Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, April 27th.

SCHOOL TRUSTEES.—An election for two school trustees in each school district is ordered for May 1st.

THE causeway is in a miserable condition. How much longer will the Gommissioners suffer it to remain so?

FROST.—Frost has been quite plentiful since Sunday. The weather continues cool, and vegetation seems to be at a stand still.

HANDBILLS, circulars, billheads, blanks, cards, and printing of every discription neatly and cheaply executed at this office. We print either plain or in colors.

CLOTHING STORE.—The store of Capt. A. Stewart has been rented to a gentleman from Baltimore city, and a clothing store will be opened therein next Monday.

REMOVAL.—Miss Mollie Postlethwaite has removed her millinery store into one of the upper rooms of Mr. Wm. Lockerman's dwelling, opposite the Court House.

A GREAT big bear show arrived in town on Tuesday, and from what we can learn from those who went into it, it was one of the *barest* things which has lately come along this way.

ERRATA.—In arranging the outside pages of this paper an error has crept into our date. The paper is dated the 17th instead of the 15th. We make the correction to prevent confusion.

ANSWERS TO ENIGMAS.—Wm. H. Baker furnishes correct answers to the enigmas in our last number, as follows: Ist Enigma, "The Bible—every man's friend and guide." 2nd Enigma, "American Union." Wm. H. Alburger also sends correct solutions.

BALD EAGLE KILLED.—Mr. — Clark, residing in the First District, killed a bald eagle a few days since which measured 7 feet and 7 inches from tip to tip of its wings, and which weighed 15 pounds. It has been sent to a taxidermist to be stuffed.

DORCHESTER & DEL. R. R.—The rails have been laid on this road to within nine miles of Cambridge, and there the tracklayers stopped for want of iron. Efforts are being made to raise a sufficient amount of money to complete the road in Cambridge.

EVERY merchant wants his bill heads and due bills; every mechanic his card; every business man his card and circular, and every professional man his envelope and letter head. The place to get these printed neat and at a low price is at this office.

SINCE shad have become more plentiful prices have been reduced, and his shadship has become the prevailing dish upon the tables of our people. They sell at from 25 to 30 cents per pair. Some entertain the opinion that they will not fall below these figures.

ASSESSMENT APPEALS.—Thos. King Carroll, Jr., Assessor First Maryland district, announces that he will hear and determine all appeals from the assessment or valuation of the Assistant Assessors, at his office in Church Creek, on the 22nd, 23rd, 24th and 26th days of April, inst. All appeals must be made in writing.

THE published report of the State Superintendent of Public Schools in this State shows that this county received from the shool fund the sum of $9,941.60 for the year ending September 3th, 1868. Of this sum $7,267.76 was the State School Tax, 1,873.-84 the Free School Fund, and $800 the Academic Fund.

MD. & DEL. R. R.—The rails have been laid on this road as far as Lloyd's branch, and construction trains pass and re-pass safely over them. The bridge at this point is being put in, and the iron steed will soon leap this wide-extended chasm. Iron continues to arrive, and satisfactory progress is being made on the road.

PEACHES.—Serious apprehensions are felt by many of our farmers and fruit growers lest the peach crop in this county is entirely blasted. Up to Sunday the prospect for a full crop of peaches was promising, but the frost and ice of that night, it is feared, has completely killed the buds. Some of the most intelligent fruit-growers assert that if we have enough for home consumption we may be thankful.

SLIGHT ACCIDENT TO THE ENTERPRISE MILLS.—On Wednesday, of last week, the machinery of the Enterprise Mills suddenly ceased to turn and everything came to a dead halt. An examination proved that a number of the gates in the wheel had been broken by a piece of wood which some mischievous boy had thrown into the shoot which conveys the water to the reservoir coming in contact with them. The proprietors immediately sent to the city for a set of new gates and operations will be resumed towards the close of this week. In the meantime, a new and substantial reservoir has been built, and everything is in first-rate running order.—The meal and flour ground at this mill is excelled by no mill in the county.

HUTSON'S bakery is in full blast, and is under the care of an experienced city baker. Patronize him, friends, for it is a great convenience to this town.

REV. J. G. FOSNOCHT preached his first sermon in this town on Sunday evening last, and acquitted himself very creditably. He is unquestionably a man of more than ordinary intellect. With proper training that intellect will, if his life is sufficiently protracted, enable him to be reckoned among the greater lights of the Wilmington Conference. His first sermon was more of an imaginative essay than a theological discourse; hence we cannot form any correct opinion of his ministerial abilities. Next Sabbath morning and evening is his regular appointment for this town.

FATAL ACCIDENT.—Intelligence has reached us of a very sad and fatal accident which befell a little son, aged eight years, of Mr. George Wooters, residing in Talbot, near Easton, on Thursday last. The little fellow had been sent into the field to invite his father to dinner, and begged to ride one of the horses to the house. His father helped him to the horse, and then attempted to hand him a bucket. This struck the horse, and frightened it it so terribly that it sarted in a full run. The child was thrown off, and in falling his clothes became entangled among the gear. In this condition he was dragged around the field till life was extinct.

LARGE TRANSACTION.—On Friday evening last, one of the largest transfers of property made in this county for some time was consummated at the law office of Messrs. Jump & Ridgely, the same being the "Bell Farm," upon which the prospective city of Ridgely is located. We have already stated that negotiations were pending for the purchase of this place, and on the evening aforementioned it was conveyed to Mr. Wm. Elliott, a banker of Philadelphia. The fact that every dollar of the purchase money ($13,000) was paid in cash gives some additional significance to this transaction, as well as affords some positive evidence of the disposition of the money of the country.

WINTER STILL LINGERS.—Although the blooming flowerets and the matin chimes of the sweet-tongued warblers indicate the presence of Spring, stern Winter still lingers amongst us, and occasionally exhibits his antipathy to his rapidly-approaching dissolution by spiteful manifestations of his waning power. All day Sunday he fretted, sometimes to tears, and then again, as if displeased at everything around him he would crystalize those tears into flakes of pearly white snow. But the opposing elements were too powerful for him, and he was soon placed *hors de combat*, and during the night he stealthily retreated within his dismal cave.—Farewell, old Boreas, thy mission has been accomplished and we have no more work for thee to do. Welcome, thou gentle Auster, and infuse thyself into all creation, both animate and inanimate.

ORPHANS' COURT PROCEEDINGS.—Joshua Noble and Charles Wright, administrators of Cannon Charles, deceased, presented receipt and final release from Michael Coulbourn, administrator of Rebecca Coulbourn, deceased. Passed.

James L. Payne passed first administration account on the estate of Daniel Payne, decd.

Thomas Bell, guardian to Mary F., Sarah C., and Anna R. Williamson, presented second guardian account. Passed.

Jas. Pippin, administrator of Rhoda Tilghman, passed final distribution.

Letters of administration were granted to Hooper B. Hopkins on the estate of Philip Freeman.

In the matter of Nathan Corkran and others *vs.* Robert Patton and Milcah Blades, the prayer of the counsel for plaintiffs to amend was granted.

PROCEEDINGS OF THE COURT.—We add the following proceedings to our record of last week:

B. G. Stevens vs. Garetson Smith. Appeal. Judgment reversed and judgment for appellant's cost. Martin & Bryant for appellant; Kemp for appellee.

J. T. Richardson vs. J. D. Kemp. Appeal. Judgment reversed, and judgment for appellee for $11.25 and costs. George W. Bryant for appellant; Kemp for appellee.

E. Hubbard and wife vs. Ed. Dabson.—Appeal. Appeal dismissed. Geo. W. Bryant for appellant, and Blocksom & Kemp for appellee.

J. Hopkins Tarr vs. Thos. F. Garey. Verdict for plaintiff of $1275. Martin, Kemp & Hignutt for plaintiff, and J. W. Bryant for defendant.

The case of H. Mobray vs. Mitchell Covey was removed to Talbot county.

J. Marion Emerson vs. County Commissioners. Judgment for $602.47 with interest from April 5, 1869, till paid and costs.—Jump & Ridgely for plaintiff, Downes for defendants.

State vs. Geo. Harrington. Larceny. Not guilty. Bryant for State; Jump & Ridgely and Russum for defendant.

State vs. Jas. Sudler. Larceny. Removed to Queen Anne's.

State vs. Thos. F. Jackson. Indicted for neglect of duty as Road Supervisor. Not guilty. Bryant for State; Jump & Ridgely for defendant.

Truax vs. Saxton. Motion to quash attachment. Attachment quashed. Downes for plaintiff; J. W. Bryant & Russum for defendant.

As we go to press court is still in session, but the opinion prevails that it will adjourn to-day.

We are under obligations to those who complied with our request and settled up their delinquent bills. For them we shall always cherish a feeling of high regard.—But there are a great many others who have not come near our office during court, and who evidently endeavor to keep aloof from us. This game won't do, gentlemen. We have performed our work, and now we want our pay, and if it is not forthcoming very soon we shall endeavor to collect it in a summary way.

New Hope.

I have not seen any mention made in the papers about the improvements that are going on in this section of the county, and I thought I would inform the public, through the columns of thy interesting paper that we are not altogether idle down here. Three quite commodious buildings have been erected, and others repaired, together with several outbuildings, on the public road from Federalsburg to Preston.

I have been in different parts of Caroline and Dorchester counties recently and James Wright's field of wheat takes down anything I have seen, though there are others on the road very good, to wit: Henry Mobray's, Mitchell Covey's, and others, but I think Nathan Corkran has the *tallest* wheat I have seen.

I might also say that we have two stores opened at this place, which I hope will be able to accommodate the vicinity with cheap goods. OBSERVER.

$1200 AND ALL EXPENSES PAID.—See advertisement of *American Shuttle Sewing Machine*, in our advertising columns. ‡

Deaths.

BLAOKISTON.—At his residence in Kent Co., Md., on the 30th ult., of Paralysis, James E. Blackiston, aged 60 years.

AN INTERESTING LETTER is published in the Medico-Chirurgical Review, on the subject of the Extract of Sarsaparilla in certain affections, by Benjamin Travers, F. R. It is, in the strictest sense, a tonic with this invaluable attribute, that it is applicable to a state of the system so sunken, and yet so irritable as renders other substances of the tonic class unavailable or injurious.

No license shall be granted to sell spirituous or fermented liquors or lager beer, in quantities not less than a pint, for the sum of $18.60, unless the person applying therefor shall also obtain a license to sell goods, chattles, wares and merchandize, paying therefor the sum hereinbefore prescribed, according to the amount of the stock in trade.

Oyster and Eating Houses.—The license to be paid by the keepers of oyster and Eating houses is $50.60 throughout the State.
