Town and County Intelligence.

THE Orphans' Court for Caroline county will meet on Tuesday, May 18th.

COURT begins in Talbot county on Monday next.

DOVER BRIDGE.—The draw of this bridge is undergoing repairs, and travel will be suspended during the greater part of the present week.

APPOINTED.—The Baltimore Conference of the African M. E. Church, lately in session at Frederick, has appointed Chas. H. Wayman as pastor of the African M. E. Church in this town.

AFTER the rain comes the sunshine, and we are having it to perfection just now.—Under its influence vegetation is springing with renewed life, and the farmer's heart is buoyant with the prospect of abundant crops.

PUBLIC LECTURE.—A public lecture will be given in Hillsborough next Tuesday evening (the 18th), under the auspices of the Good Templars Revs. S. T. Gardner and Geo. Barton will be present and address the audience. The public are invited to attend.

FAIR AND FESTIVAL.—We are requested to announce that a fair and festival, for the benefit of the Catholic Church, will be held in Easton, at the Court House, commencing on Monday afternoon, May 17th. Admission ten cents: season tickets thirty-five cents.

ACCIDENT.—On Monday of last week, whilst Mr. Jas. G. Redden was engaged in hauling logs, the sweep of his timber cart became unloosed and struck him with considerable force upon his right shoulder, inflicting a painful wound. He is recovering.

MARYDEL.—A temperance mass-meeting, under the auspices of the Kent County (Del.) Association, will be held at Marydel on the 19th inst. All friendly to the temperance cause are invited to be present. A band of music will be in attendance, and a free dinner will be given by the ladies of the Association.

ORPHANS' COURT ITEMS.—We extract the following items from the minutes of the Orphans' Court of Tuesday last.

Danl. Groce, colored, administrator of Mahala Barrett, colored, presented inventory of personal estate. Passed.

Jas. W. Saulsbury, executor of Samuel S. Hitch, dec'd, returned inventory of personal estate. Passed.

Guardian accounts passed: J. P. J. Hubbard, guardian to Jno. F. and Ada M. Towers, 2nd account, and Wm. F. Liden, guardian to Julia E., Sarah E., and Francis B. Liden, 2nd account.

Gabriel Friend, ext'r of Thos. Wright, dec'd, presented 1st administration account. Passed.

In the matter of the petition of Madison Winchester against the heirs of Joshua Kilson, dec'd, the court ordered the petition dismissed with costs to the respondents.

PENINSULA FRUIT GROWERS' ASSOCIATION.—A called meeting of this Association will be held in the State House, Dover, on Tuesday, May 18th, at 2 o'clock p. m. As the prospect is fair for a good crop, the meeting is likely to be an important one, and all interested should attend.

THE FISHERIES.—As a general rule, the fisheries along the Choptank have done a very poor business. Some have barely paid expenses. Others have done well, and made considerable. Prominent among this latter number is Mr. John Nichols, at Gilpin's Point, who has caught upwards of one hundred and thirty thousand herrings, and enough shad to defray all expenses. Buyers have been plenty.

FREE BRIDGE.—Henceforth, in pursuance of an order by the County Commissioners on Tuesday last, the bridge across the Choptank at this place is thrown open to the public as a free bridge. The revenues arising from tolls over this bridge have, of late, been merely nominal, and the Commissioners have evinced some degree of wisdom in making it free. The order went into effect immediately upon its passage.

SUDDEN DEATH.—John Keen died very suddenly at Harrington on Tuesday. Perfectly free from all bodily pain and without any symptoms of disease, he suddenly fell to the floor of Mr. Collison's wheelwright shop and expired before he could be conveyed to his home. He was well advanced in years, but had been remarkably blessed with health and strength, never having experienced any sickness in his life. His disease was a rush of blood to the head.

NEW BARN.—Col. A. J. Willis is building on his farm near Bethlehem, occupied by J. A. Tribbitt, a very commodious and handsome barn, 30x42 feet, with three floors, and to be surmounted with a large cupola. The Colonel seems to have lately had a spirit of improvement infused into him, and is making most radical changes in all his property.—He informs us that he has put up twelve buildings in as many months, three of which are dwellings. We trust that others may "go and do likewise."

PROCEEDINGS OF SCHOOL BOARD.—An estimate was made of the amount of school expenses for the Spring term, which ended on the 4th inst. A requisition was made on the County Commissioners to levy $5,000 for repairs, incidental expenses and to pay deficiencies in Teachers, salaries for the present and ensuing scholastic term. Master J. F. Case, son of Capt. T. D. Case, received the appointment to fill the vacant scholarship in St. John's College. The board adjourned to meet at notice of secretary, which is to be given when funds are in hand to pay the teachers.

RAILROAD ACROSS THE PENINSULA.—On Wednesday last, a party of surveyors were prospecting for a railroad to run from Harrington westward across the Peninsula to the Chesapeake. The ends sought to be attained by the construction of this road have heretofore been noticed at length in these columns, and it is unnecessary to repeat them here. Whether the report of the surveyors was favorable or not has not transpired, yet rumor asserts it will be favorable. We sincerely hope the talkative dame may be correct in this, for we conceive the building of the road would be of uncalculable good to this conty.

IT SHOULD BE STOPPED.—Quarrels and fights have of late been of frequent occurrence among the colored people of our town at such a late hour of the night as to disturb the peace of many of our citizens. The savages in the western wilds could scarcely excel their unearthly yells, and their profanity is sometimes so shocking that we wonder their Maker don't strike them dead on the spot. We warn these rioters against any future repetition of such disgraceful proceedings, else they will be made to feel the penalty of the law to its fullest extent. We must and will have peace.

A SUNDAY SCHOOL IN DENTON.—For some months past there has been no Sunday School in Denton. To make up for this deficiency, those who are interested in the children have been holding childrens' meetings; the exercises of which have consisted of singing, prayer, short addresses and catechetical instruction.

At the close of his sermon on Sabbath last, Rev. R. W. Todd announced by authority of the Pastor, Rev. J. W. Hammersley, that a Sabbath School would be organized in the afternoon—accordingly at 2 o'clock a good congregation of the children and their friends assembled at the church, and effected an organization of the school, by the election of the following persons as officers and teachers:

Superintendent—J. I. Lednum.
Asst. Superintendent—Mrs. Kate Willis.
Secretary & Librarian—N. A. Hutson.
Assistant Secretary & Librarian—Wm. H. Blackiston.
Treasurer—J. W. Conner.
Teachers—J. W. Conner, R. W. Todd, J. D. Kemp, J. W. Bryant, J. R. Fountain, R. J. Jump, Mrs. D. E. Somers, Mrs. J. D. Kemp, Miss Annie Fountain, Mrs. Lewis, Mrs. Eliza Nicholson, Miss Annie Nicholson, Mrs. R. M. Tyler, Miss Mollie Postlethwaite, Miss Emma Todd, Mrs. J. W. Hammersly.

It is earnestly hoped that those who have been chosen as officers and teachers will be punctual and diligent, and thus ensure the newly organized school to be a success. The efficiency and interest of the school will be largely increased also by the general attendance of parents and all friends of the yonng; and we hope they will give the cause their countenance and support. The Editor of the "Union" will be on hand, and bring his "Devil" with him.

THE communication of Cunningham has been recived and will be overlooked at our leisure.

$1200 AND ALL EXPENSES PAID.—See advertisement of *American Shuttle Sewing Machine*, in our advertising columns. ‡

HELMBOLD'S

Concentrated Fluid Extract

SARSAPARILLA

ERADICATES ERUPTIVE and ULCERATIVE DISEASES OF THE

THROAT, NOSE, EYES, EYELIDS, SCALP, and SKIN,

Which so disfigure the appearance, PURGING the evil effects of mercury and removing all taints, the remnants of DISEASES, hereditary or otherwise, and is taken by ADULTS and CHILDREN with perfect SAFETY.

TWO TABLE-SPOONFULS of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoctions as usually made.

AN INTERESTING LETTER is published in the Medico-Chirurgical Review, on the subject of the Extract of Sarsaparilla in certain affections, by Benjamin Travers, F. R. S., &c.—Speaking of those diseases, and diseases arising from the excess of mercury, he states that no remedy is equal to the Extract of Sarsaparilla; its power is extraordinary, more so than any other drug I am acquainted with. It is, in the strictest sense, a tonic with this invaluable attribute, that it is applicable to a state of the system so sunken, and yet so irritable as renders other substances of the tonic class unavailable or injurious.
