Town and County Intelligence.

REGISTER OF SALES—The following sales are to come off, for which bills have been printed at this office, or are advertised in this paper:

Jan. 30.—The real estate of the late Cornelius Comegys, at Jas. H. Willis' hotel, in Greensborough.

Feb. 15.—D Blocksom will sell the real estate formerly belonging to Lewis and Jno Black and wife, at the Court House.

THE Orphans' Court for Caroline county will sit on Tuesday, January 26, 1869.

ONE HUNDRED persons have joined the I. O. G. T. since its institution in Marydell.

THE Board of County Commissioners, and also the School Board, will meet in Denton on Tuesday, the 2nd day of March.

REVIVAL.—The M. E. Church is holding a revival in the Good Templars' hall, Marydell. Thirty-six have professed conversion.

NEW SEXTON.—George Dixon, colored, has been appointed sexton of the M. E. Church in this town, *vice* Stanford Potter, resigned. Salary, $36 per year.

SCARCE.—Local items, money, rich printers, young ladies that don't want to be married, houses for rent, etc—all scarce, but money particularly so.

NEW DRUG STORE.—Mr. Charles Janvier, of Philadelphia, has opened a very handsome drug store in Marydell, said to be one of the handsomest drug stores on the Peninsula.

FINGER AMPUTATED.—Drs. Tarr and Noble, on Thursday last, amputated a finger from the hand of Miss Dorcas Noble, near Federal[illegible]g. The existence of a cancer rend[illegible]peration necessary.

RELEASED.—The iron for the Maryland & Delaware Railroad, seized some time ago at [illegible]ered the [illegible]w Castle, has been released and shipped [illegible] its destination. The prospect now seems favorable for an early completion of the road to Easton.

APPOINTED.—Dr. Charles E. Tarr has been appointed to fill the vacancy in the School Board occasioned by the removal of Mr. Robert H. Wilson to Easton. The same gentleman was also lately appointed physician to the alms-house.

EXTRA MEETING.—The extra meetings begun in the M. E. Church in this town some two weeks since still continue, though attended with very little success. Our worthy ministers are yet hopeful, and labor with unremitting zeal in the work of salvation.

THE TEMPERANCE CAUSE.—The Grand Worthy Chief Templar of this State, Rev. Mr. Poulson, purposes, we are informed, making a tour through the towns on the Eastern Shore delivering lectures in aid of the temperance cause. He will reach this town sometime next month, at which time we ask that our citizens will turn out in full force.

ECLIPSE OF THE MOON.—A partial eclipse of the moon will take place on Wednesday next, the 27th inst., beginning at 7.32, P. M., and ending at 9,52, P. M. The middle of the eclipse will occur at 8.42, P. M., and the obscuration will be 5,496 digits on the northern limb of the moon. The phenomenon will be visible in all parts of the United States.

THE WEATHER.—Nature seems to be endeavoring to atone for the stormy and unpropitious manner in which the new year was ushered in, and the fiery orb lends his bright effulgence to banish away from our minds whatever of gloom and despondency may have overspread us. His mild rays seem also to have a benign influence upon inanimate creation. The rose-buds have begun to put forth, and the various fields of wheat have assumed a deep green hue.—The warm spell has not been sufficiently protracted to injure the peaches should the weather set in cold again, as it doubtless will. We have thus far had a very mild winter, and suffering has not been so great as on former occasions.

PROCEEDINGS OF THE ORPHAN'S COURT.—The will of Lucy B. Richardson, dec'd, was admitted to probate.

Denward Willis, administrator of Rhd. Plummer, dec'd obtaned an order to sell the personal estate.

R. C. Carter, administrator of Wm. Roe, who was excutor of John H. Jump, dec'd, passed 4th and final account of administration in John H. Jump's estate.

In the matter of the refference between Mary E. Sherwood and Mary E. Gooding & Aaron L. Gooding, administrators of Jas. Gooding, dec'd, award filed and approved by the Court.

Order by the Court requiring Thos. Bell, guardian to Mary E. Williamson and others, to invest the amount of their money in his hands in Easton National Bank stock, in the name of each ward.

Order by the Court that Poulson E. Hubbard guardian to John R. Towers and others, invest the amount of money in his hands, due to his wards, in the Easton National Bank stock, in the name of each ward.

Preston.

From our Special Correspondent.

—The exhibition which was announced to have taken place on Friday, the 15th inst., was postponed on account of inclement weather. This exhibition, the fourth ever given by the pupils of Preston Academy, will no doubt be quite an interesting affair.

—Winter again made its appearance among us on Friday night, and the following morning the ground bore a very white appearance. But thus far there has been no snow fitting for sleighing, and pleasure seekers (though there are not many in this vicinity) have had to content themselves with merely looking on without even daring try the pleasure of sleigh-riding. A great many, in the early part of the season, enjoyed skating, but they have been deprived of that source of amusement, too, as the mild, rainy weather has melted all the ice until scarcely a vestige of it can be seen.

Our village, at present, presents but a poor show of improvements, but one house being in the course of erection. Mr. F. A. Willis has purchased a building lot, but whether he purposes building or not we do not know.—Mr. J. W. Bradley will have his house completed in a short time. It is now all shut in. In the fall, we heard it rumored that Dr. H. F. Willis intended to build a new store house for a druggist, but we hear nothing of it at present. There are some beautiful sites for building in Preston, and we sometimes wonder that people do not erect more houses.

JIMMIE.

PENINSULAR JOTTINGS.

WICOMICO COUNTY.

—Mr. C. A. Wailes, junior editor of the *Eastern Shoreman*, was married on the 12th inst. to a daughter of Geo. Colton, editor of the *Maryland Republican*. We wish the newly-made couple all the joy and felicity of a long and happy life. May their union never get out of *sorts* and may they never lack for SMALL CAPS.

CECIL COUNTY.

—Stephen B. Foard has been appointed postmaster at Zion, vice Jas. L. Carhart, resigned.

—Mr. Charles Murphy, of the 4th district, had 32 sheep killed by dogs one night last week

—Capt. John S Christie, a prominent citizen of the 8th district, died suddenly on Wednesday last,

SUSSEX COUNTY.

—A very successful religious revival is in progress at Milford.

—Hon. J. W. Houston has been re-elected President of the Junction & Breakwater R. R.

Mr. Wm. Cullen had his horse and buggy stolen from him whilst hitched in front of one of the stores in Milford one night last week. The thief returned it later in the night and left it at the hotel. That was an honest thief.

DORCHESTER COUNTY.

—There is some talk of building a Catholic Church in Cambridge.

—The *Intelligencer* has information that a fresh start will be taken on the railroad in a few days.

—A part of the crew of the schooner John McAdam was arrested, at the instance of the captain, for mutiny and insubordination, on Thursday last, and brought before Justice Winterbottom, but was discharged after a full hearing.

WORCESTER COUNTY.

—Court commenced at Snow Hill on Monday.

—The fourth Democratic newspaper in Worcester is to be started soon.

—A protracted meeting has been in progress in the M. E. Church, Newtown, for two weeks.

—The new Rector of the Snow Hill Presbyterian Church, Rev. Chas. Beach, proves very acceptable to his congregation.

—A fair was recently held in the Odd Fellow's hall building, Sow Hill, in aid of the M. E. Church. Nearly $200 was realized from it.

—Rev. James G. Council, who lately accepted a call to the Baptist Church of Newtown and other connected appointments, has entered upon his duties.

TALBOT COUNTY.

—Bishop Lay has accepted the call to the Diocease of Easton.

—Wm. H. Groome, President Easton National Bank, died last Saturday week.

—Easton has a circulating library, and a large and new selection of books has just been added to it.

—The board of School Commissioners have established a preparatory department in the high school, and appointed Wm. Nelson, of the University of Virginia, as assistant teacher.

—The dwelling on John McD. Goldsborough's farm, "Hayland," was destroyed by fire on Monday night week—the result of a defective chimney. Mr. Seymour, the tenant, lost all his furuiture, except a bed and bureau. A hundred dollars in money, paid him a few days previous by Mr. G., was also lost by the fire.

NEW CASTLE COUNTY.

—Thomas Darlington has been appointed Assignee of Edward T. Stroud, Bankrupt.

—Wm. B. Wilmer, hatter, of Wilmington, has failed, and his stock was sold by the Sheriff on Saturday last.

—Francis Barry has been elected President of the Farmers' Bank, of Wilmington, vice C. I. Dupont, resigned.

—The Chester Creek Railroad has been so far completed as to admit of cars along its whole length and will soon be opened for travel.—Samuel M. Felton has been elected President of the company.

—A number of steamboats and steamships are on the marine railways in Wilmington for repairs, though not so many as in years previous owing to the fact that navigation continues open.

KENT COUNTY, MD.

—Mr. Chas. G. Ricaud has resigned the office of Principal of Shrewsbury academy, in Galena.

—On Saturday week, Magistrate Hurt held an inquest over the body of Bill Sampson, col'd, who broke his Neck by slipping from a load of straw.

—An effort is being made by the new Board of Directors of the Kent railroad to change the route of the road so as to pass within four miles of Chestertown.

A fine swan, measuring 7 ft. 2 in., was shot by Mr. J. B. Sheppard, on Easter Neck Island, with a Remington revolver at a distance of 500 yards. A good shot that.

—The would-be assassin of Capt. Wallace Clayton, who attempted to murder that gentleman whilst asleep in his cabin on the 28th of May, 1867, was arrested a few days since and fully identified. He was committed.

—Col. Samuel W. Spencer, late cashier of Kent National Bank, was a defaulter to that institution in the sum of about $50,000. The fact was ascertained a few days before his death, and when confronted in regard to it, he made restitution to the full amount of his real and personal property, which nearly covers the amount of his indebtedness. The Bank is not effected in the least by this defalcation, and continues business as usual. The method adopted by Mr. S. was by false entries and erroneous reports of the amounts of individual deposits and accounts with city banks, and covers a period of several years.

KENT COUNTY, DEL.

—Mr. Whitlock last week shipped from Clayton sixty hundred weight of poultry.

—The M. E. Church, of Dover, is meeting with much success with its extra meetings.

—The annual meeting of the stockholders of the Delaware R. R. was held in Dover last week, and the same officers continued.

—Richard M. Harrington, Esq., of Dover, has removed to Washington, where he will continue the practice of his profession.

—The woods and other places around Middletown have been overrun with crows recently. They were so thick that they could be killed with a stick. So says the Smyrna *Times*.

—Wm. Green shot James Donoho in the thigh for assaulting him on the streets of Smyrna, on Saturday night week. Donoho had an assistant. The affair grew out of a dog fight.

—The darkies of Dover gave one of their number a tin-wedding recently, and it is said the twain were the recipients of about a cart-load of pans, buckets, pots and kettles, but about half the articles were stolen, and it sets hard on some of the donors.

TO PHYSICIANS.

NEW YORK, August 15th 1867.

Allow me to call your attention to my PREPARATION OF COMPOUND EXTRACT BUCHU. The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.—Buchu, in vacuo.—Juniper Berries, by distillation, to form a fine gin. Cubebs extracted, by displacement by liquor obtained from Juniper Berries, contained very little sugar, a small proportion of spirit, and more palatable than any now in use. The active properties are by this mode extracted.

Buchu, as prepared by Druggists generally, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients.—The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever or inflammation exists. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation

With a feeling of confidence,
I am, very respectfully,
T. H. HELMBOLD,
Chemist and Druggist of 16 Years' Experience in Philadelphia, and now located at his Drug and Chemical Warehouse, 594 Broadway New York.

[From the largest Manufacturing Chemists in the World.]

"I am acquainted with Mr. H. T. Helmbold; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise.

WILLIAM WEIGHTMAN,
Firm of Powers & Weightman, Manufacturing Chemists, Ninth and Brown Streets, Philadelphia.

HELMBOLD'S FLUID EXTRACT BUCHU, for weakness arising from indiscretion. The exhausted powers of Nature which are accompanied by so many alarming symptoms, among which will be found, Indisposition to Exertion, Loss of Memory, Wakefulness, Horror of Disease, or Forebodings of Evil; in fact, Universal Lassitude, Prostration, and inability to enter into the enjoyments of society.

The Constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or Insanity ensues.

HELMBOLD'S FLUID EXTRACT BUCHU, in affections peculiar to Females, is unequaled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaint incident to the sex, whether arising from habits of dissipation, imprudence in, or the decline or change of life.

Helmbold's Fluid Extract Buchu and improved Rose Wash will radicaly exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely surperseding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

Use Helmbold's Fuid Extract Buchu in all diseases of these organs, whether existing in male or female, from whatever case originating, and no matter of how long standing. It is pleasant in taste and odor, immediate'' in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitution, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. Price—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Described symptoms in all communications.

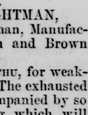

Address H. T. HELMBOLD, Drug and Chemical Warehouse, 564 Broadway, N. Y.
