Town and County Intelligence.

THE Orphans' Court for Caroline county will sit on Tuesday, February 23, 1869.

ELECTED.—Dr. Wm. S. Ridgely has been elected county vice-President of the Maryland Sunday School Union on the part of this county.

BEQUEST.—Hon. Martin W. Bates, who recently died at Dover, Del., left $5,000 to the superannuated preachers of the Philadelphia and Wilmington Conferences.

KRIMPSUS KRIMP.—We have received your temperance story, and will find room for it as soon as we have concluded the serial story in which we are now engaged.

REPAIRING.—The schooner *Caroline Virginia*, Capt. E. C. Brown is now lying at her wharf, at the bridge, undergoing repairs.—She will resume her trips in a couple of weeks.

ADVERTISING is merely making an extension of your shop front in the newspapers.—You display your articles in the window where a few hundred see them, and in a newspaper you enumerate what you have for sale, and thousands are thereby attracted to your store.

LAND SALE.—The Mancha Brothers have sold Mr. Reese's property, containing 20 acres, to Mr. John Johnson, of Columbia county, Pa., for $385. They have sold other and larger tracts, but are waiting for the parties to comply with the terms of agreement before giving them publicity.

THE DORCHESTER & DEL. RAILROAD.—The laying of the rails on the Dorchester and Delaware Railroad has been resumed, and there is every prospect that matters will progress. Iron sufficient to lay about three miles of the track has arrived and the workman are pushing things about eleven miles from Cambridge. The road is all graded, we believe, and the bridges built.

LAUREL (OR IVY) ROOT.—There is scattered all over this county, immense quantities of Laurel—the roots of which are in great demand and command large prices. As it stands in the woods it is of no use or benefit to any one, and could be very well spared. Therefore, our advice to those whose land produces Laurel is to dig up the roots and ship them to some wood-pipe manufacturers in the city. They are worth $16 per ton.

REVIVAL IN GREENSBOROUGH.—We learn that one of the largest and most interesting religious revivals ever held in Greensborough is now in progress in that town. During the afternoons and evenings the stores and places of business generally are closed, and, we have been told that on Tuesday week the meeting was held all day long, and until a late hour at night. The altar is continually thronged with penitents, and scores are happily converted.

THE EXTRA MEETINGS IN DENTON.—Up to the present writing some fifteen or twenty persons have professed religion, and the meeting is still in progress, though held only four times a week. The meetings have been well attended throughout, and a feeling of religious duty seems to pervade the hearts of many who are yet strangers to the fold of Christ. We trust the good work may continue, for our town is sadly in need of a spiritual regeneration.

ATTEMPTED SUICIDE.—Mr. Agel Andrew, an aged citizen of the 4th District, attempted to take his life, on Monday of last week, by swallowing poison. He at first refused to take any medicine to counteract the effects of the poison, but some was put into him in some manner, and he is now as well as ever. This attempt at suicide, it is thought by some of the members of his family, was caused by a trifling financial embarrassment which he has suffered to weigh too heavily upon his mind.

THE RAILROAD.—Work is progressing swimmingly on the unfinished portion of the railroad between Hillsborough and Easton. Workmen are constantly arriving, and the consequence is that the work is progressing rapidly. On Monday a force of about thirty men passed through town on their way to Hillsborough. Some idea of the force engaged near Hillsborough may be ascertained from the fact that the contractors were in town a few days since endeavoring to find a person who would agree to furnish them with one hundred loaves of bread per day.

ORPHANS' COURT ITEMS.—In the Orphans' Court, on Tuesday, the following business was transacted:

Jonathan Evitts, administrator of Laura V. Williams, deceased, passed final account of administration.

Denward Willis, administrator of R. Plummer, deceased, returned account of sales, which was passed and ordered to be recorded.

Wm. H. Comegys, executor of Cornelius Comegys, deceased, reported sales of real estate. Report states amount of sales to be $1,135.00.

The Court extended the time of Thos. H. Kemp and J. W. Kerr, administrators of J. L. Zook, deceased, in which to complete their administration four months from the 20th inst., under article 33, section 102, of the laws of Maryland.

CHILDREN'S MEETINGS.—A most interesting children's meeting was held in the M. E. Church on Sunday afternoon last, and also the Sunday preceeding. The exercises consisted of singing and prayer, and the imparting of religious instruction to the children. Short addresses were delivered by Rev. Robt. W. Todd, Robt. J. Jump and Jno. D. Kemp, Esqrs., and Mr. N. A. Hutson, which seemed to be listened to with great attention.—On next Sabbath afternoon, at 2 o'clock, and on each succeeding Sabbath, these meetings will be held, to which all persons are cordially invited.

RIDGELY.—A private letter received at this office on Tuesday contains the following gratifying intelligence with reference to this new town:

There is now a party here about negotiating with Thomas Bell for his home place, and the surveyor is running out his lines.—We are expecting Ridgely to take a new start, and quite a number of new houses to be built here this year, with factories of different kinds. The party negotiating for the property seems to be in earnest, and we confidently expect Ridgely to be a thriving place shortly.

Preston.

E. T. Moore has sold one of his houses in Preston for $1,000.

Preparations are being made to hold a festival on the 17th inst., to raise funds to pay the remainder of the salary yet due the preacher. A meeting of the committees was held on Friday, but with what result we are not advised.

The sporting fraternity of Preston and vicinity indulged in a very exciting fox chase on the 28th ult. Reynard was turned loose near town, and after circling around awhile, he swam the river, and denned himself in Talbot county. Both men and dogs followed, but his retreat was too secure, and they were compelled to leave him master of the situation.

PENINSULAR JOTTINGS.

KENT COUNTY, DEL.

—The Levy Court has made the following appointments: State Treasurer, Wm. J. Clark; County Treasurer, John W. Voshell; Auditor, Danl. Lambdim.

KENT COUNTY, MD.

—Wm. B. Usilton, with Jno. T Dodd alternate, and Jas. Shuster, with John Gale as alternate, have been elected to represent the M. P. Church for Kent Circuit in the Md. Annual Conference which meets in Georgetown, D. C., on March 11th.

SUSSEX COUNTY.

—Ed. W. Houston has been appointed County Treasurer.

—The necessary apparatus for the Hook and Ladder company has been purchased and received at Milford.

—An effort is being made to obtain a charter for a canal from Lewes Creek through to Indian Creek and thence to the Chesapeake.—The *Journal* states that all the stock is taken.

TALBOT COUNTY.

—Quite a severe thunder storm visited Easton and vicinity on Friday night week.

—Capt. Hardcastle has denied the correctness of the statements recently put in circulation, under his signature, concerning the progress and profits derived from the Md & Del. R. R.

—A white man named Wm. Bell, and a colored man named Henry were suffocated in the cabin of a vessel lying at anchor in Skipton Creek, on Tuesday night week. They had fastened the cabin door very tight and had left a coal oil lamp burning without a chimney.

NEW CASTLE COUNTY.

—Scarlet fever is raging in Wilmington.

—Chas I. Dupont, a prominent citizen of Wilmington died last week.

—The canal will be closed during this week in order to put some necessary repairs upon the lock at Chesapeake city.

—The last year was one of unusual prosperity for Wilmington. 402 houses were erected at a cost of $822,600. This amount is less than the cost of a smaller number of buildings the year previous, but is accounted for by the fact that in 1867 three churches, were built including Grace M. E. Church, the finest in the United States.

DORCHESTER COUNTY.

—John Matthews was lodged in jail on Sunday week charged with shooting Peter Blake without provocation. Both were negroes.

—Wm. A. T. Phillips, recently arrested for embezzling money-order funds through the post office at Cambridge, and lodged in jail in Baltimore, is again at liberty, his father having entered his bail in the sum of $3,000.

—Mr. A. S. Percy discovered a man entering his dwelling, on Thursday night week, by a back window. It was a German in his employ, and who, it is thought, was after money. He was permitted to go at large upon promising to leave the neighborhood.

—Chas. H. Macer, colored, made complaint before Justice Winterbottom that John H. Cook, white, had shot him with a double-barrel gun. Cook has been arrested and held to bail in the sum of $100.

CECIL COUNTY.

—D. Scott of Scott's Mills, had 36 sheep killed by dogs recently.

—Mr. Thos. J. Jones has built a large new foundry in Elkton, and will soon put in operation therewith wheelwright and blacksmith shops.

—A young lad named John Rossel was burried beneath a car load of coal which was dumped whilst he was on the side of the car one day last week. He was only perceived by his companion who was on the end of the car, and who communicated the fact to the men engaged in unloading it, and when extricated he was barely able to speak.

—Horace Johnson, aged about nine years, was knocked senseless by a stone thrown by a negro who was drunk, and when a crowd of boys was tormenting him. The stone was thrown into the crowd and struck Johnson on the head, making an indentation as large as the bowl of a table spoon. Johnson is still living, contrary to the predictions of the physicians.

—The *Democrat* reached us on Saturday in a much enlarged condition, and printed upon a Potter Power Press. The Democrat is now one of the largest, neatest and best papers in Maryland. We don't admire its politics, yet we are willing to acknowledge ability, and must do the editor the justice to say that his paper stands in the front rank of the Maryland journals of that political faith.

Order of Publication.

Wm. T. Elliott and Nettie Elliott, his wife, and J. F. Mancha and Lizzie, his wife,
vs.
Lavina Zook, widow of J. L. Zook, dec'd, and Mary F. Zook, Carrie A. Zook, Richard R. Zook, Henrietta Zook, J. W. Kerr, and Thos. H. Kemp, admr's of Jacob L. Zook, dec'd & J. G. Redden.

Circuit Court for Caroline county, in Equity.

THE object of this suit is to procure a decree for a sale of certain real estate situate and being in Caroline county.

The amended bill of complaint states that heretofore the complainants filed their bill of complaint in this court against Lavina Zook, widow of Jacob L. Zook, late of Caroline county deceased, and Mary F. Zook, Carrie A. Zook, Richard R. Zook and Henrietta M. Zook, who were then residents of Caroline county aforesaid and praying, among other things, for a sale of the real estate in said bill of complaint mentioned, to which bill the defendants and other proceedings were, as by the proceedings now in this court will appear; that since filing said original bill they have discovered that the personal estate of Jacob L. Zook, dec'd, in the hands of the administrators, J. W. Kerr and Thos H. Kemp, will not pay the debts due from said deceased; that one James G. Redden holds a mortgage against said real estate for a large sum of money, but for what amount, after deducting all proper credits, your orators are not informed; that since filing their original bill in this cause, Lavina Zook, widow of said Jacob L. Zook, and Mary F. Zook, Carrie A. Zook, Richard R. Zook, Henrietta Zook have removed from Caroline county to the State of Pennsylvania and are now non-residents; that Mary F. Zook, Carrie A. Zook, Richard R. Zook and Henrietta Zook are infants under the age of twenty-one years: It is therefore adjudged and ordered that the complainants, by causing a copy of this order to be inserted in some newspaper published at Denton, Caroline county, once in each of four successive weeks, before the twenty-second day of February next, give notice to the said absent defendants of the object and substance of this bill, and warn them to appear in this Court, in person or by solicitor, on or before the TWENTY-FOURTH DAY OF MAY, next, to answer the premises and show cause, if any they have, why a decree ought not to pass as prayed.
