, and lay in a supply of whiskey for christmas day. The weather was extremely cold, and the distance was to be traveled on foot. He proceeded on his journey, and arrived safe at Greenwood, where he laid in a supply of the ardent. He then started to return; but either from fatigue or the effects of whiskey, sat down by the roadside and fell asleep. When discovered, his face, feet and hands were stiff frozen, and himself insensible. Restoratives were freely applied, and on his return to consciousness he begged to be taken to his companions. This done they, in turn, sent him to a relative's where medical aid was called in. All efforts, however, were unavailing, and on the first instant he expired. Let all rum-drinkers profit by this sad occurrence.

SALES OF REAL ESTATE.—As an evidence of the truthfulness of the announcements heretofore made in THE UNION relative to the second influx of people from the North, we offer the following list of sales effected by the Mancha Bros., at Ridgely. The prices are not stated because they were not appended to the list:

Franklin Fell, to Samuel ... Conn., Henry Murphy, to Henry T. Wessels, of Peekskill, N. Y.; A. Trout, to Samuel Plank, of Penn.; Michael Dougherty, to Edmnud J. Fry, of Penn.; S. W. Tilton, to R. B. Lamb, of N. Jersey.; Thomas W. Fisher, to J. E. Smith, of Pa.; H. W. Dougherty, to Dr. A. F. Bowan, of Wis.; Henry Fisher, to Col. Lewis Green, of Pa.; Daniel Spahr, to Jno. Evererd, of Pa.; Geo. W. Kughler, to Capt. Gilbert Sanders, of N. Y.; Jacob Kurtz, to Mr. Shæfer, of Phila.

SEIZURE OF RAILROAD IRON.—About ninety tons of iron were recently purchased in New York for the purpose of finishing the track of the Maryland and Delaware Railroad from Hillborough to Easton. The first instalment of the iron arrived at New Castle about a week ago for shipment *via* Delaware Railroad to its destination. Before it could be shipped, however, it was at the suit of Naylor & Co., by whom it had been sold, seized by the Sheriff, in whose custody it still remains. We fear this may delay the completion of this inportant enterprise, which seems to have met with nothing but trouble from its very inception up to the present time.—*Wilmington Commercial,*

—The same paper, in a later issue, states that the friends of this road claim that the seizure of this iron was the result of a misunderstanding, and that it will shortly be released. They further say that it will not delay the completion of the road to Easton in ninety days.

THE RESULT OF A DRUNKEN SPREE.—William Parr, an Englishman, and engineer at the steam saw mill below Federalsburg, ended his days in a very sad way on Friday night, the 1st inst. He had come to Mr. John Carroll's public house, in Federalsburg, a few days previous, and engaged board. For about four weeks he had been on a spree, and had brought on himself the delirium tremens—the usual result of such protracted frolics. On the night in question he was in his room, and raising his window, he either jumped out or fell out upon the brick pavement below, his head receiving the shock and killing him almost instantly. A coroner's jury was summoned and a verdict rendered in accordance with the above facts.

TO PHYSICIANS.
NEW YORK, August 15th 1867.
Allow me to call your attention to my PREPARATION OF COMPOUND EXTRACT BUCHU. The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.
MODE OF PREPARATION.—Buchu, in vacuo.—Juniper Berries, by distillation, to form a fine gin. Cubebs extracted, by displacement by liquor obtained from Juniper Berries, contained very little sugar, a small proportion of spirit, and more platable than any now in use. The active properties are by this mode extracted.
Buchu, as prepared by Druggists generally, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients.—The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever or inflammation exists. In this, you have the knowledge of the ingredients and the mode of preparation.
Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation
With a feeling of confidence,
I am, very respectfully,
T. H. HELMBOLD,
Chemist and Druggist of 16 Years' Experience in Philadelphia, and now located at his Drug and Chemical Warehouse, 564 Broadway New York.
[From the largest Manufacturing Chemists in the World.]
"I am acquainted with Mr. H. T. Helmbold; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise.
WILLIAM WEIGHTMAN,
Firm of Powers & Weightman, Manufacturing Chemists, Ninth and Brown Streets, Philadelphia.
HELMBOLD'S FLUID EXTRACT BUCHU, for weakness arising from indiscretion. The exhausted powers of Nature which are accompanied by so many alarming symptoms, among which will be found, Indisposition to Exertion, Loss of Memory, Wakefulness, Horror of Disease, or Forebodings of Evil; in fact, Universal Lassitude, Prostration, and inability to enter into the enjoyments of society.
The Constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or Insanity ensues.
HELMBOLD'S FLUID EXTRACT BUCHU, in affections peculiar to Females, is unequaled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaint incident to the sex, whether arising from habits of dissipation, imprudence in, or the decline or change of life.
Helmbold's Fluid Extract Buchu and improved Rose Wash will radicaly exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely surperseding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.
Use Helmbold's Fuid Extract Buchu in all diseases of these organs, whether existing in male or female, from whatever case originating, and no matter of how long standing. It is pleasant in taste and odor, immediate" in action, and more strengthening than any of the preparations of Bark or Iron.
Those suffering from broken-down or delicate consttiution, procure the remedy at once.
The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.
All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.
Sold by Druggists everywhere. Price—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Described symptoms in all communications.
Address H. T. HELMBOLD, Drug and Chemical Warehouse, 564 Broadway, N. Y.
