Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, May 4th.

The first thunder-shower of the season passed over this place on Tuesday.

WORK has been commenced upon the large business house, to be built on Main street, and the frame will be raised in a few days.

THE State Directors in the Maryland & Delaware and the Dorchester & Delaware railroads have been continued for another year.

OFFICIAL VISIT.—Bishop Lay, of the Protestant Episcopal Church, will hold service at Hillsborough, on Saturday, May 8th.—Service to commence at 10 o'clock A. M.

QUARTERLY CONFERENCE.—The first quarterly conference of the M. E. Church for Denton circuit, will be held at Wesley, on Saturday and Sunday the 5th and 6th of June.

ABOUT fifty employees on the railroad passed through town on Tuesday afternoon last, on the way to their homes. They state the road is about graded to Easton, and ready for the track layers.

MORE ABOUT THE PEACHES.—From inquiry made of our fruit-growers we learn that the peaches are not entirely destroyed, though the crop is seriously injured. The buds upon the old trees are much affected, but upon young and vigorous trees the damage is slight.

THE FINEST WHEAT.—Public opinion seems to concur in according to Capt. Edward C. Carter, residing near Whiteleysburg, the finest field of wheat in this county, although it has many rivals. The wheat in Tuckahoe Neck is unusually fine, and gives promise of a fruitful harvest.

PLANTING CORN.—Great activity exists amongst the farmers in this section in preparing their fields for planting corn. In some instances the corn has already been planted, but this is the exception rather than the rule. From the 1st to the 10th of May is the usual corn planting time with our farmers.

PAINFUL ACCIDENT.—Mr. Wm. P. Richardson, residing in Tuckahoe Neck, met with a painful accident, on Sunday morning last, but it is thought will not prove fatal.—He was riding a young colt, belonging to one of his neighbors, and which had never been ridden but once or twice before, when the animal became unruly and jumped into a ditch with him. Fearing some injury might be done him, he jumped from its back, but was thrown flat in the middle of the road.—The animal still continued to rear and plunge, and in attempting to jump over Mr. R., whilst lying in the road, was suddenly checked and its hind feet planted in his right breast, inflicting a very painful wound.—Dr. Tarr was called in and rendered the necessary medical aid.

ENTERTAINMENT.—An evening entertainment, consisting of tableaux, dramas and music, will be given by Crystal Fount Lodge No. 8, I. O. of G. T., of Denton, on May 12th. See Advertisement.

IN OPERATION ONCE MORE.—The damage lately done to the wheel of the Enterprise Mills having been repaired, and the new reservoir having been built, operations were resumed on Saturday last. As an evidence of the capacities of the mill we will state, upon the authority of the owners, that thirty bushels of corn were ground in four hours on the day of starting.

ACCIDENT.—We learn from the Easton *Gazette* that Mr. Frederick A. Roe, a former citizen of this town and native of this county, in the employ of Mr. Wm. H. Wilson, at the steam mill in Easton, was loading a pistol on Thursday last, when by some means the cartridge exploded—driving the ball nearly through his hand. It struck the finger bone and there lodged, breaking the bone.

THE recent warm weather admonishes us that, if we value health, we must make some efforts to promote it. The piles of debris, collected during the winter months, and which contain, to a great extent, noxious elements, should be removed and disinfectants freely applied. It is none too soon to begin to ward off the malaria peculiar to this climate. Its periods of appearance are uncertain and irregular, and it is much better to begin now than to wait until the dread contagion is upon us. Lime is an excellent disinfectant, and its use cannot be otherwise than productive of good. Spread it plentifully upon the manure heap, in the woodyard, around the pig pen, and wherever else it is needful. Besides, it will not prove of injury to the fences and buildings, but will beautify them, and help ward off disease.

Preston.

Last Tuesday, the 20th inst., the "Big Bear Show," noticed in your paper sometime ago, made its appearance in our quiet village.—It was preceeded by a hand bill, notifying the people it would exhibit its wonders on the evening of the day above mentioned.—About 11 o'clock, P. M., a long covered wagon arrived accompanied by a host of dogs. The team was then taken loose and sent back after the remaining *den of animals*,(?) the firm being possessed of but four horses, and they so lean that it required all to draw one wagon. The showmen looked around for sometime in order to procure a lot to exhibit upon, but alas! their bright dreams of making a fortune here were soon dispelled, as no such place offered itself, and they were obliged to take themselves off, thus ridding the boys of the necessity of "running them."

At the last annual conference of the M. E. Church, this circuit was torn asunder, Preston put with Federalsburg, and Bethlehem with Denton. The people of this vicinity not being pleased with the arrangement sent a petition to the Presiding Elder asking to put back as last year. Fortunately, they have been successful, and Rev. Jno. Esgate returned to the charge.

People in this community are going "right ahead" farming, many of them having planted their corn. JIMMIE.

$1200 AND ALL EXPENSES PAID.—See advertisement of *American Shuttle Sewing Machine*, in our advertising columns. ‡

Deaths.

HITCH.—At the residence of Matthew Chilton, Esq., on Friday evening last, of consumption, Samuel S. Hitch, aged 23 years and 5 months.

And thou hast met thy final doom,
The awful mandate of the tomb.
But one ne'er looked to Christ in vain
Who lingered on a bed of pain.
Thou'rt gone, 'tis true, in manhood's morn,
Each early bud thy life has borne
Of promise; has been lost to us,
As we consign thee to the dust.
Thou stood among thy fellow men,
As fair as they, and we would fain
Believe, that thou art happy now
With angel smiles upon thy brow.
But ah, too soon life's brittle thread
Is snapped, and we are with the dead.
Then let us all in earnest be—
To spend a blest Eternity.

DENTON, April 26th, 1868.

SEWARD.—On the 14th inst, John Grant, son of Joshua and Mary W. Seward, aged 4 years and 18 days.

He was a precious little one,
And we would gladly had him stay;
But let our Father's will be done—
He shines in endless day,

HUBBARD.—On Friday last, Mrs. Ann Hubbard aged about 60 years.

HELMBOLD'S

Concentrated Fluid Extract

SARSAPARILLA

ERADICATES ERUPTIVE and ULCERATIVE DISEASES OF THE

THROAT, NOSE, EYES, EYELIDS, SCALP, and SKIN,

Which so disfigure the appearance, PURGING the evil effects of mercury and removing all taints, the remnants of DISEASES, hereditary or otherwise, and is taken by ADULTS and CHILDREN with perfect SAFETY.

TWO TABLE-SPOONFULS of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoctions as usually made.

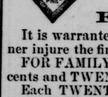

AN INTERESTING LETTER is published in the Medico-Chirurgical Review, on the subject of the Extract of Sarsaparilla in certain affections, by Benjamin Travers, F. R. S., &c.—Speaking of those diseases, and diseases arising from the excess of mercury, he states that no remedy is equal to the Extract of Sarsaparilla; its power is extraordinary, more so than any other drug I am acquainted with. It is, in the strictest sense, a tonic with this invaluable attribute, that it is applicable to a state of the system so sunken, and yet so irritable as renders other substances of the tonic class unavailable or injurious.

If the latter course be adopted, the following form will be deemed a sufficient compliance with the act:

Sworn before ——.

If the oath be administered before a Justice of the Peace out of the county in which the application is made, there must be attached the certificate of the Clerk of the Circuit Court of the county in which the Justice resides.

The Clerk shall not issue license to any person to sell spirituous and fermented liquors from whom the grand jury has recommended a license to be withheld, or to a person whose license had been suppressed by the Court, without a special order of the Court.

Amendments to the License laws passed January Session, 1868.

AN ACT

To add an additional section to Article fifty-six of the Code of Public General Laws, entitled Licenses, so as to empower a trader to sell the license to trade with the stock of goods.
